A Christian Survival Guide Ed Cyzewski, 2014. No one ever plans to fail in their faith. We all think we'll be the kind of Christian who follows the straight and narrow, ending our days with the relief of knowing we were ultimately a good and faithful servant. So why do so many leave that road? What enables some to survive as Christians when so many others have faltered? With *A Christian Survival Guide*, Ed Cyzewski steps up to be your trail guide and provide some possible answers. He addresses some of the biggest, toughest questions in Christianity, including disturbing Bible stories, Hell, and what it means. Does the Bible have to be true? The question of evil, money and the church, evangelizing when no one wants to listen. Candid and wry, Cyzewski deals with the tension of hard questions without resorting to empty answers, clichés, relativism, or the smug certainty that can so often drive seekers and strugglers further away. This popular blogger also has a knack of making long ago biblical figures absolutely recognizable in today's issues. This survival guide is not meant to be a one size fits all handbook. It is a first step to confronting the big issues and challenges of a life of faith, even the ones that Christians fear most. Cyzewski writes for those who both care and question deeply and offers survival tips to help readers move from living on the edge to a place of health and life.

Richard Duncan,2008-04 THE PERIODIC TABLE OF ELEMENTS AS NEVER PRESENTED BEFORE FROM A BIBICAL CREATION POINT OF VIEW **A Christian's View of the Torah** Matt P. Simmons,2012-03 A Christian s View of the Torah is a series of essays illustrating how the Torah uses numerous literary devices often seen in great works of art such as symbolism parallelism reflections and repeated themes This book presents the Bible or at least the Torah as a unified whole with consistent underlying themes rather than a collection of disjointed stories And it shows from the Christian point of view how the Torah points toward Christ and His church Most biblical study guides fall into two extremes At one end of the spectrum they are directed toward the uninitiated or new Christian and are therefore so simplistic that they give no new insights to a Christian wanting to grow At the other extreme they are so academic that a doctorate in divinity is required to get anything out of them A few strive to touch the middle ground which allows the average Christian to grow and to add to

his faith A Christian's View of the Torah is an attempt to strike the middle ground This book is not intended as an evangelistic tool but as an aid for those who wish to move from the milk to the meat of the Word and gain some new insights to old familiar stories It is intended for those who have a working knowledge of the Bible particularly the Torah the Historical Books the Gospels Acts and the Epistles in short Genesis through Second Chronicles and Matthew through Jude This is a single Christian's point of view *Demon-Proofing Prayers*, 2011-08-16 Bob Larson has honed the art of exorcism into astonishing public performance Los Angeles Times front page Men like Bob Larson are out front battling Satan leading the charge against an evil that appears to have so many souls in torment and looking for deliverance The Devil meets his match in Bob Larson MSNBC Investigates This powerful spiritual warfare and prayers of deliverance equipping manual examines ten specific lifestyle commitments required of all Christians if they are to be victorious in spiritual battles Never again will you underestimate the power of demonic forces Without glorifying them through fear inspiring tales you will realize your authority over forces of evil and how you can demon proof your life through the ten critical lifestyle choices presented Demon Proofing Prayers concludes with ten prayers declarations that link the ten lifestyle choices as practical steppingstones to help you emerge victoriously from every spiritual battle **Urban God Talk** Andre E. Johnson, 2013-08-28 Urban God Talk Constructing a Hip Hop Spirituality edited by Andre Johnson is a collection of essays that examine the religious and spiritual in hip hop The contributors argue that the prevailing narrative that hip hop offers nothing in the way of religion and spirituality is false From its beginning hip hop has had a profound spirituality and advocates religious views and while not orthodox or systemic nevertheless many in traditional orthodox religions would find the theological and spiritual underpinnings in hip hop comforting empowering and liberating In addition this volume demonstrates how scholars in different disciplines approach the study of hip hop religion and spirituality Whether it is a close reading of a hip hop text ethnography a critical studies approach or even a mixed method approach this study is a pedagogical tool for students and scholars in various disciplines to use and appropriate for their own research and understanding Urban God Talk will inspire not only scholars to further their research but will also encourage publishers to print more in this field The contributors to this in depth study show how this subject is an underrepresented area within hip hop studies and that the field is broad enough for numerous monographs edited works and journal publications in the future
