playing Maggie Conlon in Ken Loach's remarkable film *Ladybird*. *Ladybird* Crissy Rock is a hugely popular actress and comedienne. But Crissy's path to success was far from easy and her life has been plagued by trauma and turmoil. Never has there been a more honest and disturbing biography ever written; never has there been so much to tell. Crissy Rock's poor but idyllic young life was plunged into darkness at the age of eight when her grandfather began to abuse her both physically and sexually. Pregnant and married to a violent bully at sixteen, it seemed that trouble and turmoil would always stalk her. Having finally escaped her violent marriage, Crissy began to turn her life around. Having firmly established herself on the comedy circuit, she was then cast in *Ladybird* for which she won Best Actress at the Berlin Film Festival. This is one of the most astonishing books you will ever read. *English Mechanic and Mirror of Science and Art*, 1878 **Orwell** D. J. Taylor, 2023-05-25. A fascinating exploration of George Orwell and his body of work by an award-winning Orwellian biographer and scholar presenting the author anew to twenty-first century readers. We find ourselves in an era when the moment is ripe for a reevaluation of the life and the works of one of the twentieth century's greatest authors. This is the first twenty-first century biography on George Orwell with special recognition to D. J. Taylor's stature as an award-winning biographer and Orwellian. Using new sources that are now available for the first time, we are tantalizingly at the end of the lifespan of Orwell's last few contemporaries whose final reflections are caught in this book. The way we look at a writer and his canon has changed even over the course of the last two decades; there is a post-millennial prism through which we must now look for such a biography to be fresh and relevant. This is what Orwell *The New Life* achieves. **Playmates** Eva Hanagan, 1978 Herald and Presbyter, 1912 Clinical Journal, 1903 *English Mechanic and Mirror of Science*, 1878 **The Agricultural Gazette and Modern Farming**, 1909 *Wild Acres* Crichton Porteous, 1951
