James Iredell, North Carolina. Supreme Court

From Drake To Bryant:

Courtship, Marriage and Marriage Breakdown Katie Barclay, Jeffrey Meek, Andrea Thomson, 2019-10-28 This book explores the history of marriage and marriage like relationships across five continents from the seventeenth century to the present day Across fourteen chapters leading marriage scholars examine how the methodologies from the new history of emotions contribute to our understanding of marriage seeking to uncover not only personal feeling but also the political and social implications of emotion They highlight how marriage as an institution has been shaped not just by law and society but also by individual and community choices desires and emotional values Importantly they also emphasize how the history of non traditional and same sex relationships and their emotions have long played an important role in determining the nature of marriage as an institution and emotional union In doing so this collection allows us to rethink both the past and present of marriage destabilizing a story of a stable institution and opening it up as a site of contest debate and feeling **The Story of Bowls** Phil Pilley, 1987-01-01 **Reports of Cases in Equity Argued and Determined in the Supreme Court of North Carolina** James Iredell, North Carolina. Supreme Court, 1843 Cases argued and determined in the Supreme Court of North Carolina *Charity and Sylvia* Rachel Hope Cleves, 2014 Conventional wisdom holds that same sex marriage is a purely modern innovation a concept born of an overtly modern lifestyle that was unheard of in nineteenth century America But as Rachel Hope Cleves demonstrates in this eye opening book same sex marriage is hardly new Born in 1777 Charity Bryant was raised in Massachusetts A brilliant and strong willed woman with a clear attraction for her own sex Charity found herself banished from her family home at age twenty She spent the next decade of her life traveling throughout Massachusetts working as a teacher making intimate female friends and becoming the subject of gossip wherever she lived At age twenty nine still defiantly single Charity visited friends in Weybridge Vermont There she met a pious and studious young woman named Sylvia Drake The two soon became so inseparable that Charity decided to rent rooms in Weybridge In 1809 they moved into their own home together and over the years came to be recognized essentially as a married couple Revered by their community Charity and Sylvia operated a tailor shop employing many local women served as guiding lights within their church and participated in raising their many nieces and nephews Charity and Sylvia is the intimate history of their extraordinary forty four year union Drawing on an array of original documents including diaries letters and poetry Cleves traces their lives in sharp detail Providing an illuminating glimpse into a relationship that turns conventional notions of same sex marriage on their head and reveals early America to be a place both more diverse and more accommodating than modern society might imagine Charity and Sylvia is a significant contribution to our limited knowledge of LGBT history in early America *California. Court of Appeal (3rd Appellate District). Records and Briefs* California (State)., Number of Exhibits 1 Injustice and the Care of Souls, Second Edition Sheryl A. Kujawa-Holbrook, Karen B.

Montagno,2023 Injustice and the Care of Souls Second Edition explores injustices in church and society and their impact on pastoral caregiving The book offers pastoral and spiritual caregivers broader contexts knowledge and skills to respond effectively to marginalized people and to reflect on how their own social locations affect their work American Literature in Transition, 1770-1828 William Huntting Howell,Greta LaFleur,2022-06-23 This volume presents a complex portrait of the United States of America grappling with the trials of national adolescence Topics include but are not limited to the dynamics of language and power the treachery of memory the lived experience of racial and economic inequality the aesthetics of Indigeneity the radical possibilities of disability the fluidity of gender and sexuality the depth and culture making power of literary genre the history of poetics the cult of performance and the hidden costs of foodways Taken together the essays offer a vision of a vibrant contradictory and conflicted early US Republic resistant to consensus accountings and poised to inform new and better origin stories for the polity to come *California Alumni Fortnightly* ,1927
