*In Pursuit of Love* Vincent J. Genovesi, 1996 While retaining the basic structure of the original book this new edition has been thoroughly updated in light of some official Catholic documents and other theological writings dealing with sexual morality that have appeared since 1986 The Catechism of the Catholic Church Pope John Paul II's encyclicals *Veritatis splendor* and *Evangelium vitae* and the 1986 and 1992 statements of the Congregation for the Doctrine of the Faith on pastoral care of homosexuals and the issue of discrimination against them are among the more recent magisterial publications considered in this text This edition also contains several new sections the misuses of sex adultery pornography prostitution sexual violence four rationales for viewing a committed love relationship as the only appropriate context for sexual intercourse marriage as a sacrament and marital sexuality and love as embodiments of commitment intimacy and passion and public policy and the civil rights of homosexuals This edition also includes an expanded discussion of topics such as sexism sexually transmitted diseases especially HIV AIDS and the moral questions raised by new family planning methods Norplant Depo Provera RU 486 postcoital hormonal interventions against pregnancy the start of human life and abortion Vincent J Genovesi SJ received his PhD in Christian ethics from Emory University He is a professor at St Joseph's University in Philadelphia His articles have appeared in such journals as *The Thomist* *The Way* *America* and *Review for Religious*

**Philemon's Problem** James Tunstead Burtchaell, 1998 Philemon was a wealthy Christian whose slave Onesimus went off in search of freedom met and listened to Paul and joined the church But instead of being given a new life of his own Onesimus was sent back by Paul to an aggrieved master with no protection but his mentor's brief Letter to Philemon Paul never asked Philemon to free his slave Instead he admonished him to take Onesimus back only now as his brother in Christ This left both master and bondsman with a problem how could one man own another and both be brothers in Christ In this unique work James Tunstead Burtchaell uses the ancient story of Philemon and Onesimus as a compelling entry into modern theological reflection on the unbelievable reach of the grace and forgiveness of the Father whose Son died without disciples rose to reconcile and transform them and then scattered them around the world as men and women who were now also able to love those who loved them not and transform them too According to Burtchaell in order for the faith of Philemon and Onesimus to cope with Paul's imperative they required an inspired imagination to take in the notion that the Father loves sinners i.e. all of us and he neither would nor could do otherwise For Philemon and Onesimus to undertake such a relentless love themselves would require frighteningly new convictions new commitments and new celebrations For Better, for Worse James Tunstead Burtchaell, 1985 A book that young people can and should read and reflect on before they commit themselves to a lifelong partnership of marriage **Cybersex** Abdulazeez Henry Musa, 2014-03 *Cybersex A Nightmare of the 21st Century* The *Rebirth of Armageddon* seeks to address the physical mental psychological challenges and social dynamics that teenagers parents and society are faced with every day resulting from their daily encounter with the Internet

and overindulgence in the world of cybersex The cybersex phenomenon avails ample opportunity for young people to navigate their way through viral and social networking sites and chat rooms without their parent s consent This exposes them to peril leaving them vulnerable as well as providing a great hiding place for pedophiles and psychopathic sexual predators The book is very educational and touches all spectrum of life It provides strategic guidelines drawn from real life scenarios It will also provide tips and red flags to protect young people from unknown sexual predators pervading the Internet Now is the time to curb this menace jeopardizing the future of our children and the well being of our society and make the world a much better place     Horizons ,1966     **The Dying of the Light** James Tunstead Burtchaell,1998 Scholar and educator James Tunstead Burtchaell provides case studies of 17 prominent colleges and universities with diverse ecclesial origins analyzing the processes that eroded the bonds between school and church over time     New Catholic World ,1985     **The Writers Directory** ,2013     *The publishers weekly* ,1985     **Studies in Formative Spirituality** ,1987

The Giving and Taking of Life James Tunstead Burtchaell,1989 A discussion of the development of the central tenets of liberal Catholic Christian ethics The author contends that moral wisdom does not derive from either moral law or ecclesiastical authority but emerges from active reflection on the experience of those living out of the traditions of a community of believers In particular he develops the insight that it is in giving and sustaining life that we come to life As many outside the tradition from which he writes share this insight and because he appeals to considerations shared by non Catholic even humanistic traditions Burtchaell s book will be of interest to anyone concerned about the controversial positions he takes on leading moral issues of the day such as contraception abortion research on aborted foetal tissue liberation theology terrorism and the relationship between law and morality     **Finding Fault** Michael Garvey,1990
