Friendly Fire in the Literature of War Earl R. Anderson, 2017-04-21 The term friendly fire was coined in the 1970s but the theme appears in literature from ancient times to the present It begins the narrative in Aeschylus's Persians and Larry Heinemann's Paco's Story It marks the turning point in Homer's Iliad Virgil's Aeneid the Chanson de Roland Stephen Crane's The Red Badge of Courage and Tim O'Brien's Going After Cacciato It is the subject of transformative disclosure in Jaan Kross's Czar's Madman Ron Kovic's Born on the Fourth of July O'Brien's In the Lake of the Woods and A.B. Yehoshua's Friendly Fire In some stories events propel the characters into a friendly fire catastrophe as in Thomas Taylor's A Piece of this Country and Oliver Stone's 1986 film Platoon This study examines friendly fire in a broad range of literary contexts *Book Prices: Used and Rare, 1994* Edward N. Modern English War Poetry Tim Kendall, 2006-07-20 Modern English War Poetry ranges widely across the twentieth century incorporating detailed discussions of some of the most important poets of the period It emphasizes the influence of war and war poetry even on those poets usually considered in other contexts such as Ted Hughes and Geoffrey Hill *French Eagles, Soviet Heroes* John Clarke, General Joseph Risso, 2005-06-23 In 1942 General de Gaulle agreed to send French pilots to fight alongside the Red Air Force against the Germans on the Eastern Front On 1 September 1942 the Groupe de Chasse III or 3rd Fighter Group Normandie was created equipped with Yak 3 fighter aircraft On 5 April 1943 pilots Preziosi and Durand shared the unit's first kill Over the next two years the group became the most highly decorated fighter unit ever to fly for France and the second highest scoring fighter air group of the Soviet Air Force Such was their notoriety that in May 1943 an order was signed by the German General Keitel stating that all Normandie pilots were to be shot if captured The Normandie Group took an active part in the air support of the epic Battle of Kursk and in 1944 Stalin added Niemen to their title in recognition of the help they rendered to the Soviet Army in crossing this river The first of the Western Allies to capture and occupy German

Everygirl's Magazine ... Rowe Wright, C. Francis Loomis, Marta K. Sironen, 1925 A Catalogue of the Imagist Poets Wallace Martin, Ian Fletcher, 1981 Dismantling Glory Lorrie Goldensohn, 2006-04-18 Dismantling Glory presents the most personal and powerful words ever written about the horrors of battle by the very soldiers who put their lives on the line Focusing on American and English poetry from World War I World War II and the Vietnam War Lorrie Goldensohn a poet and pacifist affirms that by and large twentieth century war poetry is fundamentally antiwar She examines the changing nature of the war lyric and takes on the literary thinking of two countries separated by their common language World War I poets such as Wilfred Owen emphasized the role of soldier as victim By World War II however English and American poets influenced by the leftist politics of W. H. Auden tended to indict the whole of society not just its leaders for militarism During the Vietnam War soldier poets accepted themselves as both victims and perpetrators of war's misdeeds writing a nontraditional more personally candid war poetry The book not only discusses the poetry of trench warfare but also shows how the lives of civilians women and children in particular entered a global war poetry dominated by air power invasion and occupation Goldensohn argues that World War II blurred the boundaries between battleground and home front thus bringing women and civilians into war discourse as never before She discusses the interplay of fascination and disapproval in the texts of twentieth century war and notes the way in which homage to war hero and victim contends with revulsion at war's horror and waste In addition to placing the war lyric in literary and historical context the book discusses in detail individual poets such as Wilfred Owen W. H. Auden Keith Douglas Randall Jarrell and a group of poets from the Vietnam War including W. D. Ehrhart Bruce Weigl Yusef Komunyakaa David Huddle and Doug Anderson Dismantling Glory is an original and compelling look at the way twentieth century war poetry posited new relations between masculinity and war changed and complicated the representation of war and expanded the scope of antiwar thinking **Sotheran's Price Current of Literature** Henry Sotheran Ltd, 1899 **Wars within a War** Joan Waugh, Gary W. Gallagher, 2009-06-01 Comprised of essays from twelve leading scholars this volume extends the discussion of Civil War controversies far past the death of the Confederacy in the spring of 1865 Contributors address among other topics Walt Whitman's poetry the handling of the Union and Confederate dead the treatment of disabled and destitute northern veterans Ulysses S. Grant's imposing tomb and Hollywood's long relationship with the Lost Cause narrative The contributors are William Blair Stephen Cushman Drew Gilpin Faust Gary W. Gallagher J. Matthew Gallman Joseph T. Glatthaar Harold Holzer James Marten Stephanie McCurry James M. McPherson Carol Reardon and Joan Waugh **Modernism from Right to Left** Alan Filreis, 1994-07-29 A study of relations between American radicalism and modernism in the 1930s focusing on Wallace Stevens **The Fifth Book of Peace** Maxine Hong Kingston, 2007-12-18 A long time ago in China there existed three Books of Peace that proved so threatening to the reigning

powers that they had them burned Many years later Maxine Hong Kingston wrote a Fourth Book of Peace but it too was burned in the catastrophic Berkeley Oakland Hills fire of 1991 a fire that coincided with the death of her father Now in this visionary and redemptive work Kingston completes her interrupted labor weaving fiction and memoir into a luminous meditation on war and peace devastation and renewal

Friendly Fire Mike Edwards, 2006 Fraser MacLean loses the only girl he has ever loved and spends the rest of his life trying to prove himself as a man He joins the Army to whet his appetite for adventure and a series of events in war and peace takes him to Afghanistan and a bizarre plot involving the most powerful man in the world and the most wanted man in the world

CRASH! Randy Malamud, 2024-12-12 CRASH explores the fascinating revealing and surprising cultural impact of plane crashes across art literature music media and creative nonfiction Plane crashes are covered extensively but they are not analyzed very deeply beyond rote media reports and forensic accident investigations This is despite the voluminous diverse and fascinating cultural materials poems and novels songs films art TV series and on and on that emerge in the wake of aviation disasters Randy Malamud reanimates these tragic events and identifies how they persist and resonate through our culture more than we might have imagined and in intricately far reaching ways A unique and extraordinarily wide ranging cultural examination CRASH takes the reader on a journey that includes reflections on flight phobia themes of crash survival with asides on Lord of the Flies The Little Prince and Ernest Hemingway's two day two crash adventure the existentialism of pilots last words the day the music died deep dives into modernist plane wreck paintings kamikaze pilots

and their Zen death poems plane crashes before planes race crash and gender and the cultural aftermath of 9 11 Ultimately Malamud shows that crashes do not bring about complete and total destruction we accomplish some degree of restoration by shoring fragments against the ruins The plane is dead long live the plane **Catalogue** Maggs Bros,1898
