Justice for All Jim Newton, 2007-10-02 One of the most acclaimed and best political biographies of its time Justice for All is a monumental work dedicated to a complicated and principled figure that will become a seminal work of twentieth century U S history In Justice for All Jim Newton an award winning journalist for the Los Angeles Times brings readers the first truly comprehensive consideration of Earl Warren the politician turned Chief Justice who refashioned the place of the court in American life through landmark Supreme Court cases whose names have entered the common parlance Brown v Board of Education Griswold v Connecticut Miranda v Arizona to name just a few Drawing on unmatched access to government academic and private documents pertaining to Warren's life and career Newton explores a fascinating angle of U S Supreme Court history while illuminating both the public and the private Warren

The Journey of the Flame Walter Nordhoff, 2002 Fiction Latino Latina Studies Foreword by Rebecca Solnit On the eve of his 104th birthday Don Juan Obrigon tall and straight with hair still flaming red prepares to tell his life story to assembled relatives and guests The story he will tell describes his travels as a boy of twelve in 1810 when he accompanied the Spanish viceroy of Baja California from the southern tip of Baja California to Monterey THE JOURNEY OF THE FLAME is that rare treasure an artfully imagined work of fiction that is based on meticulous research and brings life to the study of history A slow ride through exotic territory the book is rich in leisurely pacing and dense detail entertaining a child by getting a desert rat to inflate the egg sized food pouch under his ears that truly capture another time and reveal another world

Essential Muir John Muir, 2006 Preservationist Inventor Lobbyist John Muir was many things at once and he is California's best known icon so much so that his image was chosen to appear on the new state quarter But the best way to know the man who founded the Sierra Club and helped create Yosemite National Park is to read his own words Essential Muir is the second volume in the California Legacy Essentials Collection Taking the best of John Muir's writings on nature in which he waxes ecstatic even as he accurately describes the scientific attributes of a flower as well as his thoughts on religion and society this book presents a fresh look at one of California's greatest literary figures His love for nature was so powerful and his description of it so compelling it still inspires us a century later

Unsettling the West JoAnn Levy, 2004 By the end of 1849 an estimated thirty nine thousand gold seekers had arrived in San Francisco by sea and some thirty thousand others had crossed the continent on land Another eighty six thousand would arrive in 1850 According to the census for that year there were twelve men for every woman in California But who would want them The words gold rush generate at best an image of raucous all male camaraderie at worst a storm of lawless and irredeemable violence Eliza Wood Burhans Farnham a young widow who had already generated considerable attention for herself as the matron of Sing Sing prison had a vision for California Woman with all her kindly cares and powers so peculiarly conservative to man under such circumstances would bring a civilizing influence to the state Farnham's vision went beyond gentility however to a society in which individuals male or female could fulfill their potential and virtues championed by free thinking New England philosophers would reign supreme The realities of everyday life in gold rush California were daunting but when Farnham's friend Georgiana Bruce later Kirby joined her the following year hope returned in full measure She fills up a great place in my dark world and comes to me like a pleasant breeze or a bright sun after one of our long rains We are going to be very independent and free dashing about at our discretion The stories of these sisters on the way to the vast Beyond as Farnham called them could not be told separately With insight wit and telling detail JoAnn Levy relates the scope and outcome of their quest for human perfectibility in this account of two remarkable and redoubtable women in frontier California Book jacket

Inlandia Gayle Wattawa, 2006 A land of dramatic landscapes and increasingly dynamic human developments the Inland Empire is becoming much more than just the area east of Los Angeles As tract homes creep over desert areas once thought uninhabitable the region comprised of Riverside and San Bernardino Counties is one of the fastest growing regions in America Unique in its own history and a microcosm of America at large it is a land of startling racial socio economic and ideological diversity that has long produced innovative and passionate writing Inlandia is a study of the journey of a people bound by geography yet striving for self identity and artistic recognition and of a land that is becoming both more prosperous and endangered Over eighty writers are represented in the anthology with material ranging from Indian stories and early explorers narratives to pieces written by local emerging authors From publisher description
