From Crime to Christ Dero Jack Brown, Ray (Chaplain), 19?? From Crime to Christ Raymond Howard, 2015-07-10 This book having been years in the making is a remarkable testimony of God's Amazing grace and saving power A one hundred percent true account of a transition out a backslidden state of a gun toting life of crime and addiction to a fiery love affair with Jesus and a strong commitment to advancing His Kingdom From sacrificial giving mentoring volunteer work and evangelizing I am no longer a prisoner of the state of Alabama but a prisoner of The Lord My only desire for this book is that it reaches those it has been ordained to reach for the Kingdom of God God has commissioned me to take this message of hope where it is needed most To a lost and dying world Jesus has done the impossible in and through me He's transformed me from a dope dealer to hope dealer

From Crime to Christ James Carl Sullivan, 1970 Choice, Chance, Change Milton Campbell, 2022-04-11 A riveting true crime story chronicling a life of crime drugs money sex and near death experiences which ultimately led to an incredible transformation and surrender to Jesus Christ It's an eye opening story about the miraculous power of God to transform lives from darkness to light hatred to love and His wonder working power to cleanse the vilest soul from sin This is the story of my life from darkness to light Herein is expressed my whole life's quest in the world and how I found peace with myself and others It is my hope that someone will take a chapter out of my book and make their life more impeccable What I wrote in this book is authentic so I ask readers to pay close attention to what I've written I was once a young gangster heartless and ruthless I didn't know if I was coming or going and I was void of knowledge wisdom and understanding I didn't know Jesus Christ and wasn't interested in knowing Him because my earthly father the devil the great dragon possessed my mind and body with all manner of unrighteousness and kept telling me that I was not worthy of Jesus love because I was a sinner destined for hell One day the Holy Spirit started working and brought me to Romans 3:23 that proclaimed FOR ALL HAVE SINNED AND COME SHORT OF THE GLORY OF GOD The

Spirit also led me to a scripture in Psalms 51 5 BEHOLD I WAS SHAPED IN INIQUITY AND IN SIN DID MY MOTHER CONCEIVE ME Being void of understanding and wisdom I didn't know the creative energy of the Grand Architect and Master Builder of the universe and all mankind The devil had me trapped and he became the god of my life He used me to carry out his dirty work in this world but God changed my life and made me a brand new man who now walks in the light of the Creator I implore each reader especially the youth in the street to pay close attention to what I have to say My prayer is that my experience in the world a life of crime my transformation and the choice I made to walk with Christ will inspire someone to make the right choice and get a chance to make a positive change in their own life *From Crime to Christ* Glenn Clark,1995-07-01 [From Crime to Christ: Could I Have Saved Me?](#) John Paladino,2022-09 As soon as the door shut hard behind us I felt different inside No longer an 18 year old kid with twenty scholarship offers to play football no longer a son a boyfriend No longer anything but what I'd be known as from here on out which was number 98463 This was the first of four prison sentences that I would serve Jail had taught me nothing other than how to commit more crimes All the years I've spent in prison were with the mindset that anyone who sought God was weak I had reverence for religion but not the people I was a persecutor of Christians Catholics Muslims of all who spoke of God yet I called myself a spiritualist I knew there was something out there but whatever it was it had no use for me and I had none for it I blamed God for my life of misery and pain I always thought of the line from Milton's Paradise Lost as my motto I'd rather rule in hell than serve in heaven And that's what I did Until one day when I died **The Crooked Road to The Cross** Don H Will,2024-04-28 Your story is personal to you It is your story it is continuing to be written filled with your pain your misery and the struggles you have and will face in your life For the believer there is hope and joy throughout the struggle if you believe in hope and pursue Jesus Christ How many times a day do you worry about life or whatever else you are facing Jesus says not once should we worry but in those moments cast our cares on Him Our stories help us endure through historical evidence of our past victories and present victories in Christ This book explains how my story brings me hope for the battles that come my way every day From a ghetto upbringing riddled with violence and crime to a pursuit to Christ with everything on the line I tell my story and all the details of my crooked road to the cross From crime to Christ I hope and pray my story encourages you to see the hope and victory in your story Enjoy God Bless each reader **Compassionate Outreach: A Journey from Crime to Ministry** Priscilla Coleman Jenkins,2023-09-25 As a youth James was known as prisoner violent angry notorious dangerous thief and unreliable After accepting Jesus Christ as Savior he was known as notable honorable visionary teacher pastor faithful trustworthy and compassionate His life is an example of God's saving grace This biography describes the turning point from crime and how a changed life by the power of the Holy Spirit was a force that impacted hundreds if not thousands of lives An inside look of compassionate outreach is shared with examples letters created for ministry sermons focus scriptures love forgiveness and other topics Also prison ministry training resources network opportunities social services connections are included and much

Through Crime to Christ J. Pugh Perkins, 1914* **Borstal Boys** David Clarke, 2013-11-18 The story portrays a remarkable change that took place in the life of David when he was 20 years old on the night of the 16th January 1970 His brother Michael was left untouched This story was originally published under the title Converted on LSD but this edition has been specially written for prison inmates These brothers influenced each other during the 50 s 60 s and resulted in both David and Michael serving time in prison David was sent to Dover Borstal and Michael Maidstone Prison for charges of malicious wounding and carrying a firearm without a license The story speaks in detail of all the significant events in David s life from being a child through to the time of his conversion to Christ and then recounts the consequent difficulties that he experienced as he tried to follow the way of Christ This led David to make a confession to the Police about his 24 crimes and the recovery of much stolen property The story appeared as news headlines in the Bucks Herald on 11th February 1971 and led to a remarkable conditional discharge It was believed by many of Aylesbury s criminal world that Dave had gone mad after taking LSD or the story was an ingenious plan devised by David to prevent him from being sent to prison again for crimes against society This was not the case as the story will tell

From Aristotle to Christ Louis Markos, 2025-09-23 Discover how Aristotelian thought has shaped Christianity through history and remains relevant for Christians today When Christians of any age country or denomination debate the nature of the good life the soul free will or design Aristotle lies behind their logic as well as their rhetoric Although Aristotle did not have access to the Bible s special revelation he made full use of general revelation to arrive at deep truths about the nature of God human identity and the universe In the Catholic Middle Ages the spiritual vision that undergirded Dante s Divine Comedy was strongly indebted to Aristotle s cosmology and in the Protestant Reformation and Enlightenment the social vision of a well run state was equally indebted to his political science In a follow up to his well loved book From Plato to Christ renowned scholar Louis Markos takes us on a vigorous and

celebratory journey through the work of Plato's greatest student demonstrating Aristotle's often unacknowledged influence on the Christian faith. In Markos's hands Aristotle is far from an irrelevant ancient philosopher but is instead an important conversation partner for some of history's greatest Christian thinkers and a thoughtful guide to today's most challenging questions. With this book you'll consider the influence of Aristotle's thought on the Christian faith. Carefully analyze several of Aristotle's best-known texts. Trace Aristotle's influence upon many key theologians in Christian history and understand Aristotle's continuing importance for Christians today. This book is a perfect addition to any classroom that seeks to understand how classical thought intersects with Christianity both past and present. Grab your copy today and explore the relationship between Aristotelian philosophy and Christianity.

From Sin to Amazing Grace Patrick S. Cheng, 2012-03-01

Throughout the history of Christianity, lesbian, gay, bisexual, and transgender (LGBT) or queer people have been condemned as unrepentant sinners who are in dire need of God's saving grace. As a result of this condemnation, LGBT people have been subjected to great spiritual, emotional, and physical abuse and violence. This issue takes on a particular urgency in light of the ongoing harassment and bullying of LGBT young people by their classmates. Cheng argues that people need to be liberated from the traditional legal model of thinking about sin and grace as a violation of divine and natural laws in which grace is understood as the strength to refrain from violating such laws. Rather, Cheng proposes a Christological model based upon the theologies of Irenaeus, Bonaventure, and Barth in which sin and grace are defined in terms of what God has done for us in Jesus Christ. This book serves as a useful resource for all people who struggle to make sense of the traditional Christian doctrines of sin and grace in the context of the 21st century.
