Footsteps Of The Faithful Victorious Living And The Military Life:

Footsteps of the Faithful Denise McColl,1994 Faith Deployed Jocelyn Green,2009-01-01 If your spouse or someone you know has been deployed recently the stress of this situation will resonate with you Jocelyn Green speaks directly to the wives of deployed seamen marines airmen and soldiers through the experiences of their spouses This book is not ten easy steps for a painless life instead it is a collection of devotions that squarely addresses the challenges wives face when their husbands are away protecting freedom Challenges like how does a military wife maintain a strong sense of patriotism without allowing her country to become an idol What good can possibly come from moving every two or three years How can I be sure that God has a purpose for my life that s as strong as His purpose for my husband s The foundation of this devotional is the unchanging character of God and the anchor of Jesus Christ even amidst the shifting circumstances of a military family
