Publisher's description

Screen Jessica Helfand, 2001-09 An entertaining and insightful guide to the world of design

By Its Cover Ned Drew, Paul Sternberg, 2005-08-11 We all know we're not supposed to judge books by their covers but

the truth is that we do just that nearly every time we walk into a bookstore or pull a book off a tightly packed shelf It's really not something we should be ashamed about for it reinforces something we sincerely believe design matters At its best book cover design is an art that transcends the publisher's commercial imperative to reflect both an author's ideas and contemporary cultural values in a vital intelligent and beautiful way In this groundbreaking and lavishly illustrated history authors Ned Drew and Paul Sternberger establish American book cover design as a tradition of sophisticated visual excellence that has put shape to our literary landscape By Its Cover traces the story of the American book cover from its inception as a means of utilitarian protection for the book to its current status as an elaborately produced form of communication art It is at once the intertwined story of American graphic design and American literature and features the work of such legendary figures as Rockwell Kent E McKnight Kauffer Paul Rand Alvin Lustig Rudy deHarak and Roy Kuhlman along with more recent and contemporary innovators including Push Pin Studios Chermayeff Geismar Karen Goldberg Chip Kidd and John Gall

Paul Rand Michael Kroeger, 2012-08-10 As one of the most influential and inspirational graphic designers of the twentieth century Paul Rand defined modern American graphic design His iconic logo designs for IBM UPS and the ABC television network distilled the essences of modernity for his corporate patrons His body of work includes advertising poster magazine and book designs characterized by simplicity and a wit uniquely his own His ability to discuss design with insight and humor made him one of the most revered design educators of our time This latest volume of the popular Conversations with Students series presents Rand's last interview recorded at Arizona State University one year before his death in 1996 Beginners and seasoned design professionals alike will be informed by Rand's words and thoughts on varied topics ranging from design philosophy to design education

Bauhaus, Modernism and the Illustrated Book Alan Bartram, Amy Ellis, Maureen Miesmer, 2004-01-01 A stimulating survey of how the Bauhaus and the modernist revolution have shaped graphic design This lively and authoritative book explores the influence of the Bauhaus and modernism on typography and book design Distinguished book designer and author Alan Bartram examines work by such key figures as Max Bill F T Marinetti El Lissitzky Laszlo Moholy Nagy Jan Tschichold and Paul Rand All of the carefully chosen examples some of which have not been previously reproduced clearly demonstrate the modernist revolution that took place in graphic design In an informative introductory essay Bartram surveys the German art and design school known as the Bauhaus Under Walter Gropius the Bauhaus intended to create an academic theoretical and practical synthesis of all forms of visual expression a marrying of art architecture industry and design that had never been attempted before Although the Bauhaus existed for only fourteen years from 1920 to 1934 Bartram asserts that its philosophy influenced the appearance of almost every kind of modernist artifact throughout the twentieth century and continues to do so today Engagingly written and handsomely illustrated this volume is a valuable resource for designers and book lovers everywhere

Print, 1996-05

Goodbye Gutenberg Valerie Kirschenbaum, 2005 This book takes you on a journey where no writer has ever taken you

before Author Valerie Kirschenbaum not only dreams of a Renaissance the likes of which the world has never seen she gives you the actual blueprint In warm and intimate prose she shows you how and why we will experience this Renaissance in our lifetime Responding to the recent National Endowment for the Arts survey which documented a precipitous 20 year decline in America s reading habits she presents an electrifying new solution for captivating a generation of readers reared on television movies and music videos With 860 gorgeous full colour images from ancient Egypt Greece Rome Maya India China Japan Tibet and medieval Europe many never seen by an American audience Kirschenbaum provides what world renowned graphic designer Milton Glaser described as the visual history of the universe and its relationship to writing She combines the breathtaking beauty of illuminated manuscripts with today s latest technologies to create a scintillating multisensory experience

Graphic Design and Religion Daniel Kantor,2008-09 **Graphic Design and Religion** by Daniel Kantor challenges the way we look at the role of graphic design within a religious context The beautiful and abundant illustrations coupled with the passionately written text transcend the mere visual aspect of symbols and graphic design elevating them to a spiritual way of seeing It is an ideal resource for design students teachers photographers illustrators copywriters clergy worship and environment planners and sacred art enthusiasts This vital work can help designers discover their role in the creation of sacred art One way in which Kantor accomplishes this is to draw a comparison between the illuminators of the Middle Ages with modern day graphic designers who serve religion today Kantor stresses the need for a heightened awareness of graphic design within religion and demonstrates how good design must be seen as an essential component of authentic religious hospitality

From Lascaux To Brooklyn Introduction

In today's digital age, the availability of From Lascaux To Brooklyn books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of From Lascaux To Brooklyn books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of From Lascaux To Brooklyn books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing From Lascaux To Brooklyn versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, From Lascaux To Brooklyn books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing From Lascaux To Brooklyn books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for From Lascaux To Brooklyn books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of

Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, From Lascaux To Brooklyn books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
