For Democracys Sake Foundations And Democracy Assistance In Central Europe:

For Democracy's Sake Kevin F. F. Quigley, 1997-03-07 This pathbreaking study examines foundations democracy assistance programs in Central Europe in the years immediately following the fall of the Berlin Wall both measuring their size and evaluating their strategies

Democracy Assistance Peter Burnell, 2013-10-23 This examination of how Western governments support democracy worldwide considers how countries use this aid Attention is paid to post conflict situations and semi authoritarian regimes where democratization has stalled and international support of democratic decentralization is assessed

Aiding Democracy Abroad Thomas Carothers, 2011-09 Aid to promote democracy abroad has emerged as a major growth industry in recent years Not only the United States but many other Western countries international institutions and private foundations today use aid to support democratic transitions in Eastern Europe the former Soviet Union Asia Africa Latin America and the Middle East Though extensive in scope these activities remain little understood outside the realm of specialists Debates among policymakers over democracy promotion oscillate between unhelpful poles of extreme skepticism and unrealistic boosterism while the vast majority of citizens in aid providing countries have little awareness of the democracy building efforts their governments sponsor Aiding Democracy Abroad is the first independent comprehensive assessment of this important new field Drawing on extensive field research and years of hands on experience Thomas Carothers examines democracy aid programs relating to elections political parties governmental reform rule of law civil society independent media labor unions decentralization and other elements of what he describes as the democracy template that policymakers and aid officials apply around the world Steering a careful path between the inflated claims of aid advocates and the exaggerated criticisms of their opponents Carothers takes a hard look at what such programs achieve and how they can be improved

Democratic Consolidation in Eastern Europe Jan Zielonka, Alex Pravda, 2001 This second volume in a series of books on democratic consolidation in Eastern Europe analyzes the external parameters of such a consolidation in thirteen Eastern European countries It explores how different international actors and various economic cultural and security types of transnational pressures have shaped democratic politics in the region especially over the last decade

Democratic Consolidation in Eastern Europe: Volume 2: International and Transnational Factors Jan Zielonka, Alex Pravda, 2001-06-14 This is the second volume in a two volume series of books on democratic consolidation in Eastern Europe The first volume focused on the issue of institutional engineering This second volume analyses the external parameters of democratic consolidation in thirteen Eastern European countries how different international actors and various economic cultural and security types of transnational pressures have shaped democratic politics in the region The aim is to contrast a set of democracy theories with empirical evidence accumulated in Eastern Europe over the last ten years The volume tries to avoid complex debates about definitions methods and the uses and misuses of comparative research Instead it seeks to establish what has really happened in the region and which of the existing theories are helpful in

explaining these developments The volume is divided into two parts The first part presents a conceptual and comparative frame of analysis the second consists of detailed studies of individual countries undergoing democratic consolidation Case study chapters deal with the following countries Estonia and Latvia Hungary Poland the Czech Republic Slovakia Romania Bulgaria and Macedonia the states of former Yugoslavia Belarus and Ukraine and finally Russia The concluding chapter identifies a set of variables responsible for the enormous impact of external factors on democratic consolidation in Eastern Europe It conceptualises the interplay of internal and external factors impinging upon democracy and shows the interplay of different positive and negative types of external pressures It also evaluates the conscious Western effort to craft or engineer democracy in Eastern Europe

American Foundations Helmut K. Anheier, David C. Hammack, 2010-09-01 Foundations play an essential part in the philanthropic activity that defines so much of American life No other nation provides its foundations with so much autonomy and freedom of action as does the United States Liberated both from the daily discipline of the market and from direct control by government American foundations understandably attract great attention As David Hammack and Helmut Anheier note in this volume Americans have criticized foundations for their alleged conservatism liberalism elitism radicalism devotion to religious tradition hostility to religion in short for commitments to causes whose significance can be measured in part by the controversies they provoke Americans have also criticized foundations for ineffectiveness and even foolishness Their size alone conveys some sense of the significance of American foundations whose assets amounted to over 530 billion in 2008 despite a dramatic decline of almost 22 percent in the previous year And in 2008 foundation grants totaled over 45 billion But what roles have foundations actually played over time and what distinctive roles do they fill today How have they shaped American society how much difference do they make What roles are foundations likely to play in the future This comprehensive volume the product of a three year project supported by the Aspen Institute's program on the Nonprofit Sector and Philanthropy provides the most thorough effort ever to assess the impact and significance of the nation's large foundations In it leading researchers explore how foundations have shaped or failed to shape each of the key fields of foundation work American Foundations takes the reader on a wide ranging tour evaluating foundation efforts in education scientific and medical research health care social welfare international relations arts and culture religion and social change

Banking on Knowledge Diane Stone, 2003-09-02 This book is one of the first studies of how the World Bank is reinventing itself as the knowledge bank

Society and Nation in Transnational Processes in Europe Adam Jarosz, Miloš Řezník, 2015-09-18 The modern nation is an organisational form of society that has undergone numerous changes throughout history The concept of the nation in Europe in the nineteenth century has been posed and answered in the past but as the basic conditions of its existence change it is essential that this important question be asked again Without doubt the modern nation realizes the promises of solidarity and community which are so attractive to the masses and has a profound effect on identity formation Without these structures originally put in place by civil society self

organization as the implementation of national thought is unimaginable Understanding the necessity and the possibility of the designability of society through the idea of nation and the functionality of civil society determines the strength and stability of the national movement

Reconstructive Critics Raymond J. Struyk, 1999 Struyk an analyst of housing policy and finance and community development with the Urban Institute was inspired for this account by Russian and Hungarian think tanks he worked with in 1990 and 1991 as well as efforts to create or restructure such bodies in the west He draws on interviews with people from think tanks and policy makers in Armenia Bulgaria Hungary and the Russian Federation and with representatives of the donor community both in those countries and elsewhere Annotation copyrighted by Book News Inc Portland OR

Foundations for Social Change Daniel Faber, Deborah McCarthy Auriffeille, 2005-09-01 This multi disciplinary collection blends broad overviews and case studies as well as different theoretical perspectives in a critique of the relationship between United States philanthropic foundations and movements for social change Scholars and practitioners examine how these foundations support and or thwart popular social movements and address how philanthropic institutions can be more accountable and democratic in a sophisticated provocative and accessible manner Foundations for Social Change brings together the leading voices on philanthropy and social movements into a single collection and its interdisciplinary approach will appeal to scholars students foundation officials non profit advocates and social movement activists

Philanthropic Foundations in the Twentieth Century Joseph C. Kiger, 2000-01-30 In a readable coherent and succinct account Kiger surveys the changes that have taken place in U S foundations in the 20th century and describes our foundations as they exist today Opening with historical information on the emergence of large foundations at the beginning of the century the book discusses the major characteristics of foundations emphasizing that they are organized to give away rather than make money and identifies and discusses the major changes since 1950 In considering those changes the book considers such topics as growth and expansion diversification in the makeup of trustees and staff and governmental oversight and supervision In the increasing movement of foundations into the international sphere the book covers their international activities and the formation and operation of international centers and groups associated with them Phlanthropic Foundations in the Twentieth Century provides a useful overview of the growth development and operation of foundations

Foreign Aid and Foreign Policy Louis A. Picard, Robert Groelsema, Terry F. Buss, 2015-01-28 This timely work presents cutting edge analysis of the problems of U S foreign assistance programs why these problems have not been solved in the past and how they might be solved in the future The book focuses primarily on U S foreign assistance and foreign policy as they apply to nation building governance and democratization The expert contributors examine issues currently in play and also trace the history and evolution of many of these problems over the years They address policy concerns as well as management and organizational factors as they affect programs and policies Foreign Aid and Foreign Policy includes several chapter length case studies on Iraq Pakistan Ghana Haiti and various countries in Eastern Europe and Africa but the bulk of

the book presents broad coverage of general topics such as foreign aid and security NGOs and foreign aid capacity building and building democracy abroad Each chapter offers recommendations on how to improve the U S system of aid in the context of foreign policy

Funding Virtue Marina Ottaway,2000 The United States and many other international donors have embraced civil society aid as a key tool of democracy promotion This collection of essays analyzes civil society aid in five regions South Africa the Philippines Peru Egypt and Romania focusing on crucial issues and dilemmas

A Versatile American Institution David C. Hammack,Helmut K. Anheier,2013-02-26 America s grantmaking foundations have grown rapidly over the course of recent decades even in the face of financial and economic crises Foundations have a great deal of freedom enjoy widespread legitimacy and wield considerable influence In this book David Hammack and Helmut Anheier follow up their edited volume American Foundations with a comprehensive historical account of what American foundations have done with that independence and power While philanthropic foundations play important roles in other parts of the world the U S sector stands out as exceptional Nowhere else are they so numerous prominent or autonomous What have been the main contributions of philanthropic foundations to American society And what might the future hold for them A Versatile American Institution considers foundations in a new way Previous accounts typically focused narrowly on their organization donors and leaders and their intentions but not on the outcome of philanthropy Rather than looking at foundations in a vacuum Hammack and Anheier consider their roles and contributions in the context of their times and their economic and political circumstances

The Power and Limits of NGOs Sarah E. Mendelson,John K. Glenn,2002-09-11 Since the end of the Cold War a virtual army of nongovernmental organizations NGOs from the United States Britain Germany and elsewhere in Europe have flocked to Central and Eastern Europe and Eurasia These NGOs are working on such diverse tasks as helping to establish competitive political parties elections and independent media as well as trying to reduce ethnic conflict This important book is among the few efforts to assess the impact of these international efforts to build democratic institutions The case studies presented here provide a portrait of the mechanisms by which ideas commonly associated with democratic states have evolved in formerly communist states revealing conditions that help as well as hurt the process

International Democracy Assistance for Peacebuilding Sorpong Peou,2007-10-23 This book explains why international donors may succeed in putting war torn countries on the path of democratic transition and negative peace but fail to consolidate the gains they make Critical of neo institutionalism but sympathetic to historical and normative institutionalism this book advances complex realist institutionalism theory

Democracy and Sovereignty Daniel Erasmus Khan,Evelyne Lagrange,Stefan Oeter,Christian Walter,2022-11-28 At a time where multilateralism is coming under increasing pressure a new reflection on the foundations of international law is warranted Democracy and Sovereignty Rethinking the Legitimacy of Public International Law addresses urgent new and intrinsically international subject areas such as digitalization climate change and transborder investments This volume looks at the changing role of state

sovereignty and explores more democratic modes of legitimation in order to supplement the traditional concept of state consent and sharpen the notion of democracy itself **The Changing Landscape in Eastern Europe** Richard E.

Quandt,2002-06-20 This book shows how philanthropy can be a primary force in the transfer of technology in transitional societies It demonstrates the necessity of retraining of people and how this endeavor is as important as the technology itself It is essentially about Hungary Poland Czech Republic Slovakia Latvia Estonia with somewhat smaller emphases on Russia Romania and South Africa It chronicles explains and analyzes western assistance efforts in Eastern Europe between 1989 and 2000 in the context of the political and economic events of the period with particular emphasis on the activities of The Andrew W Mellon Foundation Factors that made transfers more or less successful and the role of social institutions and human factors will be highlighted Significant illustrations include the creation of a small enterprise sectors MBA programs economic programs and new markets and financial institutions The material provides the reader with a clear understanding of how institutions for economic education emerged in Central and Eastern Europe what role of US foundations and academic institutions played and what the interplay with local personalities involved **The Rise of Japanese NGOs** Kim

D. Reimann,2009-12-04 Looking at domestic politics transnational diffusion the state s relationship with civil society and societal actors the book demonstrates how and why NGOs active in global issues have become more visible in Japan and are now established players in the policy making process **Taming Ethnic Hatred** Patrice C. McMahon,2007-04-05 With its unique emphasis on ethnic cooperation rather than discord this work provides insights into how the international community can help to restrain ethnic conflict in the Twenty First century By examining the construction of ethnic peace in post Soviet Eastern Europe Patrice McMahon accurately describes how the international community worked to quell growing tensions in the East Key was a network of public and private organizations whose goal it was to work in overlapping ways to manage inter ethnic relations which in turn kept ethnically charged clashes far below levels forecast Inspired by the Conference on Security and Cooperation in Europe CSCE this network included Western governments intergovernmental organizations as well as non governmental organizations Although each actor had its own reason for involvement in this network she highlights the shared principles and overlapping strategies actors used and how their interaction translated into a modern form of decentralized governance This book addresses these issues by considering ethnic relations in Romania and Latvia In so doing it brings to the fore important stories too long ignored by the West and academic research Writing in a direct readable fashion the author connects her subject to a larger review of changes in global governance

If you ally habit such a referred **For Democracys Sake Foundations And Democracy Assistance In Central Europe** books that will provide you worth, get the entirely best seller from us currently from several preferred authors. For Democracys Sake Foundations And Democracy Assistance In Central Europe Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free For Democracys Sake Foundations And Democracy Assistance In Central Europe PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This

convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free For Democracys Sake Foundations And Democracy Assistance In Central Europe PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of For Democracys Sake Foundations And Democracy Assistance In Central Europe free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About For Democracys Sake Foundations And Democracy Assistance In Central Europe Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities,
