Johnson, 1998 In *Friends of God and Prophets* Elizabeth Johnson provides a theology of the communion of saints utilizing ironically women's practices of memory ironically because the official list of saints is largely dominated by men and women's history of holiness has been neither remembered nor truthfully told In the first part of the book Johnson dialogues with history gleaned clues from the past for an understanding of the communion of saints that is both faithful to tradition and promising of liberation In the second she offers a systematic interpretation of the symbol connecting insights from history with insights arising from women's practices today linking both with radical hope in God **The Pursuit of God in the**

Company of Friends Richard C. Lamb, Jr., 2010-03-05 You were not meant to walk alone Many of us struggle to forge deep relationships with God and other people Modern society has isolated us as rugged individuals deceiving us into thinking we can make it through life on our own Individualism has likewise shaped the pattern of Christian discipleship privatizing faith and separating us from fellow believers But we come to know God best when others help us on the way And our friendships develop best when we seek after God together What would it look like to pursue God not by ourselves but in the company of friends According to the model of the New Testament spiritual transformation takes place in the context of Christian community By unpacking the Gospel narratives of Jesus ministry with his disciples Richard Lamb demonstrates how discipleship develops within the shared community life of groups of Christians He explores a range of topics such as spiritual friendship hospitality leadership service conflict forgiveness and mission in light of Christian community Engaging stories from real life experience show how people can form one another spiritually when their lives are tumbled against one another If you long for more of God deeper friendships or both this book will help you on the journey Discover the transforming power of discipleship in community Join the pursuit of God in the company of friends *Becoming Friends* Paul J.

Wadell, 2002-07-01 How do Christians understand friendship and intimacy How does worship form Christians into a community of the friends of God What virtues does God call us to incorporate into our lives In *Becoming Friends* Paul Wadell explores the connections between worship justice friendship and the life we are called to live This engaging and accessible book offers a fresh viewpoint from which to explore the nature of Christian friendship Such friendship Wadell contends is more than a bonding of people with similar interests a ritual of hopeless consolation True Christian friendship summons us to love all of our neighbors Wadell examines obstacles to and characteristics of true friendship and drawing from the works of Augustine Aelred of Rievaulx and other Christian exemplars contends that we are called to serve God through friendship and that this calling requires us to cultivate certain virtues especially hope justice and forgiveness *Becoming Friends* offers a provocative look into the nature and importance of true Christian friendship Anyone looking to reflect on the indispensable role of good friendships in the Christian life will find this a hopeful and encouraging book *Friends of God* John
