Buzzard, 1999 There is an impressive consensus among New Testament scholars that the Kingdom of God was the principal theme of all that Jesus taught The Gospel about the Kingdom of God is actually the New Testament name for the Christian Message of salvation Yet today we hear little or nothing in public evangelism about the Gospel of the Kingdom Jesus has been divorced from his own Gospel Anthony Buzzard contends that traditional Christianity has lost its grip on the Messianism of the Bible that Jewish theme which Gentiles found and still find unfamiliar If the various denominations are to find unity in a common belief in the Bible it will have to be by a return to the Messianic Jesus and His

Kingdom Gospel No theme could be more heartening in our distracted world than the hope of a better world coming on earth when Jesus returns to take over the reins of world government Subtle forces from the world of pagan philosophy have worked to make basic apostolic teachings unclear to the churchgoing public The Bible read in its own Hebrew Messianic context comes alive as a thrilling document inspiring hope for a resolution of all the worlds problems and offering frail humans the prospect of living not only for a thousand years but forever *Together with God: The Gospels* ,2017-12-01

**Fathers** Tyler Rowley, 2020 A father the head of the household as Saint Paul says has a crucial role and responsibility in his family not only materially but spiritually This is no outdated biblical cliché but a biological sociological and metaphysical reality that we too often fail to recognize The example of a father can leave an indelible imprint on the character of his children In *Because of Our Fathers* twenty three Catholics including Patrick Madrid Abby Johnson Bishop Joseph Strickland Father Paul Scalia Jesse Romero Anthony Esolen Father Rocky Christopher Check and Father Gerald Murray give portraits of their own fathers as conduits and models of Christian love Ranging from the heroic to the ordinary these powerful testimonies will inspire men to consider more deeply the amazing privilege that God has given them to become despite their imperfection a living image of our Father in Heaven The introduction and conclusion by editor Tyler Rowley serve as a wake up call Illustrating the Church's teaching on fatherhood with current research on the family he makes clear the urgent need for men who take seriously the God given grace filled task of raising children **Gospel Gospel** Louis J. **Our Father Who Aren't in Heaven** Robert S. Turner, 2015-03-02 The Lord's Prayer holds an honored place in the worship and devotional practices of countless Christians around the world People of every ethnic background denominational affiliation and theological leaning pray to Our Father who art in heaven But what if there's more to it than we think Our Father Who Aren't in Heaven takes a decidedly this worldly approach to the prayer and seeks to understand what Jesus meant to teach his original disciples and us through this radical manifesto of the kingdom of God In these pages Robert S Turner presents a political reading of the prayer and explores how we can encounter through it a God who has left the divine hammock empty and cast God's lot with humanity and the rest of creation A renewed understanding of the prayer may have the capacity to transform the world These subversive reflections on the Lord's Prayer may have the capacity to transform the reader as well *Hallowed* Reuben Bredenhof, 2019-06-27 *Hallowed* is a fresh study of the Lord's Prayer against its Old Testament background Rather than give an entirely new model for speaking with God Jesus drew the message of his prayer from the Psalms the ancient prayer book of God's people In the Psalms believers approach God in worship seek him for life's necessities confess their sins and ask for his mercy Echoing these prayerful voices Jesus taught a profound lesson in what delights God when his people pray From this we will learn how to hallow God's name in prayer and all of life and we will be encouraged with the Father's promise that he always hears the voice of his children in Christ

**The Conclusion to the Whole Matter** Paul Douglas Castle, 2014-02-11 As the author of *The Conclusion to the Whole Matter* I conclude it's a risk of emotions to read this book Because *The Conclusion to the Whole Matter* is a two edged sword that cuts through myths pagan practices abominations and the detestable traditions of men that are manifested in our society and also in the churches of God *The Conclusion to the Whole Matter* will stir up different emotions in all readers that read its contents because *The Conclusion to the Whole Matter* will not let you see the world of Christianity as you once imagined it to be The rose colored

glasses that most people view Christianity through may not seem so rosy after reading *The Conclusion to the Whole Matter* But *The Conclusion to the Whole Matter* is the whole truth based on the word of God In our society today men abhor the truth they twist and veil it in darkness and insincerity *The Conclusion to the Whole Matter* unveils hidden things that professing Christians might wish would stay hidden from the light The contents of this book are devoted to the feelings and emotions of God The Bible consists of approximately 782 000 words *The Conclusion to the Whole Matter* is summed up in six words But it's taken me approximately 190 000 words to put definition to *The Conclusion to the Whole Matter* In the last days it will be 144 000 men of God and a flying angel who preach the last gospel on earth The last gospel preached will be *The Conclusion to the Whole Matter*

***The Deposition of Father McGreevy*** Brian O'Doherty, 2014-02-15 It should have won all the prizes DORIS LESSING Enthralling chilling and memorable Sunday Telegraph So original that the text is illuminating The Times Remarkable and haunting Guardian In a London pub in the 1950s editor William Maginn is intrigued by a reference to the reputedly shameful demise of a remote mountain village in Kerry Ireland where he was born Maginn returns to Kerry and uncovers an astonishing tale both the account of the destruction of a place and a way of life which once preserved Ireland's ancient traditions and the tragedy of an increasingly isolated village where the women mysteriously die leaving the priest Father McGreevy to cope McGreevy struggles to preserve what remains of his parish and against the rough mountain elements the grief and superstitions of his people and the growing distrust in the town below Rich in the details of Irish lore and life and a gripping exploration of both the locus of misfortune and the nature of evil its narrative evokes both a time and a place with the accuracy of a keen unsentimental eye and renders its characters with heartfelt depth Shortlisted for the Man Booker Prize

***How Much More?*** Golfran A. Rivera, 2021-12-18 Jesus has a way of using rhetorical questions to get at the heart of what His listeners believe about Him and His Father One night while Golfran A Rivera held his newborn son contemplating all the blessings he longed to bestow upon him Christ's question about the Father's generosity suddenly pierced deeper than it ever had before If you then who are evil know how to give good gifts to your children how much more will your Father who is in heaven give good things to those who ask Him Many who have called on Christ as their Lord and Savior can articulate fundamental Christian doctrines about forgiveness of sins through His willful sacrifice and powerful resurrection They

acknowledge the Gospel is true and that Jesus is the only way to the Father But few ever understand or walk in the joy and freedom that is found in the love of the Father Rivera shares how fatherhood contextualized Jesus question and helped him experience the love of God in a new way By answering the question How much more he shows us how the difference between understanding Christian doctrine and experiencing the truth of the Gospel is found in discovering the depths of the Father s love

**Rekindled** Mallory Smyth,2020-11-06 Winner of a second place award for popular presentation of the faith by the Catholic Media Association Mallory Smyth has been where many young Catholics are today But the difference between her and other fallen away Catholics is that she figured out that when she overlooked the shortcomings of the Church as an institution she fell in love with Jesus and rediscovered the beauty and truth of her faith In Rekindled Smyth s raw relatable account of her own disillusionment and departure is sure to resonate with anyone who has struggled to feel at home in the Church For anyone who has left the faith or has one foot out the door this powerful book just might illuminate a path back home to a Church that is both holy and in need of perfection Shallow homilies Hypocritical authority figures Trite answers to pressing questions These and other shortcomings of the Church have led plenty of Catholics to question their faith or to abandon it entirely Rekindled is for those who have left the Church and those with one foot out the door Smyth s account of her own disillusionment and departure is relatable and

honest She understands and validates the pain and doubt that many Catholics and former Catholics feel Smyth also provides you with practical guidance for keeping your faith even when what you encounter in the Church falls short How to recognize Christ s presence even in the most mediocre Mass experiences Strategies for finding faithful role models when authority figures let you down Where to turn when the answers and pastoral guidance you receive don t reach the heart of the issue How to find fulfillment in Christ and in the community of the saints even when joy seems to be in short supply in the Church
