

People say I'm the life of the party
'Cause I tell a joke or two
Although I might be laughing loud and hearty
Deep inside I'm blue

So take a good look at my face
You'll see my smile looks out of place
If you look closer, it's easy to trace
The tracks of my tears

Gendered Politics in the Modern South Keira V. Williams, 2012-11-05 In the fall of 1994 Susan Smith a young mother from Union South Carolina reported that an African American male carjacker had kidnapped her two children The news sparked a multi state investigation and evoked nationwide sympathy Nine days later she confessed to drowning the boys in a nearby lake and that sympathy quickly turned to outrage Smith became the topic of thousands of articles news segments and media broadcasts overshadowing the coverage of midterm elections and the O J Simpson trial The notoriety of her case was more than tabloid fare however her story tapped into a cultural debate about gender and politics at a crucial moment in American history In *Gendered Politics in the Modern South* Keira V Williams uses the Susan Smith case to analyze the new sexism found in the agenda of the budding neoconservatism movement of the 1990s She notes that in the weeks after Smith s confession soon to be Speaker of the

House Newt Gingrich made statements linking Smith's behavior to the 1960s counterculture movement and to Lyndon Johnson's Great Society social welfare programs. At the same time various magazines declared the death of feminism and a crisis in masculinity as the assault on liberal social causes gained momentum. In response to this perceived crisis Williams argues a distinct code of gender discrimination developed that sought to reassert a traditional form of white male power. In addition to consulting a wide variety of sources including letters from Smith written since her incarceration Williams contextualizes the infamous case within the history of gender politics over the last quarter of the twentieth century. She reveals how the rhetoric imagery and legal treatment of infanticidal mothers changed and asserts that the latest shift reflects the evolution of a neoconservative politics.

La Follette's Weekly Magazine, 1909 **The Expository Times** James Hastings, Ann Wilson Hastings, Edward Hastings, 1924 Writing African American Women Elizabeth A. Beaulieu, 2006-04-30

Women have had a complex experience in African American culture. The first work of its kind this encyclopedia approaches African American literature from a Women's Studies perspective. While Yolanda Williams Page's *Encyclopedia of African American Women Writers* provides biographical entries on more than 150 literary figures this book is much broader in scope. Included are several hundred alphabetically arranged entries on African American women writers as well as on male writers who have treated women in their works. Entries on genres periods themes characters historical events texts places and other topics are included as well. Each entry is written by an expert contributor and relates its subject to the overall experience of women in African American literature. Entries cite works for further reading and the encyclopedia closes with a selected general bibliography. African American culture is enormously diverse and the experience of women in African American society is especially complex.
