*From Creation to the Cross* Albert H. Baylis, 1996 Sharing his love and profound understanding of the Old Testament Baylis takes us on a walk through these important books pointing out perspectives and insights along the way that leave us with a new personal understanding of the Old Testament and more importantly of God Now revised and updated to include all the book of the Old Testament Copyright Libri GmbH All rights reserved *From Creation to the Cross* Albert H. Baylis, 2010-06-01 Most Christians don't quite know what to do with the first half of the Bible Some are fascinated by the historical sweep of the Old Testament Others are blessed by its poetry Still others focus on its prophecies But what are the heart and soul of the Old Testament In *From Creation to the Cross* Al Baylis is a guide who shares with us his love for and profound understanding of the Old Testament He walks us through the Old Testament pointing out along the way perspectives and insights that leave us with a new personal understanding of these thirty nine books and more importantly of the God of the Old Testament who lovingly prepared the way before sending his Son As Bruce Wilkinson puts it in the Foreword I could almost picture Baylis as a seasoned rabbi surrounded by a huddle of eager listeners He doesn't simply teach the Old Testament it's as if he personally reminisces through it *From Creation to the Cross* is one of those rare books that speaks to a wide range of readers from high school students to homemakers to college professors This revised and expanded edition of *On the Way to Jesus* makes this unique and highly readable approach to the first half of the Bible available once again It is ideally suited for use in Bible study groups Patrick Navas, 2006-10-01 In *Divine Truth or Human Tradition* the author examines the viewpoints and Scripture expositions of prominent evangelical scholars and apologists including popular author and debater Dr James R White author of *The Forgotten Trinity* John MacArthur President of The Master's Seminary Wayne Grudem author of the widely read *Systematic Theology* Robert Bowman Jr author of *Why You Should Believe in the Trinity* Robert Morey Founder of California Biblical University and Seminary and author of *The Trinity Evidence and Issues* R C Sproul President of Ligonier Ministries Robert L Reymond author of *Jesus Divine Messiah and A New Systematic Theology of the Christian Faith* and others According to what has long been considered mainstream Christian orthodoxy the doctrine of the Trinity the idea that the one true God is in the ultimate sense a divine being made up of three co equal and co eternal persons is not only central to the Christian faith but absolutely necessary for one to accept in order to be counted as a true Christian and be saved Such a demand on a Christian's faith has come across as strange and perplexing to many especially so in light of the fact pointed out by one respected Trinitarian The Trinity is not clearly or explicitly taught anywhere in Scripture yet it is widely regarded as a central doctrine indispensable to the Christian faith In this regard it goes contrary to what is virtually an axiom that is a given a self evident truth of biblical doctrine namely that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church Millard J Erickson *God in Three Persons* p 11 Emphasis added Understandably this fact has raised questions in the minds of

Christians and truth seekers alike ever since the doctrine was first decreed as mandatory to confess in the late 4th century. Many Christians have wondered How can a doctrine that is no
