Follow Me Again Recommitting To Christs Call:

The Journey Shirley Borgialli, 2003-04 Do you desire freedom from religious bondage Are you frustrated with rules The Journey is a true story that chronicles an extraordinary search for the existence of God The story begins with her ancestors from whom she has received blessings and cursings She discovers that dark unseen forces have her under surveillance watching for an opportune time to bring her into temptation and deception Her carnal nature falls prey to the influence of ungodly temptations and she is lured into the world of fleeting pleasure and sin Seeking relief from her dilemma catapults her into a smorgasbord of erroneous religious groups As she adheres to the rules and rituals of religion she realizes that keeping rules does not tame the carnal beast within She exchanges her life of sin for one of self righteousness false humility and counterfeit Christianity Family casualties become a byproduct of her journey and they are left behind in the tumultuous aftermath Who can rescue her Only One Jesus Christ Discovering the truth her journey takes a sharp turn She realizes she has not been following God s true path but man s interpretation of it She undergoes spiritual surgery that removes the false belief systems she had embraced and she finds the true freedom that Christ proclaimed You shall know the truth and the truth shall set you free
