# Football meets life skills and values

As a football coach and father of two boys, Tyrone Altem was inspired to start his own football academy after growing concerns regarding player development in the North Durban areas. Following his realisation that most clubs are results-driven, which Altem did not support, he decided to launch the United Academy in 2020.

"While we are competitive and aim to win, we don't subscribe to 'win at all costs'. Who our players become matters far more than their results. At United Academy, we intentionally teach life skills and values as much as football tactics. Our goal is to raise well-rounded, ethical, compassionate young people who contribute to society," said Altem.

Committed to their values, the United Academy U10 team recently turned away a chance of claiming a win from their opponent who showed up with no player cards, which, by the rule of the local

soccer league, you cannot play without.

According to the coach, the club's main goal is to be the best club for Durban more than being the best in the city. Unlike most football clubs that are results-driven, the La Lucia-based side is committed to being impactful. "Our mission is to equip players not only with football skills but also with integrity, empathy, resilience, and courage—qualities that serve them on and off the field," he explained.

When describing the current state of the club, Altem quoted a Bible verse, Ephesians 3:20, which has kept him going since he launched the academy. When the academy launched in 2020, it had only 25 players, two age divisions, and three coaches. The goal at that time was to bring unity among young

players, hence it was named 'United Academy'. Describing the current stage of this talent-grooming academy, the coach said: "The results speak: over 140 registered players (U7-U17), eight teams in the Greater Durban Local Football Association (GDLFA) league, and 13 coaches. Our teams reflect our community—children of all backgrounds playing, learning and laughing together."

United is currently in its sixth year of partnership with Redwood College. The partnership is, according to Altem, benefiting both the school and the academy. While the academy is assisting the school by developing and nurturing talents for their team, Redwood College returns the favour by offering the club facilities to train and play their home games.
