From Labor To Letters:

Letters on Slavery from the Old World James Williams, 1861 The First Christian Letters Rafael Rodríguez, 2024-02-13 Paul's letters to the Thessalonians are the earliest surviving Christian documents. They are also among the most easily overlooked parts of the New Testament. What could these short simple letters possibly have to say to a world caught in the throes of racial discord, political polarization, fears of an uncertain future, and fights over truth and false news? While Paul and his companions could not have imagined anything like the twenty-first century, their letters in the mid-first century to non-Jewish followers of Jesus in northern Greece address problems we still wrestle with today: race and ethnicity, family ethics, an unknown future, how to respond to strangers, and more. These letters, rather than being an outdated part of Paul's collected letters, provoke us to throw ourselves into the great challenges of the modern world: to resist the temptation to repay another person evil for evil and to pursue the good both for one another and for everyone. 1 Thess 5:15. Will we read these ancient letters anew? Select orations and letters of Cicero Marcus Tullius Cicero, 1902 **Letters From the People** Ralph E. Shaffer, 2020-11-14 In 1881 Los Angeles was a rough frontier community more in touch with the past than the future. The city had two dailies, the Herald and the Express, and the founding of the Times drew only modest attention. Then in 1882 Harrison Gray Otis launched a formal column, LETTERS FROM THE PEOPLE. Hundreds of letter writers used the column to call attention to the matters they thought should be the immediate concern of all Angelenos. While historians have recorded the euphoria of skyrocketing real estate prices, mass migration from the east, the Americanization of the city, and the growth of specific industries, life in Los Angeles can only be fully understood by examining the concerns of its citizens. The topics discussed reveal a Los Angeles that was occupied with concerns that still divide us today: education, crime, unequal justice, immigration, the treatment of minorities, women's rights, health care, transit, water, the river, lack of infrastructure, and government's negative effect on the business climate. Derived from more than 2,000 letters to the editor, LETTERS FROM THE PEOPLE is an in-depth anthology supplemented with much historical data about the writers and events that shaped early Los Angeles on the eve of its explosive growth. **Migratory Labor** United States.
