From Curtin To Kerr:

Australia 1901 - 2001 Andrew Tink, 2014-11-01 Andrew Tink's superb book tells the story of Australia in the twentieth century from Federation to the Sydney 2000 Olympics. A century marked by the trauma of war and the despair of the depression, balanced by extraordinary achievements in sport, science and the arts. A country underpinned by a political system that worked most of the time and the emergence of a mainly harmonious society. Australians at the start of the century could hardly have imagined the prosperity enjoyed by their diverse countrymen and women one hundred years later. Tink's story is driven by people, whether they be prime ministers, soldiers, shopkeepers, singers, footballers or farmers, a mix of men or women, Australian born immigrants and Aborigines. He brings the decades to life, writing with empathy, humour and insight to create a narrative that is as entertaining as it is illuminating.

From Curtin to Kerr Fred Daly, 1977 **Gough Whitlam** Jenny Hocking, 2014-11-10 Gough Whitlam, Australia's twenty-first prime minister, swept to power in December 1972, ending twenty-three years of conservative rule. In barely three years, Whitlam's dramatic reform agenda would transform Australia. It was an ascendancy bitterly resented by some, never accepted by others, and ended with dismissal by the Governor-General just three years later, an outcome that polarised debate and left many believing the full story had not been told. In this much anticipated second volume of her biography of Gough Whitlam, Jenny Hocking has used previously unearthed archival material and extensive interviews with Gough Whitlam, his family, colleagues and foes to bring the key players in these dramatic events to life. The identity of the mysterious third man who counselled the Governor-General Sir John Kerr in his decision to sack the twice-elected Whitlam government and appoint Malcolm Fraser as prime minister is confirmed here by Kerr himself, as the High Court justice Sir Anthony Mason, and the full story of his involvement is now revealed for the first time. From Kerr's private papers, Hocking details months of secret meetings and conversations between Kerr and Mason in the lead-up to the dismissal that had remained hidden for over thirty-seven years. In response to these revelations, Sir Anthony Mason released an extensive public statement acknowledging his role and disclosing additional information that is fully explored in this new edition. This definitive biography takes us behind the political intrigue to reveal a devastated Whitlam and his personal struggle in the aftermath of the dismissal, the unfulfilled years that followed, and his eventual political renewal as Australia's ambassador to UNESCO. It also tells, through the highs and the lows of his decades of public life, how Whitlam depended absolutely on the steadfast support of the love of his life, his wife Margaret. For this is also the story of a remarkable marriage and an enduring partnership. The truth of this tumultuous period in Australia's history is finally revealed in Gough Whitlam: His Time.

Australia's Boldest Experiment Stuart Macintyre, 2015-06-01 In this landmark book, Stuart Macintyre explains how a country traumatised by World War I, hammered by the Depression and overstretched by World War II, became a prosperous, successful and growing society by the 1950s. An extraordinary group of individuals, notably John Curtin, Ben Chifley, Nugget Coombs, John Dedman and Robert Menzies, re-made the country, planning its

reconstruction against a background of wartime sacrifice and austerity The other part of this triumphant story shows Australia on the world stage seeking to fashion a new world order that would bring peace and prosperity This book shows the 1940s to be a pivotal decade in Australia At the height of his powers Macintyre reminds us that key components of the society we take for granted work welfare health education immigration housing are not the result of military endeavour but policy planning politics and popular resolve *Naval Constabulary Operations and Fisheries Governance* Sean A. G. Andrews, 2024-05-07 This book offers an analysis of naval constabulary operations in particular Australian fisheries patrols and challenges the widely accepted Anglo American school of maritime thought In the Indo Pacific fisheries and the activities of fishing boats are of increasing strategic importance in Australia s region Australia s Four Oceans Issues of overfishing population growth and climate change are placing growing pressure on fish as a resource and in doing so are making fisheries more significant and significant on a strategic as opposed to simply an economic or environmental level When combined with the growing use of fishing vessels as para naval forces it is clear that the activities of fishing vessels whether fishing or not fishing are matters of considerable strategic relevance This book illuminates contemporary seapower challenges explains and defines maritime security and examines and refines existing theory to advance a set of new or refined concepts to help frame the on water activities of constabulary operations reducing the possibility of on water miscalculation between states This book will be of much interest to students and scholars of naval studies and sea power maritime strategy maritime security and International Relations *Politics in the Blood* Paul Davey, 2008 Biography of three generations of the one family Hubert Doug and Larry Anthony all of whom for over some 70 years held the Federal seat of Richmond in NSW for the National Party Note that the hold on the seat was not continuous for this entire period Author is also a member of the National Party Provided by publisher *Ninety Not Out* Paul Davey, 2010 The Nationals originally the Australian Country Party is the second oldest political party in Australia This is the first comprehensive study of the federal Nationals since 1963 Highlights the political fortunes of an organisation that is often disregarded by the mainstream media

Lionel Murphy Jenny Hocking, 2000-08-30 Now available in paperback this new version includes an epilogue by the author **Evatt** John Murphy, 2016-09-01 John Murphy s *Evatt* A life is a biography of Australian parliamentarian and jurist HV Evatt Remembered as the first foreign minister to argue for an independent Australian policy in the 1940s and for his central role in the formation of the UN Evatt went on to be the leader of the Labor party in the 1950s the time of the split that resulted in the party being out of power for a generation Evatt traces the course of Evatt s life and places him in the context of a long period of conservatism in Australia It treats Evatt s inner personal life as being just as important as his spectacular controversial and eventual tragic public career Murphy looks closely at Evatt s previously unexamined private life and unravels some of the puzzles that have lead Evatt to be considered erratic even mad Bert Evatt remains a polarising figure still considered by many in Labor as the man who split the party and by many conservatives as unreliable and

dangerous *Phraseology and Culture in English* Paul Skandera, 2008-08-22 The proposition that there is a correlation between language and culture or culture specific ways of thinking can be traced back to the views of Herder and von Humboldt in the late 18th and early 19th centuries It is generally accepted today that a language especially its lexicon influences its speakers cultural patterns of thought and perception in various ways for example through a culture specific segmentation of the extralinguistic reality the frequency of occurrence of particular lexical items or the existence of keywords or key word combinations revealing core cultural values The aim of this volume is to explore the cultural dimension of a wide range of preconstructed or semi preconstructed word combinations in English The 17 papers of the volume are divided into four sections focusing on particular lexemes e g enjoy and its collocates types of word combinations e g proverbs and similes use related varieties such as the language of tourism or answering machine messages and user related varieties such as Aboriginal English or African English The sections are preceded by a prologue tracing the development of the study of formulaic language and followed by an epilogue which draws together the threads laid out in the various papers The relation between language and culture in general has been explored in a number of important works over the past ten years However the study of the relation between English phraseology and culture in particular has been largely neglected This volume is the first book length publication devoted entirely to this topic **The Whitlam Mob** Mungo

MacCallum, 2014-07-23 We were a motley mob we sans culottes of Canberra In this vastly entertaining book Mungo MacCallum captures the spirit of a nation changing time He portrays the Whitlam government's key figures from Gough and Margaret to Lionel Murphy Bill Hayden and Jim Cairns as well as the other mob in opposition Billy McMahon John Gorton Malcolm Fraser and many more The Whitlam Mob addresses some crucial questions What was the night of the long prawns Who was the playboy of the parliament And who was the toe cutter This is Mungo at his best vivid and barbed nostalgic but always clear eyed **Australian Dictionary of Biography, Volume 19** Melanie Nolan, 2021-03-09 Volume 19 of the

Australian Dictionary of Biography ADB contains concise biographies of individuals who died between 1991 and 1995 The first of two volumes for the 1990s it presents a colourful montage of late twentieth century Australian life containing the biographies of significant and representative Australians The volume is still in the shadow of World War II with servicemen and women who enlisted young appearing but these influences are dimming and there are now increasing numbers of non white non male non privileged and non straight subjects The 680 individuals recorded in volume 19 of the ADB include Wiradjuri midwife and Ngunnawal Elder Violet Bulger Aboriginal rights activist poet playwright and artist Kevin Gilbert and Torres Strait Islander community leader and land rights campaigner Eddie Mabo HIV AIDS child activists Tony Lovegrove and Eve Van Grafhorst have entries as does conductor Stuart Challender the first Australian celebrity to go public about his HIV AIDS condition in 1991 The arts are as always well represented including writers Frank Hardy Mary Durack and Nene Gare actors Frank Thring and Leonard Teale and arts patron Ian Potter We are beginning to see the effects of the steep rise

The Backroom Boys Graeme Sligo, 2013-10-05 The Backroom Boys is the remarkable but little known story of how a varied group of talented intellectuals drafted into the Australian Army in the dark days of 1942 provided high level policy advice to Australia s most senior soldier General Blamey and through him to the Government for the remainder of the war and beyond This band of academics lawyers and New Guinea patrol officers formed a unique military unit the Directorate of Research and Civil Affairs under the command of an eccentric and masterful string puller Alf Conlon The Directorate has been depicted as a haven for underemployed poets or meddlesome soldier politicians Based on wide ranging research this book reveals a fuller and more fascinating picture The fierce conflicts in the wartime bureaucracy between public servants and soldiers in which the Directorate provided critical support to Blamey went to the heart of military command accountability and the profession of arms The Directorate was a pioneer in developing approaches to military government in areas liberated by the combat troops as demonstrated by the Australian Army in New Guinea and Borneo in 1945 46 It is an issue of enduring importance The Directorate established the Australian School of Pacific Administration and had an important role in founding the Australian National University Its influence extended into post war Australia The Backroom Boys emphasises the personality of Colonel Alf Conlon as well as the talented men and women he recruited Above all this book shows how unexpectedly the Australian Army fostered a group of men and women who made a lasting contribution to the development of Australia in the decades after the war **Invading Australia** Peter Stanley, 2008-06-03 1942 was a key

year in Australia's history. As its people had so long feared, White Australia, an outpost of empire, seemed about to be invaded by the Japanese. In that one year, Darwin was bombed, submarines torpedoed ships in Sydney Harbour, and Australian Militiamen died on the Kokoda Trail. Each year, more and more Australians celebrate Anzac Day and honour the lives of those who fought for their country. There is even a push to create a new public holiday in remembrance and celebration of the Battle for Australia. But was there ever really such a battle, and how close did Australia actually come to being invaded? Invading Australia provides a comprehensive, thorough, and well-argued examination of these and other pertinent questions. Peter Stanley writes compellingly about Australian attitudes to Japan before, during, and after World War II, and uses archival sources to discuss Japan's war plans early in 1942. He also shows that rather than a Battle for Australia, there was a worldwide fight for freedom and democracy that has allowed the West to enjoy great prosperity in the decades since 1945.
