Mediation of Reality Rosemary Overell,Brett Nicholls,2019-10-21 Our contemporary moment is preoccupied with arbitrating reality With the spectre of buzzwords like fake news and post truth we find a scramble to locate or fix some sort of universal real beneath what are positioned as fake articulations To engage with this crisis this collection argues for the importance of a new conjuncture in communication and cultural studies of media Building on Hall s understanding of conjuncture as a way of grasping moments within hegemonic struggle the essays suggest that the current moment requires a revitalization of the concept of conjuncture Rousseau and the Problem of Human Relations John M. Warner,2016-03-14 In this volume John Warner grapples with one of Jean Jacques Rousseau s chief preoccupations the problem of self interest implicit in all social relationships Not only did Rousseau never solve this problem Warner argues but he also believed it was fundamentally unsolvable that social relationships could never restore wholeness to a self interested human being This engaging study is founded on two basic but important questions what do we want out of human relationships and are we able to achieve what we are after Warner traces his answers through the contours of Rousseau s thought on three distinct types of relationships sexual love friendship and civil or political association as well as alternate interpretations of Rousseau such as that of the neo Kantian Rawlsian school The result is an insightful exploration of the way Rousseau inspires readers to imbue social relations with purpose and meaning only to show the impossibility of reaching wholeness through such relationships While Rousseau may raise our hopes only to dash them Rousseau and the Problem of Human Relations demonstrates that his ambitious failure offers unexpected insight into the human condition and into the limits of Rousseau s critical act Men and Matters ,1895 **The Love Season** Elin Hilderbrand,2007-04-17 A riveting story that takes place in one day and spans decades a story that embraces the charming pristine island of Nantucket as well as Manhattan Paris and Morocco
