name and sub *If I Live to Be 100* Neenah Ellis, 2019-03-05 A beautifully written and elegantly wise book that takes us
inside the world of centenarians and invites us to learn from them firsthand the art of living well for an exceptionally long
period of time Neenah Ellis always wanted to live to 100 and her fascination led her to interview centenarians from all over
the US about what life was like at the very beginning of the century and how things have changed over time Ellis a producer
for National Public Radio spent an unforgettable year traveling with her tape recorder and listening to the stories of America
s oldest men and women She met a couple who courted by horse and sleigh in Vermont during the winter of 1918 and she
spent a week with the oldest living black lesbian in America She visited a nationally known expert on dyslexia who published
a book at 96 and whose great great grandfather was a colonel in Washington s army and she met Anna Wilmot the row
boating centenarian from New England who captured the hearts of thousands of NPR listeners with her confession that she
swims in the buff only when it s foggy and there s no fisherman around Originally conceived as an American history project
Ellis s year of interviews became much more a personal journey of growth and transformation After two decades of acting as
the reporter and inquisitor Ellis finally shifted gears and was able in the process of these conversations to start really
listening Once she had put away the exigencies of her cusp of the millennium life her deadlines the intense focus on current
events the endless e mail and ringing phones she began to learn the kinds of things that we do from much older people She
started to connect in her conversations with them and to see the virtue of looking forward as the centenarians did not
backward They reminded her that the moment this very moment that we re in right now is precious and fine And that the
true richness of life is to be found in each other in our marriages and friendships in the intellectual life that we share with

each other and in the ways that we become connected Their stories add up to a course in living well with lessons and inspiration for all of us

Glorious Battle Cry William E. Austin, 2008-04-22 Web Site Book Description The entertainment and sports transformation of Atlanta Georgia began with the arrival of the Atlanta Braves baseball team in 1964 and didn't slow down until the 1996 Olympic Games Every type of sporting event either passed through or called Atlanta home except thoroughbred horse racing Long known for its attraction to gamblers and underworld figures horseracing has always lived under a cloak of suspicion Here is a story about a man with a tremendous stroke of luck who set out to remove that cloak and bring horse racing into the limelight Not as a game of chance where people squander away their money and their futures trying to hit the big payout but as a sport of competition between the fastest and most enduring athletes on earth Come on in and meet the players of this complex game of strategy and discover that they are typical Americans with the heart and desire to chase after their dreams Go back and follow the history of Atlanta's transformation from an ordinary southern town into a thriving metropolitan city Realize that the cloak of suspicion placed on horse racing could also apply to any professional sport when people stray from the path of honesty and morality Inside you will find the formula and all of the ingredients to change the face of horse racing as you look into the hearts and souls of the people who are there for the love of the game In this age of ultra technology there is a great opportunity for a daring entrepreneur to create a great enterprise and leave his or her mark in history Atlanta Georgia is home to an outgoing population that thrives on fun adventure and excitement It is also the last best chance for horse racing to start over with a new set of rules casting the race horse as a competitive athlete instead of a number in an exotic lottery **Glorious Battle Cry** is a story about a man who lucks upon the opportunity to start his own racing program with his own rules Along with racing he offers everyone a look at some things and places that are beyond our horizon He re-introduces horse racing to a new fan on a smaller and simpler scale His goal is to restore credibility and preserve the rich rewards befitting a champion In the heart of the thoroughbred there is a wealth of history about horse racing that needs to be regarded and preserved There are comedies and tragedies stories about rags to riches and riches to rags There are stories about love and deceit heroes and villains There are stories about great races that have been told and written that can now come alive Follow this story of an ordinary fellow with extraordinary dreams as he takes a bold yet calculated risk to chase an elusive dream and along the way encounters life's greatest tragedies which makes everything seem insignificant

The Collected Short Stories of Louis L'Amour, Volume 7 Louis L'Amour, 2016-12-27 There is no story more distinctly American than the western and no writer as great a master of the form as Louis L'Amour In this seventh volume of L'Amour's collected short stories you'll find some of his most popular characters heroes who have become a part of our cultural legacy as well as the ordinary men and women whose adventures are chronicled with an immediacy no reader can resist or ever forget In Louis L'Amour's frontier stories the American West is the crucible in which character is tested reputations are won or lost and life always hangs in the balance Struggling to survive against the elements hostile Indians or

outlaws who prey upon the honest and hardworking the men and women in these tales each come face to face with what they are made of often in moments that explode with the violence of an avalanche or the speed of a drawn gun Here L Amour demonstrates the unerring touch for detail and keen insight into human nature that lend these stories the power to thrill surprise and entertain readers of every generation A man driven by his faith in the woman he loves survives war Indian massacre and near starvation only to find his homecoming delayed by one last battle under his own roof To stop a range war a ranch foreman stands up to his boss his men and conspirators who seem to have both right and might on their side And in a town where fourteen men have already died under suspicious circumstances a new sheriff by the name of Utah Blaine patiently sets a trap for a frontier serial killer Here are stories of honest thieves and crooked lawmen of dream chasers and treasure hunters of men and women hoping for a second chance and others down to their last This rich and varied cast embodies not only the spirit of the West but the timeless struggle of the best and worst in us all on a stage as big as the frontier itself Full of suspense mystery adventure this remarkable collection has everything that has earned Louis L Amour his well deserved reputation as America's favorite storyteller

Law of the Desert Born Louis L'Amour, 2003-12-30 A PRIZED COLLECTION OF AMERICAN FICTION FROM AMERICA'S FAVORITE STORYTELLER This first rate collection of short stories by the incomparable Louis L Amour showcases the legendary writer at his very best spinning a fascinating and wholly authentic set of unforgettable tales In these extraordinary stories we meet a man who is forced to defend himself by taking another's life and must pay for his actions in a most punishing manner a young thrill seeker who finally finds a place he can call home and vows to stay there regardless of the man who tries to stand in his way and a drifter who honors a deathbed promise to a stranger by embarking on an unlikely mission of mercy Complete with revealing author's notes the stories in Law of the Desert Born are historically precise and filled with L Amour's trademark humor and adventure They are nothing less than modern classics of the American West told by one of the most beloved storytellers of our time
