Gleason's Pictorial Drawing-room Companion ,1851 **Reading American Art** Professor and Department Head of Art & Art History Elizabeth Milroy,1998-01-01 This anthology brings together twenty outstanding works of recent scholarship on the history of the visual arts in the United States from the colonial period to 1945 The selected essays all written within the past two decades reflect the interdisciplinary character of current art historiography in America and the variety of approaches that contribute to the dynamism in the field The authors take up diverse subjects from colonial portraits to nineteenth century sculptures of women to photographic images of New York and invite those with a general knowledge of the history of American art to think more deeply about art and culture Employing many interpretive methodologies including iconology social history structuralism psychobiography and feminist theory the contributors to this volume combine close analysis of specific art objects or groups of objects with discussion of how these works of art operated within their cultural contexts The authors consider the works of such artists as John Singleton Copley Charles Willson Peale Winslow Homer Thomas Eakins Georgia O Keeffe and Jackson Pollock as they assess how paintings sculpture prints drawings and photographs have carried meaning within American society And they investigate how the conceptualization production and presentation of works of art both inform and are informed by prevailing attitudes toward the role of the arts and the artist in American culture Diamond Classics Mike Shannon,2024-10-11 Each work chosen with exquisite care by an expert is analyzed and summarized Its greatness as baseball literature its place in the genre its peculiarities weaknesses strengths how the critics went for it all are discussed in such a way with quotations that reading or browsing Shannon s book is equivalent to absorbing a rich history of the sport **The Atlantic Monthly** ,1906 **American International Pictures** Rob Craig,2019-03-05 American International Pictures was in many ways the missing link between big budget Hollywood studios poverty row B movie factories and low rent exploitation movie distributors AIP first targeted teen audiences with science fiction horror and fantasy but soon grew to encompass many genres and demographics at times it was indistinguishable from many of the major studios From Abby to Zontar this filmography lists more than 800 feature films television series and TV specials by AIP and its partners and subsidiaries Special attention is given to American International Television the TV arm of AIP and an appendix lists the complete AITV catalog The author also discusses films produced by founders James H Nicholson and Samuel Z Arkoff after they left the company **Anglo-American Encyclopedia** ,1910 **Independent Woman** ,1927 *American Photography* ,1927 Trigger Leo Pando,2019-03-11 Roy Rogers golden palomino Trigger was the perhaps the most famous horse in film more popular than the man himself among certain fans In its expanded second edition this detailed look at the animals and men who created the legend of the smartest horse in the movies examines the life story of the original Trigger and his doubles particularly Little Trigger the extraordinary trick horse Movies in which Trigger appeared without Rogers are discussed More than 200 photographs 90 new to this edition and 30

000 words of additional material are included covering unresolved aspects of Trigger's story controversies surrounding the sale of the Roy Rogers Museum collection and the fate of his legacy **Bicentennial Times**, 1973 **The Irish and the Making of American Sport, 1835-1920** Patrick R. Redmond, 2015-03-07 Jerrold Casway coined the phrase The Emerald Age of Baseball to describe the 1890s when so many Irish names dominated teams rosters But one can easily agree and expand that the period from the mid 1830s well into the first decade of the 20th century and assign the term to American sports in general This book covers the Irish sportsman from the arrival of James Deaf Burke in 1836 through to Jack B Kelly's rejection by Henley regatta and his subsequent gold medal at the 1920 Olympics It avoids recounting the various victories and defeats of the Irish sportsman seeking instead to deal with the complex interaction that he had with alcohol gambling and Sunday leisure pleasures that were banned in most of America at some time or other between 1836 and 1920 This book also covers the Irish sportsman's close relations with politicians his role in labor relations his violent lifestyle and by contrast his participation in bringing respectability to sport It also deals with native Irish sports in America the part played by the Irish in Team USA's initial international sporting ventures and in the making and breaking of amateurism within sport
