From Ink and Sandalwood Cecile M. Franking,1998      *Eurasian* Emma Teng,2013-07-13 In the second half of the nineteenth century global labor migration trade and overseas study brought China and the United States into close contact leading to new cross cultural encounters that brought mixed race families into being Yet the stories of these families remain largely unknown How did interracial families negotiate their identities within these societies when mixed race marriage was taboo and Eurasian often a derisive term In *Eurasian* Emma Jinhua Teng compares Chinese Western mixed race families in the United States China and Hong Kong examining both the range of ideas that shaped the formation of Eurasian identities in these diverse contexts and the claims set forth by individual Eurasians concerning their own identities Teng argues that Eurasians were not universally marginalized during this era as is often asserted Rather Eurasians often found themselves facing contradictions between exclusionary and inclusive ideologies of race and nationality and between overt racism and more subtle forms of prejudice that were counterbalanced by partial acceptance and privilege By tracing the stories of mixed and transnational families during an earlier era of globalization *Eurasian* also demonstrates to students faculty scholars and researchers how changes in interracial ideology have allowed the descendants of some of these families to reclaim their dual heritage with pride

**Ships, Furs, and Sandalwood** Charles H. Hammatt,1999-08-01 Charles H Hammatt arrived in Honolulu in 1823 anxious to do business not to save souls Young confident and ambitious Hammatt had been entrusted by a mercantile firm in Boston with the delicate task of negotiating trade agreements with Hawaiian royalty to secure sandalwood for the China Trade We have no fears of your falling into any of the vices you will find at the Islands his employers wrote in their detailed instructions but it may be well to reflect on them to be better prepared to reside in a Society where indolence intemperance debauchery and gambling are so fashionable Hammatt remained in Hawai i long enough to form his own opinions about native society and the odd mix of miscreants and missionaries that populated the largest port in the Pacific His personal and business dealings brought him into close contact with a wide range of people from the king Liholiho Kamehameha II and his wary ministers to unscrupulous harbor merchants and sea captains and other Yankee rogues From time to time Hammatt also found himself among polite missionary society He diligently recorded his encounters and observations in his journal which published here for the first time provides an unexpected and intimate glimpse of life in frontier Hawai i less than half a century after Cook s arrival Ultimately Hammatt proved unsuccessful in his business dealings and in 1825 his employers ordered him home to Boston But the account he left of his failed mission is an exciting and colorful addition to previous descriptions from the period Hammatt learned the hard way that the Hawaiians were shrewd negotiators and in firm control of all aspects of trade with foreigners Readers will delight in this unique view of a Yankee trader and his merchant rivals competing to do business with Hawaiian royalty      *Official Descriptive and Illustrated Catalogue* ,1851      **The Herbal Alchemist's Handbook** Karen Harrison,2020 Provides a materia magica of more than 150
