ZANE BRIDGES AND THE HINDENBURG PLOT Peter Thompson, 2019-04-12 The period before World War Two was often referred to as the phoney war In that troubled time an agent for the Home office was sent to Germany under cover to try to find out what Hitler and his allies planned the group later called the Axis of Evil Zane Bridges finds to his horror that

Hitler was worried about America being drawn into the new world war that was about to start His scientists were working on a scheme to weaponise the bubonic plague so that it could be used against America being released over their cities from the sky It is also said that an Israeli agent fired a pistol into one of the tanks as the Hindenburg came in to land at the New Jersey field Sailors from the nearby Lakehurst naval base ran to help passengers as the airship burned However nothing was left of the sixteen tanks and there was no way to prove that the airship was about to spread the plague Was America that lucky and is that why they are such good allies these days with the Jews

Hiwassee Charles F. Price, 2023-03-17 This Stunning Novel is set near the end of the Civil War in the mountainous farm country of North Carolina bordering on the Hiwassee River a region where neighbor turned on neighbor and helpless families were preyed on by deserters from both armies and by violent gangs pretending to be military units Madison Curtis and his wife Sarah live on a plantation that lies in the path of a gang of Union partisans led by a vicious bushwhacker named Bridgeman The Curtises are hiding their eldest son Andy who was wounded in the Confederate Army They risk torture and death to protect him from Bridgeman We meet also the Curtis s younger sons Jack and Howell who are caught up in the great battle of Chickamauga far away in Georgia and we are offered a unique glimpse of war as the common soldier saw it confusing monotonous and terrifying by turns and without any discernible meaning There too is the rebel soldier Oliver Price a poor kindly shoemaker who hardly ever met a black man much less owned one but fought on to the end for his home long after many others with much more at stake had lost heart and quit This is a perfect little gem of a novel beautifully written historically accurate and shedding light on a little known corner of the Civil War behind the lines of the Border South Once read it will never be forgotten
