## **From Doon With Death:**

**From Doon with Death** Ruth Rendell, 1988 When Margaret Parsons disappears Inspector Burden tries to reassure her frantic husband that she will be back by morning Privately though he is certain Margaret has run off with another man But then the missing woman's body is found strangled and abandoned in a nearby wood And when Mr Parsons lets the police into his home a startling discovery leads everyone to question just who Margaret Parsons really was **From Doon with Death** Ruth Rendell, 2012-11-21 Dazzling psychological suspense Razor sharp dialogue Plots that catch and hold like a noose These are the hallmarks of crime legend Ruth Rendell the best mystery writer in the English speaking world Time magazine From Doon with Death now in a striking new paperback edition is her classic debut novel and the book that introduced one of the most popular sleuths of the twentieth century There is nothing extraordinary about Margaret Parsons a timid housewife in the quiet town of Kingsmarkham a woman devoted to her garden her kitchen her husband Except that Margaret Parsons is dead brutally strangled her body abandoned in the nearby woods Who would kill someone with nothing to hide Inspector Wexford the formidable chief of police feels baffled until he discovers Margaret's dark secret a trove of rare books each volume breathlessly inscribed by a passionate lover identified only as Doon As Wexford delves deeper into both Mrs Parsons past and the wary community circling round her memory like wolves the case builds with relentless momentum to a surprise finale as clever as it is blindsiding In From Doon with Death Ruth Rendell instantly mastered the form that would become synonymous with her name Chilling richly characterized and ingeniously constructed this is psychological suspense at its very finest Praise for From Doon with Death One of the most remarkable novelists of her generation People She has transcended her genre by her remarkable imaginative power to explore and illuminate the dark corners of the human psyche P D James *From Doon with Death - a New Lease of Death* Ruth Rendell, 1964 **From Doon with Death** Ruth Rendell, 1964 50th anniversary edition of the first Inspector Wexford novel with an introduction by Ian Rankin and a new afterword by Ruth Rendell An ordinary life An extraordinary death The trampled grass led to the body of Margaret Parsons With no useful clues and a victim known only for her mundane life Chief Inspector Wexford is baffled until he discovers Margaret's dark secret a collection of rare books each inscribed from a secret lover and signed only as Doon Who is Doon And could the answer hold the key to Wexford solving his first case **Inseparable** Emma Donoghue, 2010-05-25 From a writer of astonishing versatility and erudition the much admired literary critic novelist short story writer and scholar Dazzling The Washington Post One of those rare writers who seems to be able to work on any register any time any atmosphere and make it her own The Observer a book that explores the little known literary tradition of love between women in Western literature from Chaucer and Shakespeare to Charlotte Bront Dickens Agatha Christie and many more Emma Donoghue brings to bear all her knowledge and grasp to examine how desire between women in English literature has been portrayed from schoolgirls and vampires to runaway wives from cross dressing knights to contemporary murder stories

Donoghue looks at the work of those writers who have addressed the unspeakable subject examining whether such desire between women is freakish or omnipresent holy or evil heartwarming or ridiculous as she excavates a long obscured tradition of inseparable friendship between women one that is surprisingly central to our cultural history Donoghue writes about the half dozen contrasting girl girl plots that have been told and retold over the centuries metamorphosing from generation to generation What interests the author are the twists and turns of the plots themselves and how these stories have changed or haven't over the centuries rather than how they reflect their time and society Donoghue explores the writing of Sade Diderot Balzac Thomas Hardy H Rider Haggard Elizabeth Bowen and others and the ways in which the woman who desires women has been cast as not quite human as ghost or vampire She writes about the ever present triangle found in novels and plays from the last three centuries in which a woman and man compete for the heroine's love about how and why same sex attraction is surprisingly ubiquitous in crime fiction from the work of Wilkie Collins and Dorothy L Sayers to P D James Finally Donoghue looks at the plotline that has dominated writings about desire between women since the late nineteenth century how a woman's life is turned upside down by the realization that she desires another woman whether she comes to terms with this discovery privately comes out of the closet or is publicly outed She shows how this narrative pattern has remained popular and how it has taken many forms in the works of George Moore Radclyffe Hall Patricia Highsmith and Rita Mae Brown from case history style stories and dramas in and out of the courtroom to schoolgirl love stories and rebellious picaresques A revelation of a centuries old literary tradition brilliant amusing and until now deliberately overlooked

*Women of Mystery* Martha Hailey DuBose, 2000-12-11 In this remarkable book Martha Hailey DuBose has given those multitudes of readers who love the mystery novel an indispensable addition to their libraries Unlike other works on the subject *Women of Mystery* is not merely a directory of the novelists and their publications with a few biographical details DuBose combines extensive research into the lives of significant women mystery writers from Anna Katherine Green and Mary Roberts Rinehart with critical essays on their work anecdotes contemporary reviews and opinions and some of the women's own comments She takes us through the Golden Age of the British women mystery writers Christie Sayers Marsh Allingham and Tey to the leading crime novelists of today focused on the women who have become legends of the genre And though she laments so many mysteries so little time she makes a good effort at mentioning some of the best of the rest When DuBose writes of the lives of her principal players she relates them to their times their families their personal situations and above all to their books She subtly points out that Sayers whose experience with the men in her life was inevitably disastrous created in Lord Peter the ideal lover one who is all that a woman desires and needs DuBose gives us the curriculum vitae that Dorothy Sayers created to help her bring Peter Wimsey to a virtual

Blackwell,2022-06-07 The detective story the classic whodunit with its time displacement structure of crime according to most literary historians is of relatively recent origin Early in its development the whodunit was harshly criticized for its tightly formula bound structure Many critics prematurely proclaimed the death of the whodunit and even of detective fiction altogether Yet today the genre is alive as contemporary authors have brought it into modern times through a significant integration of elaborate character development and psychology With the modern psychological detective story emerging from the historical cauldron of detective fiction and early psychology the genre continues to develop a complexity that reflects and guides the literary sophistication needed This book the first of its kind analyzes over 150 whodunit novels and short stories across the decades from The Moonstone to the contemporary novels that saved the genre from an ignominious death
