The Statutes of the United Kingdom of Great Britain and Ireland Great Britain,1813 **Political Ecology and**

Environmentalism in Britain Brendan Prendiville,David Haigron,2020-02-24 This collection of essays highlights the different dimensions of the contemporary British environmentalist movement from a multidisciplinary viewpoint Beginning

with an historical overview of the movement the reader is then presented with an analysis of the politics of climate change from a political science perspective This is followed by a sociological examination of climate change protesters and environmental activism among young people The volume also includes an analysis of the ideological relationship between political ecology and the British Left as well as a case study of environmentalism in Wales against the backdrop of devolution The book is based on two distinct yet complementary perspectives environmentalism and political ecology What is this distinction and what is its significance Answers to these questions and others can be found in these essays which are a must read for both students and researchers interested in environmental politics in Britain and British area studies **Outdoor**

Recreation David Huddart,Tim Stott,2019-10-25 This textbook presents a comprehensive overview of the environmental impacts of various types of outdoor recreation and how these can be best managed As a field of study recreational ecology is both multidisciplinary and interdisciplinary and the authors seek to develop a deeper understanding of both the role and function of the factors that influence visitor numbers and their impact An accessible and comprehensive textbook it features numerous types of outdoor recreational activities including hill walking rock climbing mountain marathons skiing scuba diving and more Drawn from several global case studies the authors estimate the current and future numbers involved in outdoor recreation and how best these numbers can be managed Effective visitor impact management actions arise from collaboration between recreation ecologists social scientists experienced recreation managers recreation stakeholders and the recreationalists themselves as such this book will be multi disciplinary in scope This practical and engaging textbook will be invaluable to students and scholars of outdoor recreation and adventure tourism as well as practitioners and managers working in the field
