For Love And Money A Comprehensive Guide To The Successful Generational Transfer Of Wealth:

For Love and Money Roy Orville Williams, 1997-01-01 There are few books available to prepare parents who want to raise children who are able to receive money and use it responsibly The old ways of transferring assets to children and grandchildren which rely solely on legal and tax advice are not working A whole new way of looking at this challenge is necessary For Love Money introduces a new paradigm which the author calls the Integrated Wealth Transfer Process This process is explained in detail in an easy to understand way that will enable families to learn how to discuss sensitive subjects openly and honestly thereby reaching mutual consensus regarding the family mission and the management of family assets Also included are two useful appendices Succession Instruments and Recommended Additional Reading Roy O Williams is a recognized authority in the field of family coaching and all of the information in this book was gathered during his work with families over the past thirty years

Preparing Heirs Roy Orville Williams, Vic Preisser, 2003 Preparing Heirs discloses the surprising findings from the authors research into the legacies of 3 250 wealthy families With extraordinary insight they reveal what the relatively small number of successful families had in common how they achieved and maintained family harmony and ensured the smooth transition of their wealth to well adjusted heirs They also warn of the wide range of factors that cause the majority of wealthy families to fail in their transition Preparing Heirs offers clear concise well organized and easy to follow instructions that will enable you to evaluate your plan for transitioning family wealth Preparing Heirs is an assessment tool that can be used in conjunction with the services of qualified professionals such as attorneys and accountants It addresses the major causes for the 70% failure rate in estate transitions which lie within the family itself and are within the family s control This book can help you develop a plan to transmit the family values underlying the accumulation of wealth and prepare your heirs to be good stewards and thoughtful administrators of that wealth

Philanthropy, Heirs & Values Roy Williams, Vic Preisser, 2005 Review right on target This book proves that philanthropy is an incredible teaching tool for your family once you know how to apply its power *Family Wealth Counseling* E. G.
