From Here To Armageddon I Am Ashtar:

From Here to Armageddon Ashtas,1990-01-01 **A Strong Delusion** Mark G. Toop,2018-01-03 A Strong Delusion is a result of thousands of hours of research over many years into the direct and indirect influence and manipulation of Satan and fallen angels upon human history pertaining to both pre flood and post flood eras Journey to uncover revelations within God s Word many not commonly taught in Christian institutions or on Sunday mornings Drill deep into the Word of God through many Hebrew and Greek word translation origins Discover what Jesus really meant when He stated in Matthew 24 37 But as the days of Noah were so shall also the coming of the Son of man be What was the exact reason God found it necessary to destroy the majority of life forms on Earth What are the exact origins of fallen angels and demons Is modern society being set up for greatest deception since the ultimate lie told at the Garden of Eden is the world under A Strong Delusion Answers to these ultimate questions and many more await The facts are presented You decide **A Moment with Eternity** Bryan C. Hood,2001 A Moment with Eternity explores the nature of man God and the universe Delving deeply within himself the writer overcomes through personal sacrifice the truth about existence This book has been written in two parts In the first half you will explore alongside the writer the mysteries of the unseen realities and battle against mysterious forces that threaten your very existence The second half of the book is full of clear simple explanations drawn from further years of personal research As well there are several easy exercises to assist you in expanding and developing your human potential As you grow and develop you will continue to discover new truths These new deeper levels of truth will reveal themselves from among the very same pages you have already read A Moment with Eternity could be called an unforgettable transformational journey Visit the website at BridgeToLight com **Armageddon Protocol** William King, **A Season of Shadows** K.W. Moak,2012-08-29 In 1976 graduate student Adam Reardons fiance Lis and her children vanished Officially they died in a tragic house fire In reality they escaped the fire and worse through an impossible portal to another world The portal closed before Adam could follow he was nearly killed and survived only to have his incredible memories of that night dismissed as shock induced delusion For half his life Adam has suffered from nightmares and depression knowing the truth but gradually coming to accept that nothing can possibly be done about it Then twenty years after the fire extraordinary alarming things begin to happen Adam now a successful architect discovers proof of Lis survival and realizes he can not turn his back on the slim chance of finding her though it means losing everything he has Armed with a mysterious fragment of ancient high tech and aided by an old friend who also knows what really took place in 1976 Adam decides to try reopening the portal But others have their own sinister plans for it Unbeknownst to Adam events already underway will soon put him at the center of a long deferred battle that may well determine the fate of all Humanity **The End of the World** Tom McIver,1999 This bibliography contains careful and bias free annotations of close to 3 500 works written over many centuries about the end of the world predominantly but not entirely from a Christian perspective The books pamphlets websites and

selected other media cover a wide variety of eschatological beliefs from the numerous fundamentalist scenarios to the mystical and the violent and include such topics as the Tribulation the Rapture the Millennium Armageddon the Second Coming the Antichrist and the Apocalypse Works on other major religions such as Judaism Islam the mythos of popular cultures Mayan prophecies Norse Ragnarok UFO occult and psychic theories Heaven s Gate Nostradamus and secular theories Y2k computer chaos can be found The work is in four parts plus indexes Entries in the pre 1800 part are arranged chronologically beginning with the Books of Enoch in the second century BC Other entries are arranged alphabetically within the three chronological subdivisions of 1800 1910 1910 1970 and post 1970 All include full bibliographic information and annotations regarding format type of work theme the author s background the category of theories espoused distinctive or notable characteristics the intended readership and the significance of the work There are cross references to works by the same author An introduction describes major types of beliefs outlines basic Fundamentalist end of the world scenarios summarizes Biblical sources and explains important terms concepts and relationships among sources The work is extensively indexed by author title and subject

Earth Out Of Orbit, Volume Two Sanctus Est Adonai, This volume Volume Two continues to trace the histories and the prophecies of Israel through the life time of the kings of Judah Judah is the southern half of the divided Israel Israel North being the other half The volume covers the years of four kings and a queen and ranges in time from 913 835 BC almost eighty years All dates in the book unless specified are BC The entire history timeline of the book is in BC

The American Antiquarian and Oriental Journal ,1904

The American Antiquarian and Oriental Journal Stephen Denison Peet,J. O. Kinnaman,1904

[The International Standard Bible Encyclopedia](#) Geoffrey William Bromiley,1979 The International Standard Bible Encyclopedia combines the defining function of a dictionary with an encyclopedia s comprehensive presentation of accurate dependable information Summarizing the state of knowledge on more than 9 000 topics and including 3 500 cross references ISBE contains articles on every person and place mentioned in the Bible every word in the Bible that has significant theological or ethical meaning and all terminology that touches on the transmission and interpretation of the Bible

The Genesis Plague Michael Byrnes,2010-08-05 From the bestselling author of The Sacred Blood comes a new thriller perfect for fans of Dan Brown MESOPOTAMIA 4004 BC THE DAWN OF CIVILIZATION An exotic stranger appears in a small village Mesmerizing in her beauty and command she is venerated as a goddess until she unleashes a horror beyond anything humankind has even known IRAQ PRESENT DAY THE SUNSET OF CIVILIZATION A mercenary unit in northern Iraq led by Sergeant Jason Yaeger has trapped radical Islam s most wanted target inside a mysterious cave An ancient mural in the cave s opening depicts the brutal beheading of an unknown goddess yet its twisting tunnels hide a series of high tech surveillance cameras When a Marine platoon seeks to control the extraction mission a threat far more ominous is found lurking beneath the mountains Meanwhile in Boston Massachusetts Agent Thomas Flaherty tracks down glamorous archaeologist Brooke Thompson who he suspects holds some answers to the cave s

ancient mystery But when she narrowly escapes an assassination attempt it becomes clear that someone else is determined to keep her quiet someone intent on using the cave s deepest secret to bring the Middle East to its knees **Paperbound Books in Print** ,1992 **The Anunnaki Connection** Heather Lynn,2020-03-01 This definitive guide connects a diverse

range of new and existing theories about the Anunnaki while exploring their possible connection to humanity s past present and future Over 6 000 years ago the world s first civilization the Sumerians were recording stories of strange celestial gods who they believed came from the heavens to create mankind These gods known as the Anunnaki are often neglected by mainstream historians The Sumerians themselves are so puzzling scholars have described their origin as The Sumerian Problem With so little taught about the ancient Sumerians in our history books alternative theories have emerged This has led many to wonder about the true story behind the Sumerians and their otherworldly gods the Anunnaki Lynn traces the evolution of these Mesopotamian gods throughout the Ancient Near East analyzing the religion myth art and symbolism of the Sumerians investigating Who are the Anunnaki How accurate are the current Sumerian text translations and how do we know for sure who to believe Is there a connection between the Anunnaki and other ancient gods Where are the Anunnaki now Will their possible return spell the end of our world Paperbound Books in Print 1995 Reed Reference

Publishing,R5ference Reed,1995-12 *Street Level: Los Angeles in the Twenty-First Century* Rob Sullivan,2016-04-01 In the latter part of the C20th a series of seminal books were written which examined Los Angeles by the likes of Reyner Banham Mike Davis Edward Soja Allen Scott Michael Dear Frederick Jameson Umberto Eco Bernard Henri Levy and Jean Baudrillard which have been hugely influential in thinking about cities more broadly The debates which were generated by these works have tended to be very heated and either defensive or offensive in approach A sufficient amount of time has since passed that a more measured approach to evaluating this work can now be taken The first section of this book Contra This and Contra That provides such a critique of the various theories applied to Los Angeles during the last century balancing the positive with the negative The second part of the book is an investigation of L A as it exists on the ground today While political the theoretical stance taken in this investigation is not mounted as a platform from which to advocate a particular ideology Instead it encompasses cultural as well as economic issues to put forth a view of L A which is coherent and cogent while at the same time considering its multi layed complex and ever changing qualities It concludes by arguing that sectorised off and totalizing visions of the city will not do as instruments of urban analysis and that only a theory as mobile as its target will do one that replicates the polymer nature of this place It proposes that extending that theory to the world beyond this particular city only a theory that models itself on the mobile and polymer nature of the world while still retaining a sense of the actual and the real will do as an instrument with which to comprehend the world In doing so this book is not only a model by which to think through Los Angeles but as a model by which to think through other world cities **Phoenix Rising** Donald G. Lett,Donald G Lett Jr,2008-02 In an age when the supply of gasoline to feed this modern American society has become both

more expensive and more scarce questions are being pondered Inquires like How can a modern society scale back its dependence on gasoline as a motive source Are there genuine alternative power sources Are they the answer to a growing crisis Recent announcements of hybrids like those from Honda Toyota and Ford have really brought attention to this issue Hybrids that use both gasoline engines and electric motors Really though alternative power sources have been around for as long as the automobile has been The battle between and among the steam car the electric and the gas car was fought out in the first couple of decades of the twentieth century This book explores the ins and outs of that battle A struggle from which the gasoline car emerged completely victorious To such an extent that steam cars and electric cars virtually disappeared from the scene for many decades We will look over all three alternatives exploring their advantages and disadvantages We will also look over the obstacles to the steamers and the electrics Barriers that still exist to a certain extent Handicaps that caused their disappearance in the first place

The Unidentified Colin Dickey, 2020-07-21 Absolutely perfect for the current moment BuzzFeed America s favorite cultural historian and author of Ghostland takes a tour of the country s most persistent unexplained phenomena In a world where rational scientific explanations are more available than ever belief in the unprovable and irrational in fringe is on the rise from Atlantis to aliens from Flat Earth to the Loch Ness monster the list goes on It seems the more our maps of the known world get filled in the more we crave mysterious locations full of strange creatures Enter Colin Dickey Cultural Historian and Tour Guide of the Weird With the same curiosity and insight that made Ghostland a hit with readers and critics Colin looks at what all fringe beliefs have in common explaining that today s Illuminati is yesterday s Flat Earth the attempt to find meaning in a world stripped of wonder Dickey visits the wacky sites of America s wildest fringe beliefs from the famed Mount Shasta where the ancient race or extra terrestrials or possibly both depending on who you ask called Lemurians are said to roam to the museum containing the last remaining evidence of the great Kentucky Meat Shower investigating how these theories come about why they take hold and why as Americans we keep inventing and re inventing them decade after decade The Unidentified is Colin Dickey at his best curious wry brilliant in his analysis yet eminently readable

Studies in the Scriptures, Series IV Charles Taze Russell, 1917

New Beginnings Trilogy: M/M Sci-Fi Fantasy Mashup Kashel Char, 2023-09-10 What if the world we live in constantly restarts with a New Beginning Eryn King of the Brawl In the aftermath of a cataclysmic nuclear winter Eryn a boy with special abilities wanders across the ice where he discovers the last vestige of human civilization in Antarctica The abduction of the first extracorporeal birthed twins born into this all male society leads to a fast paced rescue mission that uncovers millennia old secrets and the true origin of humans Mika and Connor can t understand their boys infatuation with Eryn Maybe it s Stockholm syndrome but one thing s for sure Eryn s double dipping Cian s Song Eryn brings aboard a stranger an eight foot tall mysterious male with golden Khopesh blades and the strangest yellow eyes He may or may not be a friend but Cian isn t wasting his time on him He wants his mate with webbed toes and he wants the ache in his chest to disappear But now Cian has his hands full and

must save a group of humans from the moon before he can finally woo his oblivious mate Anzulla According to ISH At the age of fourteen Ishtar built a time machine from the scraps he found at the wreckage where his family had crashed in Babylon As he grew older he aligned himself with the humans suffering under the oppression of his father who had taken over the kingdom He gathered an army to end his tyranny but soon after the battle he received orders from the Fates to wait on the moon for his kin However operating a piece of heavy machinery such as a time machine while under the influence of tainted human blood is never a good idea especially since Ishtar s oldest friend and onboard computer Lasitor vowed to protect not only him but also his bloodline for eternity This story has explicit and graphic depictions unsuitable for young and sensitive readers or anyone offended by gay sex Copyright 2023 New Beginnings Trilogy M M Sci Fi Fantasy Mashup by Kashel Char All rights reserved

DarkRise M.A. Phipps, Rebecca Jaycox, 2023-05-10 A wavering loyalty A determined love When the light falls the dark will rise Remember your bloodline That lesson has been drilled into eighteen year old CALEB since childhood and as grandson to Alexander the Great he has always respectfully heeded those words But when that loyalty lands him in the middle of an uprising that could lead to a war that would rival the Fall Caleb realizes that family isn t always all it s cracked up to be Especially when the price for that blind devotion is the girl he loves LUNA thought she nearly lost her mind once but four months in a hidden celestial realm has her teetering closer to insanity than ever before Imprisoned by the Council for her role in Alexander s release she spends her days obsessing over the revelation of her true identity and having conversations with people who might not actually be there Trapped in a cage where time never moves and reality and hallucination have become intertwined only one thing remains clear to Luna she will never leave this place Caleb won t rest until he rescues his Goldilocks even if that means defying his grandfather and the Council to save her But will he reach Luna before she is lost to her madness Or will he fail and lose her again this time forever DARKRISE is the second book in the paranormal romance trilogy The Origin Prophecy a loose Romeo Juliet retelling about star crossed teenagers in a magical hidden world of angels demons and Nephilim
