From Faith to a Miracle Roger Craig, 2002 **From Faith to Faith** Kenneth Copeland, Gloria Copeland, 2012-05-01 Now you can have a word of encouragement a word of inspiration a word of faith every day of the year Written by Kenneth and Gloria Copeland *From Faith to Faith* daily devotional deals with real living From their own experience the Copelands know the fight of faith isn't won overnight It's won little by little in the practical **Reasoning from Faith** Justin Sands, 2018-01-16 An enlightening commentary on Merold Westphal's intricate thought and provokes new questions concerning the original project of his diverse philosophy B Keith Putt editor of *The Future of Continental Philosophy of Religion* Merold Westphal is considered to be one of the preeminent Continental philosophers of religion His articulation of faith as the task of a lifetime has become a touchstone in contemporary debates concerning faith's relationship to reason As Justin Sands explores his philosophy he illuminates how Westphal's concept of faith reveals the pastoral theological intent behind his thinking Sands sees Westphal's philosophy as a powerful articulation of Protestant theology but one that is in ecumenical dialogue with questions concerning apologetics and faith's relationship to ethics and responsibility a more Catholic point of view By bringing out these features in Westphal's philosophy Sands intends to find core philosophical methodologies as well as a passable bridge for philosophers to cross over into theological discourses An engaging and illuminating work William Desmond David Cook Chair in Philosophy Villanova University Professor of Philosophy Institute of Philosophy KU Leuven Belgium A long overdue critical homage to one of the bravest religious thinkers of our generation Richard Kearney Charles B Seelig Chair of Philosophy at Boston College *From Faith to Faith* Gilbert Soo Hoo, 2012-02-10 A most unlikely hero the man born blind in John 9 champions Jesus' cause and triumphs against overwhelming odds Single handedly he disputes with the Pharisees and the Jews first as Jesus' witness and then as his surrogate disputant Throughout the process the man navigates much like the proverbial blindfolded player in the children's game Blindman's Bluff by which he deepens in spiritual perception into Jesus' true identity Set in the dramatic backdrop of a two party juridical controversy between Jesus and his Jewish accusers the man's journey to full faith lights the often treacherous path for us modern readers to traverse as our vision of Jesus clarifies This story offers us hope that no one is too blind to be ennobled and reveal God working in our lives *From Faith to Faith* Dikran Hadidian, 1979-01-01 Contributors Markus Barth Ford Lewis Battles John Bright Walter J Burghardt S J William R Farmer Roland Mushat Frye Donald E Gowan Dikran Y Hadidian J Rowe Hinsey W F Hobbie A M Hunter Halbert M Jones James L Mays Roland E Murphy O Carm Robert S Paul Bo Reicke Dietrich Ritschl Culbert G Rutenber Eduard Schweizer Richard Stauffer Wilhelm Vischer James A Walther H Eberhard von Waldow

had an unmovable and unshakeable faith which through her perseverance she birth a miracle **Behold Your God! and Christianity in Him to be Received by Faith Upon Principles of Reason** John Hodgson (Vicar of St. Peter's, Isle of Thanet.),1866 **Book 6 Biblical Faith PB** Kurt Jurgensmeier,2012-10-28 Faith is a vital topic in Christian theology However the concept is more complex than is assumed John Stott writes One wonders if there is any Christian quality more misunderstood than faith We demonstrate that Scripture uses faith in a variety of ways including saving faith false faith

miracle faith empowering faith and visionary faith Failure to recognize this leads to serious error in both Arminianism and charismaticism Included is an extended section on visionary faith that enables us to step out in courage taking risks to pursue human plans to fulfill God's commands In our defense of the fact that biblical faith must rest on biblical revelation we critique the inclusivism of John Wesley Billy Graham and C S Lewis which claims salvation can be apart from a revelation of the Gospel Finally we demonstrate that the strength of our faith depends on reason and the evidences it perceives and evaluates There is no such thing as a biblical leap of faith apart from reason

The Essence of Christianity Ludwig Feuerbach, 2024-05-09 The Essence of Christianity is widely regarded as one of the most important and influential critiques of religion in modern philosophy In this work Feuerbach argues that the traditional Christian understanding of God is a projection of human nature and that religion is a reflection of human ideals desires and aspirations Schopenhauer and Nietzsche both take their satirical criticism about religion from Feuerbach and every aspect of Marxism can be found here in Marx's favorite Philosopher Feuerbach is a critical figure in the development of not merely Marxism but Materialistic Humanism in general Feuerbach explores the idea that God and religious beliefs are projections of human nature He argues that God embodies aspects of human nature and that religion is a reflection of humanity's self understanding The book is divided into two parts the first addresses the true or anthropological essence of religion discussing how God corresponds to human nature while the second part critiques the false or theological essence of religion challenging traditional religious beliefs as harmful misconceptions Feuerbach's projection theory reframes theology as a mirror of species consciousness wherein divine attributes omnipotence love reflect idealized human capacities Marx extends this logic to political economy arguing capital becomes a similarly reified abstraction dominating its creators The text's split structure descriptive anthropology vs critical theology parallels Kant's distinction between noumenal and phenomenal realms but Feuerbach collapses this duality into materialist monism This rejection of transcendental idealism directly informs Nietzsche's proclamation of the death of God as a humanist awakening

Faith in Jesus and Paul Maureen W. Yeung, 2002 For the hundred years since W Wrede Paulus 1904 made the provocative claim that Paul should rightly be regarded as the second founder of Christianity scholars have debated vigorously on the relationship between Jesus and Paul Past studies on the Jesus Paul debate have largely been confined to either the literary or the theological level This study looks at the issue afresh by combining the historical and the theological approaches The discussion focuses on the issue of faith paying special attention to two groups of Jesus sayings Faith that can remove mountains and Your Faith has healed saved you and Paul's use of Gen 15 6 and Hab 2 4 The distinctive methodology of this study is to compare Jesus and Paul against the backdrops of the Jewish biblical tradition and Hellenistic parallels The picture of the Jesus Paul relationship that emerges is a most complex one To a great extent the similarity between Jesus and Paul is due to their common Jewish heritage The early Church plays a part in influencing Paul's concept of faith and Paul himself reinterprets the Jewish Scriptures in an innovative manner At the same

time Paul is found to be greatly indebted to Jesus for his concept of faith The method of placing Jesus and Paul against the Jewish and Hellenistic backgrounds permits a fuller appreciation of the historical and theological continuities between Jesus and Paul than has hitherto been possible

Reginald Garrigou-Lagrange,2022-05-27 In On Divine Revelation one of Garrigou Lagrange s most significant works here available in English for the very first time he offers a classic treatment of this foundational topic It is an organized and thorough defense of both the rationality and supernaturality of divine revelation He presents a careful yet stimulating account of the scientific character of theology the nature of revelation itself mystery dogma the grace of faith the powers of human reason false interpretations thereof rationalism naturalism agnosticism and pantheism the motives of credibility and much more Though written a century ago On Divine Revelation will restore confidence in theology as a distinct and unified science and return focus to the fundamental questions of the doctrine of revelation It also serves as a salutary corrective to contemporary theology s anthropocentrism and concern with what is relative in revelation and religious experience by reorienting our theological attention to what is most certain central and sure in our knowledge of divine revelation the Triune God who has revealed his inner life and salvific will Readers will see the great splendor of the gift of divine revelation radiant with credibility before the gaze of reason and drawing our supernatural assent to the mysteries through the gift of faith As Fr Cajetan Cuddy O P observes On Divine Revelation is a stunning work of inestimable value No other subsequent work on this topic has come close to meeting it much less surpassing it
