**For Love of Leander** Henry Buchanan,2002-01      **For Love of Leander** Henry A. Buchanan,2001-12 In the old myth Leander loved the goddess Hero and he tried to swim the Hellespont to reach her But the goddess dwelt on the top of Olympus the mountain of the gods and the waters of the Hellespont were rough and Leander drowned In this modern myth Leander is a young man who aspired to greatness for he would capture the essence of Apollo the god of Light and Truth But our modern Leander is caught in the choppy waters of an unhappy marriage to the fanatical Heloise and the tragic love affair with the beautiful Marian It seems that he will perish altogether in the violent waters The Reverend Doctor Townsend is the father of Heloise He does not tolerate either divorce or infidelity Marian s father is even more intolerant of Leander s behavior With such fatherly disapproval Leander whose own father died early is in trouble No good can come of this entanglement even though Professor Embers believes that Leander has great promise as an epic poet That promise never realized is all that supports Leander struggling in the waves he himself has made Only Heloise in her fanatical zeal dares to hope      *A Plague on Both Their Houses* Lawrence Ianni,2006-09 *A Plague on Both Their Houses* tells of Jordan Mercutio s struggle with the dilemma of whether to protect his own interests by executing his employer s demand that he destroy the romance between the employer s son and the daughter of his arch rival in business or to sacrifice his interests to the benefit of the lovers who are considering facing the anger of their fathers by marrying      **Romantic Disillusionism and the Sceptical Tradition** Rolf P. Lessenich,2017-01-16 Platonic Romanticism had a dark underside from its inception Romantic Disillusionism encompassing the Gothic and the new demonic doppelganger The Classical Tradition s conflict between Plato and Pyrrho foundationalism and scepticism optimism and pessimism was thus continued Lord Byron s was the most listened to and echoed voice of Romantic Disillusionism in Europe though by far not the only one This comparative study of a multiplicity of sceptical English French German Italian Spanish Russian Polish and Czech voices shows how traditional Pyrrhonic arguments were updated to suit the decades of the Romantic Movement surviving as a subversive countercurrent to later Victorianism and resurging in the literature of the Decadence and Fin de Si cle      *Disappear with Me* Dean Frech,2016-08-20 In 1910 the United Kingdom is in turmoil King Edward dies after only nine years on the throne The social class system that upheld British society for centuries is being chipped away by social political and economic unrest across the Empire Amidst this backdrop Reverend Leander Norris is accused of sodomy After discovering his own self worth and the meaning of unconditional love Leander finds the courage to stand up for what he believes is right and pleads not guilty to the charges Throughout the trial Leander s past is revealed including the temptations that bring the accusations against him By the end of the trial Leander is once again reunited with a romantic interest from the past But it may be too late to rekindle any love that remains given the circumstances of the era and Leander s likely sentence Love is greater than hope or faith but can Leander convince a jury that the love he shares with another man is natural      *The Latin Classics: Romance, biography,*
