From Club Court to Center Court Phillip S. Smith, 2009 **Cincinnati on Field and Court** Kevin Grace, 2002 Sports are a key expression of civic identity along the Ohio River and are a large part of any discussion of Cincinnati's heritage. Their significance helps us interpret the broader issues of economic and social classes, gender differences, race, and ethnicity matters, politics, and community values. In short, sports help us understand ourselves. Covering the time period from the 19th century when German immigrants formed the first American Turner societies for athletic training and professional baseball developed to the current age of new ballparks and sports celebrities, *Cincinnati on Field and Court* takes a look at the place of sports in the cultural life of the Queen City. Included are professional teams like the Reds, Bengals, and Royals; legendary figures like Pete Rose, Oscar Robertson, and Ezzard Charles; dramatic moments like the 1919 World Series; the courageous story of Maurice Stokes; and the Olympic achievements of DeHart Hubbard. Social issues like the impact of women's sports and racial segregation and integration are also covered. The good, the bad, the foolish, the innovative, the tragic, and the inspiring are all covered.

Tales from the Desert Roger A. Williams, 2012-10 This book describes a series of events occurring in the desert, often humorous, sometimes chaotic, and even life threatening, experienced by a boy and the man he became. The book also is well-larded with science, lore, and techniques for survival in the beautiful and often harsh desert environment. Growing up in Palm Springs a half century ago, I was surrounded by celebrities. As a member of my high school tennis team in 1956, we were allowed to play at the world-famous Racquet Club if we agreed to complete a foursome with guests when asked by the tennis professional. One day Marilyn Monroe needed a partner, and I was chosen. On my first serve, I hit my partner in the buttocks. Some say the ball goes where you were looking.

As Tom Goes By Lee Tyler, 2011-02-21 A unique memoir about the sport of tennis. This is the story of veteran player Tom Brown's journey from boyhood in San Francisco to becoming a Wimbledon winner, twice fresh from serving in the army in World War II, through marriage, parenthood, divorce, legal career, and travel with tennis all along the way. In his late eighties, he was called the Bionic Man for, despite a shoulder replacement, new knee, repaired tendons, he was a prominent senior player for decades. His memory for the people, events, mixed with a droll sense of humor, brings to life a bygone era.

Dylan Lisi Harrison, 2008-05-06 Game Set Match Dylan When Dylan and her mom arrive in Maui for the Aloha Open, Dylan couldn't give two milkshakes about Merri Lee's big interview with Svetlana Slootskya. A k a Tennis the Menace. Dylan's going to be too busy getting trim-toned and totally hawt for the start of eighth grade. Little Pancho Caroline Seeborn, 2009-05-01 Born into a poor family in Ecuador, Pancho Segura was an undersized and undernourished kid working as a ball boy at an exclusive tennis club when he first picked up a racket. *Little Pancho* is the story of how this improbable athlete, with his bandy legs, infectious smile, and unorthodox two-handed style of play, became one of the greatest and most beloved tennis players of all time. During his

twenty years in pro tennis general audiences appreciated his spirit as a master entertainer while tennis fans adored him Drawing on interviews with many in the game who knew or admired Pancho Caroline Seeborn provides a close up picture of the unlikely pro as his career first emerged in Ecuador and then developed further in the United States during the 1940s where he broke down social and political prejudices with his charm naturalness and brilliance on the court Little Pancho follows Segura from the University of Miami where he won three consecutive NCAA championships still a record to his time on the U S professional tennis tour On the pro tour of that time Segura and his fellow players struggled to earn a living and find acceptance in the traditional sometimes elitist tennis world which scorned professionals as outcasts Little Pancho shows us Segura when he quit the professional tour to become a coach at the Beverly Hills Tennis Club working with movie stars such as Charlton Heston Barbra Streisand and Lauren Bacall And finally we hear for the first time from some of the later champions Segura coached including Jimmy Connors This history of tennis in the midcentury also is the inspiring story of how one poor Latino kid through sheer grit grace and talent changed the face of the sport forever
