From My Kitchen Window

John Amerson

From My Kitchen Window:

From My Kitchen Window Marjorie Quandt Goodwin, 2004 Goodwin takes readers along on the exciting adventures of two middle aged missionaries in New Guinea and Thailand Investigation of the Assassination of Martin Luther King, Jr United States. Congress. House. Select Committee on Assassinations, 1979 *I Want Shoes That Fit and Grape Jelly* Margie Tullos, 2022-02-03 Margie has been writing in her mind for most of her life You could say she has been telling stories in her mind She talks through situation arguments and various other scenarios in her mind She mentioned to a friend that she wanted to write The friend s question made her withdraw She asked her Do you have something to say She thought Who am I to have anything to say I am not a scholar I have not done anything outstanding I guess I have nothing to say Little did she know that there is a lot to share Sometimes people need to know that someone has lived through the same problems and came out okay She said the situation doesn t have to be huge to be important to the individual Little things can be very helpful too Also humor goes a long way After writing her first story she decided to share it with a friend Her friend laughed and told her she could almost see the story being played out She told her that she should get it published She thought no one would want to publish just a short story However they might consider a group of stories So the quest began All of the stories are about real people with real lives Some are simply observations by Margie a real person **Where is the Nightglow?** Paul Klinger, 2025-06-19 This is the third poetry anthology by Paul Klinger As with the previous books each chapter starts with one of the author s paintings relevant to a poem title With a portfolio of almost eight hundred paintings to date there were plenty to choose from **Where the Truth Lies** Adeanna Chandler, 2015-04-17 Sam receives a call from an old childhood friend requesting she return to her childhood home to help finally put to rest a mystery which had plagued her small group of friends The return home pulls Sam back into childhood memories and nightmares she wishes she could forget Her memories pull her back to when she was thirteen fourteen fifteen and finally sixteen before she can finally figure out who she is and how shes supposed to move forward from where she is now **An Uncharted Journey** Dr. Stephen Zemanek, 2016-10-11 Life is an uncharted journey for each of us Regardless of how much we plan how hard we strategize and how strenuously we save life will always be a series of unplanned events These unexpected experiences make up our lives Learning to navigate through the uncharted territories of life allows us to leave bitterness emptiness and hopelessness behind It also allows us to live each moment of life s ups and downs fully It is my hope that as you read this collection of short thoughts on life s uncharted journey you will discover the joy peace and purpose for which you were created We only have one life before we each pass into life after death Wasting it would be a tragedy of the greatest order *He Said* John Amerson, 2018-08-22 He said Long before Earth and the stars that you see in the night sky were created there were thousands upon thousands of planets throughout the universe supporting life The inhabitants of the planets live in peace The gods were pleased Yes I said the gods not one not just your god but all the gods Even back then no one knew how many there

were how they came to be or where they came from Some of the inhabited planets were only a few million miles apart As the inhabitants of the planets began to venture out into space they encountered other races and cultures Wars broke out And soon the whole universe was filled with warring planets determined to conquer one another The gods became angry Mankind had become a disappointment The gods decided to put an end to all the violence Your scientists got the big bang theory practically right It wasn't the creation of the universe It was the destruction of the universe Earth and what you see in the night sky is the aftermath the rubble you might say of a universe that had been home to thousands upon thousands of inhabited planets

Kittens Under My Kitchen Sink Ivan Reynolds,2016-01-29 This is a short chronicle of a home invasion In the small town I live in in the United Arab Emirates there are many feral cats surviving under some extremely tough conditions This is the story of a female cat we shall call her Mommy who moved into our home in the heat of summer and made herself comfortable on and behind the couch in the foyer We found it somewhat endearing and left her too her own devices Our dog Pluto did not find this so endearing and many an argument was had between him and Mommy The door to the porch remains open permanently to allow Pluto access to the garden whenever he wishes or needs to go outside

Much to our amazement we came into the kitchen one morning to find that Mommy had climbed in through a small gap at the back of the kitchen cupboard and had three cute little kitten under the kitchen sink This book chronicles in photos their story Regrettably some of the photos are not the best quality as all the photos are taken on mobile phone camera I hope that you and your children find this story as interesting as we did *Blue Butterflies* Sharon O'Shea,2013-11-18 Blue Butterflies is a collection of true accounts of miracles mercies mysteries and lessons learned The essays are based on true life experiences presented as creative nonfiction The names of persons and places have been changed while preserving the essence of the experiences Blue Butterflies is the second in a four part series **I Saw What I Saw** Tony Garritano,2021-12-03 Crime blogger Sheila Sammartino witnesses a murder but the police disagree Sheila knows better and to prove it she will solve this herself not just write about it The small town of Harmony s number one Internet sensation is crime reporter turned blogger Sheila Sammartino Inquisitive self conscious and often clumsy in an oddly endearing way everything is going great for Sheila until she stumbles into a murder mystery and not as a reporter She witnesses a newcomer to the neighborhood Arthur Jones murdered in the alley next to Harry s Bagel Shop The police are quick to call it a mugging gone wrong but Sheila saw what she saw With the help of her outspoken former college roommate and her classically handsome new next door neighbor this trio take it upon themselves to get all the answers the police refuse to look for Who was Arthur Jones after all And who would want to kill him Not everything is in harmony in the charming town of Harmony Former crime reporter Sheila Sammaritino loves asking questions and getting the details of every story When she witnesses a murder she becomes part of an uncomfortable story about finding justice and restoring harmony to Harmony A fast paced mystery with humor and heart a great first novel by Tony Garritano Mary E Koppel popular author of the Denise Reed Mystery Series A playfully cynical breezy treatment of murder intrigue and collaboration by friends to overcome police indifference A page turner written in a consistent and comfortably enjoyable style P J Cuccolo author of LIMULUS and The Shirt Wearer **The Red Cross Magazine** ,1920
