From Chaos To Care The Promise Of Team Based Medicine:

From Chaos To Care David Lawrence, 2008-11-06 Kaiser Permanente is the largest nonprofit healthcare system in the world and is a leader in integrated medical care A team based approach that draws on the strengths of the healthcare organization as well as on community resources integrated care is a most cost efficient healthcare business model It also gives patients an all important sense of control over their conditions and provides the kind of care they can navigate and trust In *From Chaos to Care* Dr Lawrence shows how integrated care succeeds on both the organizational and human fronts A blueprint for change and a manifesto for the implementation of satisfying and cost effective healthcare for all *From Chaos to Care* illuminates the path to the future of American medical care

The Interprofessional Health Care Team Donna Weiss, Felice Tilin, Marlene J Morgan, 2016-11-09 This new Second Edition of *The Interprofessional Health Care Team Leadership and Development* provides the much needed knowledge base for developing a relational leadership style that promotes interdisciplinarity interprofessionalism and productive teamwork It describes possibilities and options theories exercises rich references and stimulating questions that will inspire both novices and experts to think differently about their roles and styles as leaders or members of a team

Inevitable Incompetence Saul William Seidman, 2007 We have two choices We can follow the delusion of universal health care or we can accept a market approach to health care Putting patients in charge of their medical care is a market approach It guarantees competence at least Universal health care is sickness care administered by politicians bureaucrats CEOs and other proven incompetents None of these medicrats knows how medicine is practiced All these administrators are driven by politics and economics Excellence is destroyed in the initial stages of what is called single payer health care The destruction of competence follows the destruction of excellence Medicine was practiced Medicine was a lifelong learning experience Medicine was integrated That was only yesterday The present bureaucratized fragmented and disintegrated program called medical care bears little resemblance to the practice of medicine Today's medical care is dysfunctional *Inevitable Incompetence* will detail the growing danger and outrageous expenses in medical care *Inevitable Incompetence* will provide an understanding of the methods needed to alter the relentless course of rising expenditures and increasing deaths and injuries in the current world of medical care *Inevitable Incompetence* will outline the process required to return to excellence
