Theatre and Empowerment Richard Boon, Jane Plastow, 2004-08-19 Theatre and Empowerment examines the ability of drama theatre dance and performance to empower communities of very different kinds and it does so from a multi cultural perspective The communities involved include poverty stricken children in Ethiopia and the Indian sub continent disenfranchised Native Americans in the USA and young black men in Britain victims of violence in South Africa and Northern Ireland and a threatened agricultural town in Italy The book asserts the value of performance as a vital agent of necessary social change and makes its arguments through the close examination from inside practice of the success not always complete of specific projects in their practical and cultural contexts Practitioners and commentators ask how performance in its widest sense can play a part in community activism on a scale larger than the individual one off project by helping communities find their own liberating and creative voices

Still Mad: American Women Writers and the Feminist Imagination Sandra M. Gilbert, Susan Gubar, 2021-08-17 A brilliant sweeping history of the contemporary women s movement told through the lives and works of the literary women who shaped it Forty years after their first groundbreaking work of feminist literary theory *The Madwoman in the Attic* award winning collaborators Sandra

M Gilbert and Susan Gubar map the literary history of feminism's second wave. From its stirrings in the midcentury when Sylvia Plath, Betty Friedan, and Joan Didion found their voices, to Diane di Prima, Lorraine Hansberry, and Audre Lorde discovered community in rebellion, to a resurgence in the new millennium in the writings of Alison Bechdel, Claudia Rankine, and N K Jemisin, Gilbert and Gubar trace the evolution of feminist literature. They offer lucid, compassionate, and piercing readings of major works by these writers and others, including Adrienne Rich, Ursula K Le Guin, Maxine Hong Kingston, Susan Sontag, Gloria Anzaldá, and Toni Morrison. Activists and theorists like Nina Simone, Gloria Steinem, Andrea Dworkin, Eve Kosofsky Sedgwick, and Judith Butler also populate these pages as Gilbert and Gubar examine the overlapping terrain of literature and politics in a comprehensive portrait of an expanding movement. As Gilbert and Gubar chart feminist gains, including creative new forms of protests and changing attitudes toward gender and sexuality, they show how the legacies of second wave feminists and the misogynistic culture they fought extend to the present. In doing so, they celebrate the diversity and urgency of women who have turned passionate rage into powerful writing.

Daughters of the American Revolution Magazine, 1921 **The Christian Advocate**, 1912 *Encyclopedia of African American Women Writers* Yolanda Williams

Page, 2007-01-30 African American women writers published extensively during the Harlem Renaissance and have been extraordinarily prolific since the 1970s. This book surveys the world of African American women writers. Included are alphabetically arranged entries on more than 150 novelists, poets, playwrights, short fiction writers, autobiographers, essayists, and influential scholars. The Encyclopedia covers established contemporary authors such as Toni Morrison and Gloria Naylor, along with a range of neglected and emerging figures. Each entry is written by an expert contributor and provides a brief biography, a discussion of major works, a survey of the author's critical reception, and primary and secondary bibliographies. Literature students will value this book for its exploration of African American literature, while social studies students will appreciate its examination of social issues through literature. African American women writers have made an enormous contribution to our culture. Many of these authors wrote during the Harlem Renaissance, a particularly vital time in African American arts and letters, while others have been especially active since the 1970s, an era in which works by African American women are adapted into films and are widely read in book clubs. Literature by African American women is important for its aesthetic qualities and it also illuminates the social issues which these authors have confronted. This book conveniently surveys the lives and works of African American women writers. Included are alphabetically arranged entries on more than 150 African American women novelists, poets, playwrights, short fiction writers, autobiographers, essayists, and influential scholars. Some of these figures, such as Toni Morrison and Gloria Naylor, are among the most popular authors writing today, while others have been largely neglected or are recently emerging. Each entry provides a biography, a discussion of major works, a survey of the writer's critical reception, and primary and secondary bibliographies. The Encyclopedia closes with a selected general bibliography. Students and general readers will welcome this guide to the rich
