James G. Crossley

From Jewish Prophet To Gentile God:

From Jewish Prophet to Gentile God Maurice Casey,1991-01-01 In *From Jewish Prophet to Gentile God* Maurice Casey suggests a new theory as to why New Testament Christology developed as it did In making his argument Casey pays particular attention to the culture of Jesus and the earliest Christians

From Jewish prophet to gentile God P. Maurice Casey,1991

Understanding Judaism and the Jews in the Gospel of John Nathan Thiel,2024-10-02 Understanding Judaism and the Jews in the Gospel of John Polemic Tradition and Johannine Self Identity reopens the perennial question of the Fourth Gospel s perplexing characterization of the Jews According to the reigning paradigm the Gospel of John witnesses to a community s burgeoning sense of religious distinctiveness Ethnically Jewish believers in Jesus had begun to forge a new identity in contrast to the Jews Nathan Thiel assesses the weaknesses of the prevailing model arguing that the fourth evangelist still saw himself as living and working within the Jewish tradition Yet if the Gospel of John is the literary product of a self consciously Jewish author why would he speak so often and so critically of the Jews Thiel considers the factors which have conditioned the evangelist s choice of terminology the Gospel s setting its intended audience and above all John s indebtedness to Scripture As a first century Jew well versed in Israel s sacred texts the evangelist has modeled his story of Jesus after patterns familiar to him from the Scriptures Scriptures in which Israelite authors consistently portray their ancestors as faithless despite God s powerful work on their behalf John is a relentless critic but such cutting theological assessment had long been part of Israel s counterintuitive way of telling its history

Christian Origins and Hellenistic Judaism Stanley E. Porter,Andrew Pitts,2012-10-23 In *Christian Origins and Hellenistic Judaism* Stanley E Porter and Andrew W Pitts assemble an international team of scholars whose work has focused on reconstructing the social matrix for earliest Christianity through reference to Hellenistic Judaism and its literary forms Each essay moves forward the current understanding of how primitive Christianity situated itself in relation to evolving Greco Roman Jewish culture Some essays focus on configuring the social context for the origins of the Jesus movement and beyond while others assess the literary relation between early Christian and Hellenistic Jewish texts

From Messiah to Preexistent Son Aquila H. I. Lee,2009-08-01 How did the earliest Christians come to see Jesus as a divine and preexistent being alongside God Aquila Lee proposes that the root of preexistent Son Christology is to be found in early Christian exegesis of the two messianic psalms the catalyst in the light of Jesus s self consciousness of divine sonship and divine mission the foundation

How on Earth Did Jesus Become a God? Larry W. Hurtado,2005-11-02 In *How on Earth Did Jesus Become a God* Larry Hurtado investigates the intense devotion to Jesus that emerged with surprising speed after his death Reverence for Jesus among early Christians notes Hurtado included both grand claims about Jesus significance and a pattern of devotional practices that effectively treated him as divine This book argues that whatever one makes of such devotion to Jesus the subject deserves serious historical consideration Mapping out the lively current debate about Jesus Hurtado explains the evidence issues and positions

at stake He goes on to treat the opposition to and severe costs of worshiping Jesus the history of incorporating such devotion into Jewish monotheism and the role of religious experience in Christianity's development out of Judaism The follow up to Hurtado's award winning *Lord Jesus Christ* 2003 this book provides compelling answers to queries about the development of the church's belief in the divinity of Jesus *Saint Paul: An Architect of Christianity?* Dr. Mohammad Mohiuddin Ahmed ,2020-09-07 This book deals with Saint Paul of Tarsus who was a highly learned person He had no personal acquaintance with Jesus Christ He was a great persecutor of Jesus Christ and his followers But on the vision of Jesus Christ on the road to Damascus he became a stronger believer follower preacher and Apostle of Jesus Christ and adapted Jesus's Way of Life However he altered and contradicted most of Moses and Jesus's teachings During his missionary exhortations Saint Paul was hounded by Jews for his controversial views and teachings Rejected by Jews Saint Paul turned his attention towards Gentiles who accepted him as an Apostle of Jesus and adapted his contentious teachings which are questionable and debatable even today **A Journey Round John** Wendy E. S. North,2015-06-18 In *A Journey Round John* Wendy E S North considers a range of themes relevant to the interpretation of the Fourth Gospel First the relationship between the Gospel and 1 John North explores the value of the Epistle as a means of identifying traditional material the evangelist knew on which basis she appeals to 1 John to account for the form of Jesus' prayer in chapter 11 Second John's Christology in which North looks to John's cultural roots in monotheistic Judaism to understand his capacity to align Jesus with God Third the crucial issue of the Jews in John where North clarifies the data by observing a narrative logic in John's use of the expression Fourth North identifies John's anticipated eschatology as a consolation strategy aimed at a readership struggling under life threatening circumstances in the absence of Jesus Finally North looks at John and the Synoptics and demonstrates how evidence drawn from the Gospel itself can serve to indicate whether or not John composed directly on the basis of the Synoptic record This collection draws together a number of ground breaking studies from over thirty years of work on the Fourth Gospel presenting a coherent development of thought on this crucial Christian text **Making the Gospels** Paul W. Barnett,2019-05-23 The Gospels are the most important texts of the Bible because they tell the story about Jesus who he was and what he achieved If we did not have the Gospels the prophecies about the Messiah in the Old Testament would be left hanging and the passing references in the apostles' letters would leave us baffled about the identity of this mysterious figure Jesus During the past several hundred years some scholars have implied that key figures from the first century had conspired to present a Jesus who was different from Jesus as he really was Paul Mark and the editor of the so called Q document The real Jesus it is claimed was not a redeemer but a charismatic rabbi or prophet Paul Barnett engages with key advocates of a deconstructed Jesus by attempting to work out historically just how the Gospels came to be written As a result of this inquiry a cogent picture emerges that explains many of the who the when and the why questions about the writing of the Gospels Inevitably however because of our distance from that era there are many details missing and many details that remain a

mystery But mystery does not imply conspiracy

The New Testament and Jewish Law: A Guide for the Perplexed James G. Crossley, 2010-09-23

The Name and Way of the Lord Carl Judson Davis, 1996-03-01 This book discusses the first century implications of applying Old Testament texts about the divine to Jesus It summarizes recent views on the significance of this practice It then collects pre Christian and first century Jewish parallels and notices that most centre on the angel wisdom glory and word of the Lord although application to non divine figures also occurs The evidence is that some Christians in the 50s worked with a redefinition of monotheism in which they included the Father and Jesus Such a view explains the New Testament salvation historical perspective in regard to the Old Testament belief on the theophany of God and the belief in God as the object of invocation

Judaism, Jewish Identities and the Gospel Tradition James G. Crossley, 2016-04-08 Contemporary Gospel studies have recently taken increasing interest in the Jewish context of Jesus and the gospels Judaism Jewish Identities and the Gospel Tradition offers an overview of the ways in which Judaism is used in the canonical gospels and how this relates to the idea of a Jewish Jesus The essays bring together a range of influential scholars to analyse the role of Judaism in gospel studies The book explores constructions of gender the impact of the historical Jesus and the significant steps toward Christian distinctiveness made in the gospel of John The essays cover a range of biblical texts from the Lord s Prayer to Mark s Christology and the Gerasene Demoniac to themes of poverty in Luke

Lord Jesus Christ Larry W. Hurtado, 2005-09-14 This outstanding book provides an in depth historical study of the place of Jesus in the religious life beliefs and worship of Christians from the beginnings of the Christian movement down to the late second century Lord Jesus Christ is a monumental work on earliest Christian devotion to Jesus sure to replace Wilhelm Bousset s Kyrios Christos 1913 as the standard work on the subject Larry Hurtado widely respected for his previous contributions to the study of the New Testament and Christian origins offers the best view to date of how the first Christians saw and revered Jesus as divine In assembling this compelling picture Hurtado draws on a wide body of ancient sources from Scripture and the writings of such figures as Ignatius of Antioch and Justin to apocryphal texts such as the Gospel of Thomas and the Gospel of Truth Hurtado considers such themes as early beliefs about Jesus divine status and significance but he also explores telling devotional practices of the time including prayer and worship the use of Jesus name in exorcism baptism and healing ritual invocation of Jesus as Lord martyrdom and lesser known phenomena such as prayer postures and the curious scribal practice known today as the nomina sacra The revealing portrait that emerges from Hurtado s comprehensive study yields definitive answers to questions like these How important was this formative period to later Christian tradition When did the divinization of Jesus first occur Was early Christianity influenced by neighboring religions How did the idea of Jesus divinity change old views of God And why did the powerful dynamics of early beliefs and practices encourage people to make the costly move of becoming a Christian Boasting an unprecedented breadth and depth of coverage the book speaks authoritatively on everything from early Christian history to themes in biblical studies to New Testament Christology Hurtado

s Lord Jesus Christ is at once significant enough that a wide range of scholars will want to read it and accessible enough that general readers interested at all in Christian origins will also profit greatly from it The Jewish Roots of Christological Monotheism Newman, James Davila, Lewis, 2021-10-25 Although there are many studies of second Temple Judaism in general and of Christianity's relationship with Judaism in particular there has not been a sustained and comprehensive investigation of the way in which Christ devotion in the first two centuries of the common era represents a manifestation of Jewish monotheism This volume fills this gap in four distinctive ways 1 by re-examining the theological force of monotheism during the Second Temple period 2 by retracing the historical steps of Christianity's adaptation mutation re-definition of Jewish monotheism 3 by exploring and debating the influence of non-Jewish traditions on this process and 4 by mapping the ways in which Christianity's unique appropriation of Jewish monotheism helps explain the intriguing relationships among emerging Christian Jewish and Gnostic communities In particular the eighteen essays demonstrate how the creation mythic of narratives the revelatory power of mystical experiences and the sociology of community formation capitalized on the Jewish meditative tradition to encourage and legitimate the Christian praxis of Christ devotion *The Image of the Jew in Flavius Josephus' Paraphrase of the Bible* Paul Spilsbury, 1998 **God's Judgment through the Davidic Messiah** Myongil Kim, 2020-10-02 This dissertation examines the role of the Davidic Messiah who is the agent of God's judgment in Romans 1 18 4 25 It may be summarized in two theses First of all the Davidic Messiah was expected in the Old Testament and the Second Temple Jewish writings which establish the foundation for Paul's Davidic Messiah Christology in Romans Second the language in the role of the agent of God's judgment cannot be identified with the term faithfulness *Anti-Judaism and the Fourth Gospel* Reimund Bieringer, Vandecasteele-Vanneuville, Didier Pollefeyt, 2021-11-15 Series Jewish and Christian Heritage 1 Is the Gospel of John anti-Jewish What would this mean in the context of the original writer of his community the final text and its first readers Who precisely are the Ioudaioi who are so scathingly criticized in the Gospel Judeans perhaps or some other more specific group than the Jewish nation as a whole What are the implications for New Testament study and for Christian theology in the light of the troubled history of relations between Judaism and Christianity The papers in this volume were presented at the special international colloquium held in January 2000 in Leuven Belgium which was convened to assemble the world's leading experts on John's Gospel and issues of anti-Judaism for a thorough assessment of the state of the question The result is a fascinating panorama of the issues and of current approaches to them and an extremely valuable resource for further work on anti-Judaism in the Christian tradition Contents 1 Wrestling with Johannine Anti-Judaism A Hermeneutical Framework for the Analysis of the Current Debate Reimund Bieringer Didier Pollefeyt Frederique Vandecasteele Vanneuville 2 The Embarrassment of History Reflections on the Problem of Anti-Judaism in the Fourth Gospel James D G Dunn 3 Anti-Judaism in the Fourth Gospel as a Theological Problem for Christian Interpreters R Alan Culpepper 4 The Fourth Gospel and the Salvation of Israel An Appeal for a New Start Stephen Motyer 5 Anti-Judaism in Revelation A

The Humility and Glory of the Lamb Jeffrey R. Dickson, 2018-09-13 Although the Apostle John endorses Lamb twenty nine times in his Apocalypse and employs a term that is used only one other time in the New Testament to this end this unique title and its sophisticated christological implications has only received cursory attention both historically and more recently Even then incomplete monochromatic interpretations of the unique verbiage John employs to describe Christ are reached After identifying this clearing that exists in the christological forest this book reaches a robust understanding of Revelation s Lamb by means of a contextual grammatical canonical historical hermeneutic Ultimately this monograph concludes that the apostle s use of Lamb throughout his Apocalypse promotes a multifaceted christological presentation of John s protagonist that is dependent on the paradoxical theme of glory in humility a theme that is introduced when the Lamb first emerges in Revelation 5 and is then reiterated every time the title is used thereafter In so doing this work offers students and scholars alike a better understanding of who is coming in the end and what this means for the church at present

Early Christian and Jewish Monotheism Loren T. Stuckenbruck, Wendy E. Sproston North, 2004-05-27 Early Christology must focus not simply on historical but also on theological ideas found in contemporary Jewish thought and practice In this book a range of distinguished contributors considers the context and formation of early Jewish and Christian devotion to God alone the emergence of monotheism The idea of monotheism is critically examined from various perspectives including the history of

ideas Graeco Roman religions early Jewish mediator figures scripture exegesis and the history of its use as a theological category The studies explore different ways of conceiving of early Christian monotheism today asking whether monotheism is a conceptually useful category whether it may be applied cautiously and with qualifications or whether it is to be questioned in favor of different approaches to understanding the origins of Jewish and Christian beliefs and worship This is volume 1 in the Early Christianity in Context series and volume 263 in the Journal for the Study of the New Testament Supplement Series

The God of the Gospel of John Marianne Meye Thompson, 2001-10-09 While there are numerous studies of God in the Old Testament the concept of God has largely been ignored as a subject of inquiry in contemporary New Testament theology As this superb work by Marianne Meye Thompson shows however an understanding of the identity of God is central to the New Testament particularly to the Gospel of John Thompson here offers the first comprehensive study of the concept of God in John s Gospel She shows that one must first grasp the importance of God to John before one can properly appreciate the Gospel s Christology and overarching message By arguing that John is rightly understood to be a theocentric work Thompson challenges the prevailing theory that John is primarily concerned with Christology While Thompson uses traditional historical and exegetical approaches to the New Testament and ancient sources her study is mainly theological in scope She asks how John portrays God and how after reading the Gospel we ought to speak of the identity of God Unlike many recent studies of John this one does not try to reconstruct the history behind the text but rather tries to fully illumine the theological content of John s message A seminal study with lasting implications for New Testament theology The God of the Gospel of John will become a standard text for students of the New Testament
