Folklore Venezolano:

Journal of American Folklore, 1928 Bibliography of American Folklore, 1915-1928, 1928 **Latin American Folktales** John Bierhorst, 2007-12-18 Over one hundred stories showcasing the wisdom and artistry of one of the world's richest folktale traditions the first panoramic anthology of Hispano American folk narratives in any language Gathered from twenty countries and combining the lore of medieval Europe the ancient Near East and pre Columbian America the stories brought together here represent a core collection of classic Latin American folktales Among the essential characters are the quiet man's wife who knew the Devil's secrets the three daughters who robbed their father's grave and the wife in disguise who married her own husband not to mention the Bear's son the tricksters Fox and Monkey the two compadres and the classic rogue Pedro de Urdemalas Featuring black and white illustrations throughout this Pantheon Fairy Tale and Folklore Library edition is unprecedented in size and scope including riddles folk prayers and fables never before translated into English

Ethnomusicology Helen Myers, 1993 Complementing Ethnomusicology An Introduction this volume of studies written by world acknowledged authorities places the subject of ethnomusicology in historical and geographical perspective Part I deals with the intellectual trends that contributed to the birth of the discipline in the period before World War II Organized by national schools of scholarship the influence of 19th century anthropological theories on the new field of comparative musicology is described In the second half of the book regional experts provide detailed reviews by geographical areas of the current state of ethnomusicological research **Mexican Folk Narrative from the Los Angeles Area** Elaine K.

Miller, 2014-08-27 Urban Los Angeles is the setting in which Elaine Miller has collected her narratives from Mexican Americans The Mexican folk tradition varied and richly expressive of the inner life not only of a people but also of the individual as each lives it and personalizes it is abundantly present in the United States Since it is in the urban centers that most Mexican Americans have lived this collection represents an important contribution to the study of that tradition and to the study of the changes urban life effects on traditional folklore The collection includes sixty two legendary narratives and twenty traditional tales The legendary narratives deal with the virgins and saints as well as with such familiar characters as the vanishing hitchhiker the headless horseman and the llorona Familiar characters appear in the traditional tales Juan del Oso Blancaflor Pedro de Ordimalas and others Elaine Miller concludes that the traditional tales are dying out in the city because tale telling itself is not suited to the fast pace of modern urban life and the situations and characters in the tales are not perceived by the people to be meaningfully related to the everyday challenges and concerns of that life The legendary tales survive longer in an urban setting because although containing fantastic elements they are related to the beliefs and hopes of the narrator even in the city one may be led to buried treasure on some dark night by a mysterious woman The penchant of the informants for the fantastic in many of their tales often reflects their hopes and fears such as their dreams of suddenly acquiring wealth or their fears of being haunted by the dead Miller closely observes the teller's relation to the

stories to the duendes the nimas Death God the devil and she notes the tension on the part of the informant in his relation to their religion The material is documented according to several standard tale and motif indices and is placed within the context of the larger body of Hispanic folk tradition by the citation of parallel versions throughout the Hispanic world The tales transcribed from taped interviews are presented in colloquial Spanish accompanied by summaries in English

Music and Identity in Venezuela Adriana Ponce, 2024-04-22 Venezuelan music has remained largely unnoticed in the academic English literature Boasting a tremendous wealth of traditions it displays influences from the Spanish indigenous and enslaved African communities that populated the territory from the conquest on and offers a tremendous diversity of genres and styles that vary by region occasion time and sometimes ethnic influences This book presents critical discussions of some of these traditions in connection with the issue of identity The discussions capture country and city life illustrate foundational myths bring secular traditions closer to Christianity explore surviving cultural strategies et cetera They also analyze the interface between Venezuelan identity and European classical music The book displays diversity of perspectives in terms of a subject matter as it includes traditional and concert musics b disciplines on which the inquiries are grounded as it includes essays by scholars and artists from musicology performance composition history cultural history and education and c epistemological approaches as it includes critical historical and ethnographic research

A Folklorist's Progress Stith Thompson, 1996 The Life of Stith Thompson as revealed in these pages was in some ways ordinary in others extraordinary Reading through *A Folklorist's Progress* one sees clearly the contours of an academic life in the midcentury United States In an efficient manner Professor Thompson portrays the rounds of an academic of the period planning for courses establishing and revising programs attending international meetings and conferences working ideas into publications He also describes the social domain with its cycle of parties receptions visits and social clubs These autobiographical pages paint an engaging portrait of community organized around the life of the intellect But not every scholar has the opportunity to found an academic field and in this light the career of Stith Thompson veers toward the extraordinary Obituaries described Thompson as the father of folklore a journalistic label that with some qualifications epitomizes his scholarly career While folklore studies existed in Europe well before Thompson's lifetime it was Stith Thompson who in 1949 conceived of a doctoral degree program in folklore the first in the U S Stith Thompson's success in securing support for the unknown discipline of folklore was due to his stature in the academic community his skill in dealing with the administrative structure of an American university and his ties to funding agencies the state department and scholarly societies all over the world

Historical Dictionary of Venezuela Tomás Straka, Guillermo Guzmán Mirabal, Alejandro E. Cáceres, 2017-12-06 Venezuela is the seventh largest oil producer and holder of the largest proven reserves in the world It's also a country full of problems as evidenced by having the biggest inflation rates and by some estimates the highest crime rates worldwide Despite having an oil boom between 2004 through 2008 with income of around two billion dollars in 2016 it suffered an immense economic contraction and probably the largest

supply shortcut crisis in its history This third edition of Historical Dictionary of Venezuela contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Venezuela Latin American Classical Composers Miguel Ficher,Martha Furman Schleifer,John M. Furman,2002-10-16 Building on the strengths of the first edition the second edition of Latin American Classical Composers A Biographical Dictionary presents expanded and updated coverage of its topic with an aim to be comprehensive The authors have conducted exhaustive research to fill in gaps and correct minor errors in the first edition adding young composers and documenting deaths since 1996 when the first edition appeared Hundreds of composers are represented in this volume which presents biographical data including dates of birth and death personal information about composers background and training and a selective listing of each composer s works Sources for further study are noted within each entry An index of composers by country rounds out this work El relato humorístico tradicional en Venezuela María del Rosario Jiménez Turco,2003 **The Pan American Book Shelf** ,1944 **Temas de literatura venezolana** Cesia Ziona Hirshbein,2002 **Journal de la Société des américanistes de Paris** ,1914 A History of Afro-Hispanic Language John M. Lipski,2005-03-10 The African slave trade beginning in the fifteenth century brought African languages into contact with Spanish and Portuguese resulting in the Africans gradual acquisition of these languages In this 2004 book John Lipski describes the major forms of Afro Hispanic language found in the Iberian Peninsula and Latin America over the last 500 years As well as discussing pronunciation morphology and syntax he separates legitimate forms of Afro Hispanic expression from those that result from racist stereotyping to assess how contact with the African diaspora has had a permanent impact on contemporary Spanish A principal issue is the possibility that Spanish in contact with speakers of African languages may have creolized and restructured in the Caribbean and perhaps elsewhere permanently affecting regional and social varieties of Spanish today The book is accompanied by the largest known anthology of primary Afro Hispanic texts from Iberia Latin America and former Afro Hispanic contacts in Africa and Asia Hispania ,1921 *Area Handbook for Venezuela* Thomas E. Weil,1971 Basic facts about the social economic political and military institutions and practices of Venezuela Latin American Classical Composers Martha Furman Schleifer,Gary Galván,2016-01-28 Now in its third edition Latin American Classical Composers A Biographical Dictionary provides a singular English language resource for biographical information on hundreds of composers from Central and South America and the Hispanic Caribbean Painstakingly gathered from a wide variety of sources the information updates and expands previous editions and fills in the gaps left by the other major English language music dictionaries and encyclopedias Entries provide biographical data comprising full names birth and death dates and locations background education and training as well as selective works lists more than 2 300 composers An index of composers by country and women composers of Latin America

complement the volume An essential part of any music library Latin American Classical Composers is an invaluable reference for librarians musicologists ethnomusicologists researchers and music students Blackness in Latin America and the Caribbean, Volume 1 Norman E. Whitten, Arlene Torres, 1998-10-22 Shows regional Black history Inter-America , 1924

The Devil and Commodity Fetishism in South America Michael T. Taussig, 2010-03-15 In this classic book Michael Taussig explores the social significance of the devil in the folklore of contemporary plantation workers and miners in South America Grounding his analysis in Marxist theory Taussig finds that the fetishization of evil in the image of the devil mediates the conflict between precapitalist and capitalist modes of objectifying the human condition He links traditional narratives of the devil pact in which the soul is bartered for illusory or transitory power with the way in which production in capitalist economies causes workers to become alienated from the commodities they produce A new chapter for this anniversary edition features a discussion of Walter Benjamin and Georges Bataille that extends Taussig's ideas about the devil pact metaphor
