## **From Behind The Red Line A North American Hockey Player In Rubia:**

*From Behind the Red Line* Tod Hartje, Lawrence Martin, 1992 The journal of an American hockey player chronicles the year he spent playing for a Russian team and living as a Soviet citizen during a time of revolutionary political upheaval

**From Behind the Red Line** Tod Hartje, Lawrence Martin, 1996 Here is a fascinating story of a young Harvard educated varsity jockey star who travels to Russia in the dying days of the Soviet Union to play elite league hockey **The Best of Newspaper Design**, 1998 **Breakaway** Tal Pinchevsky, 2012-06-12 From behind the Iron Curtain onto hockey's biggest stage The incredible true story of the trailblazing men who risked everything to pass through the Iron Curtain and become NHL superstars Breakaway is a thrilling look at the untold stories that changed hockey forever From midnight meetings in secluded forests to evading capture by military and police forces this is the story of the brave players whose passion of the game trumped all Featuring exclusive interviews with the legends of the ice who put everything on the line just for the chance to play on the world's greatest stage many of them speaking about their experiences for the very first time the book looks at how Peter Stastny Igor Larionov Petr Klima Petr Nedved Sergei Fedorov Slava Fetisov Alexander Mogilny and other hockey superstars captured the imaginations of fans around the world The remarkable true story of some of the true pioneers of hockey told for the very first time often in the players own words A fascinating look behind the Iron Curtain and the trials these brave men endured for a taste of freedom through their love of the game Looks at how some of the NHL's greatest players made it onto North American ice As much a tale of espionage and social history as a gripping hockey chronicle Breakaway sheds light on the untold stories of some of the sports most inspiring heroes **Crossing The Line** Derek Sanderson, Kevin Shea, 2012-10-16 Derek Sanderson was a key player with the Big Bad Bruins in the 1970s At one point the highest paid athlete in the world Sanderson played with and against the era's legends winning two Stanley Cups and assisting on Bobby Orr's famous diving goal in 1970 Off the ice Turk was one of a kind He drove a burgundy Rolls Royce wore a fox coat and when asked what winning the Stanley Cup meant to him said The difference in the money is whether I take a college chick to Cape Cod or a Playmate to France But behind the glory Sanderson was an alcoholic and an addict He bottomed out losing it all and ended up sleeping under bridges At one point he was so sick he had to use crutches to walk Crossing the Line is about Sanderson's crazy days as a player but also about his road back to health Sanderson has spoken to hundreds of thousands of young people about the dangers of his former lifestyle and now helps young athletes and others to avoid the pitfalls of instant fame **Offside** Sean Avery, 2017-10-24 Hockey's most polarizing figure takes us inside the game shedding light not only on what goes on behind closed doors but also what makes professional athletes tick Sean Avery has one of the biggest profiles of any NHL player in the past decade He has appeared on Dancing with the Stars Jimmy Fallon's Tonight Show Letterman's Late Show Good Morning America and more He's modeled for ads in Vanity Fair and was named to People Magazine's Sexiest Man Alive list He writes for The Players Tribune His wedding to supermodel Hilary Rhoda was

covered in the media across North America And when he was arrested the day before the ceremony the story appeared in media as varied as the New York Times the Daily Mail in the UK and Perez Hilton The charges were later dropped Avery is not afraid to break the rules laid down by hockey tradition And the most respected of these is the code of silence For the first time a hockey player is prepared to reveal what really goes on in the NHL in the spirit of what Ball Four did for baseball The money the personalities the adultery and the drugs and also the little things that make up daily life in the league Most athletes have little to say but Sean doesn't have that problem Yes he tells us about the guys he's fought and the guys he's partied with and he tells us where to find the best cougar bars in various NHL cities and what it's like to be hounded by the media when you're dating a celebrity But Sean's job on the ice was always to get inside the heads of the guys he played against and that insight on human nature is on full display in Offside What makes millionaire athletes tick What are their weaknesses And in the end what makes Sean Avery once called the most hated player in the NHL who he is What is it like to make people hate you for a living Sean Avery's misdeeds on and off the ice are well documented and he certainly has his detractors But on the other hand he has a lot of supporters in part for things like being the first North American athlete to come out in favour of marriage equality and in part just for being an interesting guy Love him or hate him he is one of the best known players of the past few decades and certainly one of the most colourful and outspoken In Offside he meets his accusers head on and gives them something to think about Red Line Stan Fischler, Shirley Fischler, 1990
