Paulette Langbecker,2010-05 My inspiration in making this book was cooking in New Orleans after Katrina Almost all our workers were from up in the northern states The cooks were from up there also so when I got the chance to introduce some good ole down home country cooking they liked it Also you can t come to New Orleans without eating some Cajun food I had a lot of fun with some of the dishes things they had never heard of and some they had heard of but had never tried by choice mostly Our pastor asked me one day if I knew how to cook chitterlings or chitlins I suppose you know what this is It s the intestines of the hogs prepared as food better known as the unseen part of the hog I cooked them and to my surprise some liked them even my husband who is from Wisconsin I had many requests for the local recipes so I decided to put them all together with some of our old family recipes I have also tried to tell the story of the work of the volunteers and how we appreciate them To all who gave up their time and money to help people in need God bless you all When Katrina came we asked God How much do you love us He opened his arms and said The whole world full And the whole world came Thank you

My Life, My Legacy Kefa Oduor Tuju,2020-12-03 Kefa Oduor Tuju passed away too young to an incurable brain tumor in 2018 Leaving behind a loving family including his wife Christine and his two sons Jonathan and Matthew Kefa wrote these memoirs as a legacy of the lessons he learned during his life and the wisdom he wished to pass on In this book Kefa tells us of his childhood and education in Kenya finding his faith as a young man his marriage and family life his move to Canada and his final struggle with cancer Walk alongside Kefa as he shares some of his most intimate thoughts concerning family faith life and death As Kefa honestly describes the challenges and joys of his life s journey he shows how his relationship with God allowed him to be victorious even in painful times This book closes with a chapter by Kefa s wife Christine who gives a passionate summary of how Kefa spent his last days sharing tributes from his family and close friends This book is a treasure for anyone who knew Kefa while he was alive and those who didn t will come to know him through these pages Kefa s passion for God and family is at the forefront of this book as he describes the best gift he could leave behind his legacy How The Ship Changed My Life Goran Žganec,2023-09-15 Due to the difficulty to find a job in his city Goran chooses the type of career that changed his life He started to work on a cruise ship in the hospitality industry in 2013 He has three contracts in three different cruise ships He considers this experience the most difficult but also the most valuable that life has taught him Working on a vessel requires huge sacrifices like being miles away for more than half a year from family and friends working with different nationalities and cultures brutally heavy pace of minimal ten working hours every day and often even more without normal sleeping hours but on the other hand a piece of relaxation that makes it very special such as traveling to various attractive world tourist destinations and creating unforgettable friendships and adventures Because of his soccer

dream he left the cruiser in 2016 together with Elizabeth from Peru back then his girlfriend today his wife and since 2017 they live in Munich Germany From the first day spent on the ship during all the rich experiences and adventures until the last disembarkation through magical Peru and a special proposal on the beautiful Machu Picchu to the current life in Germany he continues to explore new places and shares his soccer passion Ship life inspired him to write this book and motivate people in achieving their biggest goals because he strongly believes that everything is possible if the person really wants it
