From Loneliness To Love:

From Loneliness to Love Cynthia D. Johnson, 2013 If you have ever felt unloved unappreciated or just plain useless this book is a must read Cynthia is completely transparent in her journey from Loneliness to LOVE Her journey from feelings of utter worthlessness to complete fulfillment in the Lord is an astonishing enlightening and empowering experience that all will bless you tremendously She opens the pages of her own personal journal and shares her walk with the Lord in an effort to show the world what the Lord has shown her To let the world know that God truly does love them that no one is beyond hope or repair and that no matter what anyone has told you you are a precious precious person who has infinite value and purpose in this world This is a powerful story of one woman's journey with the Lord and how He totally and completely took her from a life of loneliness and misery to a life of fulfillment and joy in Him **From Loneliness to Love** Douglas A.

Reconnect to Love Yong Kang

Chan, 2020-06-08 Do you feel lonely even when you are with people When we are alone and isolated many of us think we will feel better once we surround ourselves with friends family or a romantic partner We are constantly looking for someone else to complete us accompany us and give us love and attention But instead of feeling less lonely we often end up feeling empty and disappointed Something always seems to be missing from our relationships We want a deep meaningful connection with others However our relationships usually don't live up to our expectations People don't seem to get us or we don't seem to fit in with others Even those of us who are married or in a love relationship we still feel separate and emotionally disconnected from our partners from time to time Why is this so Download *Reconnect to Love A Journey From Loneliness to Deep Connection* The truth is loneliness is not due to a lack of external connection It's a result of internal disconnection When we feel lonely we have lost our alignment with the love and abundance within Instead we are focusing on what's missing and lacking in our relationships This book is not about getting rid of loneliness or building better relationships with others The purpose of this book is about reconnecting to the love that is always available to us from within whenever we feel lonely By clearing the psychological obstacles that prevent us from feeling connected to others in the first place we naturally become more spiritually connected with the world and others Scroll to the top of the page and get a copy of *Reconnect to Love* now

From loneliness to love, by R.I.M. M. Iddles, 1901

From Loneliness to Solitude in Person-centred Health Care Stephen

Buetow, 2022-08-26 This innovative book provides a new conceptual analysis of loneliness a condition associated with severe health consequences including increased morbidity and early death Arguing that social connection is not the only answer it explores pathways for transforming loneliness to healthy solitude The first part of the book draws on the humanities and arts including psychology philosophy and literature to analyse the common and potentially serious problem of loneliness It makes the case that the condition is less a deficiency than a state of self disconnection that modernity feeds through social forces The second part of the book looks at how person centred health care can help educate persons to transform loneliness into

healthy solitude It provides an analysis of self connection and spiritual connection discussing how these forms of contact can mitigate risks associated with both lack of social connection and social connection itself such as self disconnection and rejection by others It goes on to demonstrate that connection to the self and spirit can make aloneness a resource and facilitate access to benefits of connecting with others This thought provoking book provides students scholars and practitioners from a range of health and social care backgrounds with a new way of thinking about researching and practising with lonely people

The Psychological Journey To and From Loneliness Ami Rokach,2019-04-06 There are three universal experiences that we cannot escape loneliness illness and death The Psychological Journey To and From Loneliness addresses what was termed the plague of the 21st century loneliness Loneliness is stigmatized in our society so untold number of people walk around lonely unable to do what is so naturally called for make their suffering known and approach others for company and support Thankfully loneliness is slowly but steadily coming out of the closet This book will highlight not only the experience and what can be done about it but also the experiences that influence it i e our childhood cultural and religious influences and our way of life as well as the effects that loneliness has on various population groups and how it is experienced at different times in our lives This volume reviews theoretical approaches to the study of loneliness the positive functions that loneliness may serve in our lives the stages in life when loneliness is quite visible and its effects on us the life experiences that may strengthen the feeling that one is all alone and forgotten life experiences that we do not commonly connect to loneliness but it is clearly present in them e g pregnancy and childbirth and the approaches that are available to cope with its pain and limit its negative effects on us The book closes with a review of how psychotherapy can assist those who need encouragement and support in their struggle with loneliness The book is particularly suitable for academics researchers and clinicians who aim to help clients identify address and cope with loneliness Presents the latest research on the development causes and effects of loneliness Studies loneliness in childhood adolescence and middle and old age Outlines what can be done to limit the negative effects of loneliness on an individual Looks at how childhood cultural religious and other influences affect loneliness

Loneliness and Love Clark E. Moustakas,1972 **On Love and Loneliness** J. KRISHNAMURTI, On Love and Loneliness another volume in the series of Theme books is a compelling investigation of our intimate relationships with ourselves others and society Krishnamurti suggests that true relationship can come into being only when there is self knowledge of the conditions which divide and isolate individuals and groups It is only when the mind is not escaping in any form that it is possible to be in direct communion with that thing which we call loneliness the alone and to have communion with that thing there must be affection there must be love says Krishnamurti

LOVE THE REASON WE LIVE John Amote Lyngdoh,2023-05-25 Why are we here This is a commonly asked question that has perplexed man for ages When this same question was posed to the author of this book by his 6 year old niece the gravity of the question became intense and the urgency to find the answer was greatly felt This book is an attempt by the author to

respond to the child's question from a psycho physiological point of view by examining the idea that love is the reason we live. The narrative highlights the existence of physiological dictates which conceivably consists of the neuro hormonal mechanisms and the idea spirit concept and goals existing behind these mechanisms that scientifically give credence to the idea that the experience of love is a physiological mandate for human existence. **Commune with Your Heart** Dwight Nichols, 2004 According to Nichols what Jesus said to do is the same thing that David the Psalmist said to do about 3 000 years ago Be still and commune with your own heart This is how we purify our heart it is how we discover the truth that sets us free it is how we find peace joy and happiness what everyone desires. My Mother Love Dr Jack Tan, 2020-11-05 The readers should be motivated by the passionate approach even the author was born with severe diarrhoea illness The reverse might give a mighty force to a person the power who deserved it Be like a butterfly go where you can fulfil your life purpose with permission from Eric Chia 2019 The elder son of the author followed his footsteps building a career in the banking and finance sector who is now an SVP in a large bank with his wife an SVP in another large bank and they have a handsome and intelligent son my grandson The second son of the author works hard Still the second son completed his Masters of Medicine Family after MBBS from NUS and his wife the second daughter in law of the author also a Masters of Medicine Psychiatry holder after she graduated with an MBBS from the NUS They have a daughter and a son The author continued to pursue his studies while working as a team head of Commercial Loans Division The author studied from a postgraduate research course MBA Distinction Strategic Marketing Hull in 1994 and Doctor of Business Administration Strategic Management Finance and Accounting under research and course from 2013 to 2017 The research title of the author was on the model of the Chartered Accountants propensity to stay in Singaporean Accounting Firms Tan 2019 **Find Your Peace** Rodica Malos, 2020 Your best prescription goes beyond science This book will help transform your way of thinking and give you tools to change your life and even your eternity It will help you cope with stress and others and change the world around you Despite health care professionals constant efforts to educate entice advise convince indoctrinate and persuade patients with smooth talk bribes guilt and manipulation to make people understand and follow medical advice the results are often minimal People continue to suffer from various diseases and chronic conditions Many still die prematurely from high levels of stress caused by fear worry anxiety and depression Even with so much knowledge the gaps in the way people manage stressors in their daily lives needs to be addressed In Find Your Peace Dr Rodica Malos tackles this universal topic head on Brimming with medical research basic brain chemistry and scriptural wisdom this powerful encouraging book reveals how the divine design of the human body functions most perfectly when a person's thought life aligns with God's instructions prescriptions beyond science God's divine prescriptions and timeless truths will transform comfort sustain and heal Readers will learn to confront their fear anxiety and depression with supernatural resources and develop a healthier lifestyle full of blessings and peace *Messages from Love* Connie Cord, 2022-07-14 The awakening journey continues in Messages from Love A Journey of Awakening and

On Solitude, Conscience, Love and Our Inner and Outer Lives Ron Haflidson, 2019-07-25 Ron Haflidson places the theology of Augustine in conversation with contemporary authors who warn of the dangers of abandoning solitude for constant often technological connection Haflidson addresses an essential question that has previously been neglected What difference does it make to the practice of solitude if one believes that even in the absence of any human company God is always intimately present For Augustine solitude is a moral necessity he recommends that we regularly retreat from the crowd into the depths of our conscience where we can dwell alone in the company of God and enter into dialogue before and with God about who we are and how we love Throughout this book Haflidson pairs close readings of Augustine with those of noted cartographers of our inner lives literary greats including Jane Austen George Eliot Marilynne Robinson and George Saunders This book explores what undiscovered possibilities may lie in solitude
