Grimm, 2010-03-15

At about the same time in my life that I became a father I learned the principle that masculinity bestows masculinity However since I did not learn this principle until I was almost 40 years old I grew up struggling mightily in my own masculine identity and maturity So I also knew from experience how critically important it was for me to fulfill my responsibility in passing along this principle to my two sons Jonah and Jacob Therefore I created a list of seven statements of truth that encompassed what I wanted to teach my sons about becoming and living as a man an authentic man the kind of godly man that is described in the Bible I began telling my sons these truths every night at an early age so they would become engrained in them as part of their very essence and my boys would never doubt them I also spent years preparing for the time when I would elaborate on the full meaning of each truth with my sons as part of a day of celebration of their entry into manhood Those years of preparation became this book which I published to help other fathers or father figures mentors train their sons or any boy how to become a real man My hope is that this book will be a blessing and an encouragement to every boy who receives it as he enters into and lives out authentic manhood      *From Boyhood to Manhood* Emma Lieber, 1920      **From Boyhood to Manhood** William M Thayer, 2021-03-22

**The Crossing Rite of Passage from Boyhood to Manhood** Richard Rupp,2018-06-04 Every boy s destiny is manhood The Young Men s Manual will help boys arrive there The Crossing Rite of Passage from Boyhood to Manhood trains boys to become Christian men of character and faith The Young Men s Manual is a companion book to The Mentor s Manual for the fathers and mentors Each father and mentor needs a copy of The Mentor s Manual while each boy needs his own copy of the Young Men s Manual Just as Major League Baseball players never start a new season without spring training neither should boys Yet most boys start their adult lives as men without a day of training on manhood Boys need mentoring more than ever today to prepare them as men They need training to build character qualities like commitment responsibility and self control Throughout time and throughout the world rites of passage have transformed boys into men through training and ritual Post modern culture no longer offers

this training Boys are on their own today and millions of them are drifting toward a shipwreck in their lives relationships and future marriages Boys are falling behind girls in education at every level 42% of college and graduate students are male today Boys are twice as likely to abuse alcohol three times more likely to be drug addicts and five times more likely to kill themselves Pornography is one more addiction With fatherlessness at epidemic levels boys of every race and social level are more desperate than ever for belonging and guidance from older men 85% of men in prison are fatherless sons Their hurt anger and lack of moral guidance put them behind bars two million of them If only they had been mentored and loved by older men Prisons would be emptied in half The fatherless cycle would also be broken The Crossing Rite of Passage from Boyhood to Manhood Young Men s Manual includes most of the content of the Mentor s Manual and more Both Manuals include A History of Male Rites of Passage Six Lessons in Manhood A Code of Honor Good Deed Project Your Role in God s Epic History Outdoor Adventure Challenge Initiation into Manhood Fire Ceremony worksheets and reviews Like the Jewish Bar Mitzvah the ages for the boys training can start at thirteen but the training applies to all boys up to seventeen any time before graduation from high school While a father and son can read through these books together a Mentor Team of five to seven fathers is recommended to train a small group of boys Manhood is every boy s destiny This training program will set them on course to get there
