Edited by  
Samuel N. C. Lieu and  
Dominic Montserrat

# From Constantine To Julian A Source History

**Manolis Papoutsakis**

## **From Constantine To Julian A Source History:**

*From Constantine to Julian: Pagan and Byzantine Views* Samuel Lieu, Dominic Montserrat, 2002-11 Provides students with important source material covering an age of major transition in Europe the establishment of Rome as a Christian empire Most of the material was previously unavailable in English

**From Constantine to Julian ;a Source History** Samuel N. C. Lieu, Dominic Montserrat, 1996 *Cambridge History of Christianity: Volume 1, Origins to Constantine* Margaret M. Mitchell, Frances M. Young, K. Scott Bowie,

**Remembering Constantine at the Milvian Bridge** Raymond Van Dam, 2011-04-29 Constantine's victory in 312 at the battle of the Milvian Bridge established his rule as the first Christian emperor This book examines the creation and dissemination of the legends about that battle and its significance Christian histories panegyrics and an honorific arch at Rome soon commemorated his victory and the emperor himself contributed to the myth by describing his vision of a cross in the sky before the battle Through meticulous research into the late Roman narratives and the medieval and Byzantine legends this book moves beyond a strictly religious perspective by emphasizing the conflicts about the periphery of the Roman empire the nature of emperorship and the role of Rome as a capital city Throughout late antiquity and the medieval period memories of Constantine's victory served as a powerful paradigm for understanding rulership in a Christian society

*A History of the Later Roman Empire, AD 284-700* Stephen Mitchell, Geoffrey Greatrex, 2023-05-25 A sweeping historical account of the Later Roman Empire incorporating the latest scholarly research In the newly revised 3rd edition of *A History of the Later Roman Empire 284 700* distinguished historians Geoffrey Greatrex and Stephen Mitchell deliver a thoroughly up to date discussion of the Later Roman Empire It includes tables of information numerous illustrations maps and chronological overviews As the only single volume covering Late Antiquity and the early Islamic period the book is designed as a comprehensive historical handbook covering the entire span between the Roman Empire to the Islamic conquests The third edition is a significant expansion of the second edition published in 2015 and includes two new chapters covering the seventh century The rest of the work has been updated and revised providing readers with a sweeping historical survey of the struggles triumphs and disasters of the Roman Empire from the accession of the emperor Diocletian in AD 284 to the closing years of the seventh century It also offers A thorough description of the massive political and military transformations in Rome's western and eastern empires Comprehensive explorations of the latest research on the Later Roman Empire Practical discussions of the tumultuous period ushered in by the Arab conquests Extensive updates revisions and corrections of the second edition Perfect for undergraduate and postgraduate students of ancient medieval early European and Near Eastern history *A History of the Later Roman Empire 284 700* will also benefit lay readers with an interest in the relevant historical period and students taking a survey course involving the late Roman Empire

**Transformations of Late Antiquity** Manolis Papoutsakis, 2016-12-05 This book focuses on a simple dynamic the taking in hand of a heritage the variety of changes induced within it and the handing on of

that legacy to new generations Our contributors suggest from different standpoints that this dynamic represented the essence of late antiquity As Roman society and the societies by which it was immediately bounded continued to develop through to the late sixth and early seventh centuries the interplay between what needed to be treasured and what needed to be explored became increasingly self conscious versatile and enriched By the time formerly alien peoples had established their post classical polities and Islam began to stir in the East the novelties were more clearly seen if not always welcomed and one witnesses a stronger will to maintain the momentum of change of a forward reach At the same time those in a position to play now the role of heirs were well able to appreciate how suited to their needs the Roman past might be but how by taking it up in their turn they were more securely defined and yet more creatively advantaged Transformation is a notion apposite to essays in honour of Peter Brown The transformation of the classical heritage is a theme to which he has devoted and continues to devote much energy All the essays here in some way explore this notion of transformation the late antique ability to turn the past to new uses and to set its wealth of principle and insight to work in new settings To begin there is the very notion of what it meant to be Roman and how that notion changed Subsequent chapters suggest ways in which fundamental characteristics of Roman society were given new form not least under the impact of a Christian polity Augustine naturally finds his place and here the emphasis is on the unfettered stance that he took in the face of more broadly held convictions on miracles for example and the errors of the pagan past The discussion then moves on to New Rome Paul Stephenson, 2022-02-08 Modern states have ever looked to antiquity for lessons coveting Rome's power and fearing its decline So why did Rome collapse Scientific study is providing novel answers Placing texts and artifacts alongside evidence from ice cores and ancient DNA Paul Stephenson shows the key roles of environmental disaster and pandemics in the fall of Rome *Byzantium to China: Religion, History and Culture on the Silk Roads*, 2022-07-18 This collection of papers reflects the interests and influence of Samuel N C Lieu on scholars and students during his academic career It demonstrates not only the importance of his work on Manichaeism but his broader intellectual contribution to early Christian Roman Byzantine and comparative historical studies His impact on Manichaean studies has been unparalleled resulting in several prestigious book series devoted to the linguistic and historical study of Mani and his religion It is largely thanks to his enterprise that scholars now have access to an extensive library of texts and images unavailable to earlier researchers The volume honours the life and work of a remarkable scholar of international renown **Byzantine Readings of Ancient Historians** Anthony Kaldellis, 2015-03-05 The survival of ancient Greek historiography is largely due to its preservation by Byzantine copyists and scholars This process entailed selection adaptation and commentary which shaped the corpus of Greek historiography in its transmission By investigating those choices Kaldellis enables a better understanding of the reception and survival of Greek historical writing *Byzantine Readings of Ancient Historians* includes translations of texts written by Byzantines on specific ancient historians Each translated text is accompanied by an introduction and notes to highlight the specific context and

purpose of its composition In order to present a rounded picture of the reception of Greek historiography in Byzantium a wide range of genres have been considered such as poems and epigrams essays personalized scholia and commentaries Byzantine Readings of Ancient Historians is therefore an important resource for scholars and students of ancient history

*Public Space in the Late Antique City (2 vols.)* Luke Lavan, 2021-01-11 This book investigates the nature of public space in Mediterranean cities A D 284 650 meaning places where it was impossible to avoid meeting people from all parts of society whether different religious confessions or social groups The first volume considers the architectural form and everyday functions of streets fora agorai market buildings and shops including a study of processions and everyday street life The second volume analyses archaeological evidence for the construction repair use and abandonment of these urban spaces based on standardised principles of phasing and dating The conclusions provide insights into the urban environment of Constantinople an assessment of urban institutions and citizenship and a consideration of the impact of Christianity on civic life at this time

**Religion and War from Antiquity to Early Modernity** Irene Polinskaya, Alan James, Ioannis Papadogiannakis, 2024-11-28 Responding to the profound challenges of our times this book provides a comparative and cross cultural exploration of the role of religion in war in a long historical perspective from the second millennium BCE and even earlier up to early modernity Individual chapters focus on the ancient Near East the Mediterranean basin Europe and North Africa Widely diverse case studies explore the historic link between the conduct of war and the growing complexity of human society conditioned by the ownership of ideological authority The book explores how in most historical societies this authority was religious Written by experts from different disciplinary perspectives the volume challenges common assumptions about the historical relationship between religion and war and extends our understanding of the dangers and complexities of today's world

**Early Medieval Europe, 300-1000** Roger Collins, 2017-09-16 In this classic textbook history of early medieval Europe Roger Collins provides a succinct account of the centuries during which Europe changed from being an abstract geographical expression to a new culturally coherent if politically divided entity This comprehensive new edition explores key topics such as the fall of the Roman Empire the rise of both Christianity and Islam the Vikings and the expansion of Latin Christian culture into eastern Europe Clear and insightful this is an invaluable guide to an important era in the history of both Europe and the wider world This is an ideal companion for students of History or European Studies taking modules on Early Medieval Europe or Europe in Late Antiquity In addition this is a useful reference work for postgraduate students scholars and teachers of early medieval Europe New to this Edition Fully updated augmented and revised to take account of the latest scholarship and research on all aspects of the period it covers Greater emphasis given to social and economic considerations the peripheries of Europe the rise and impact of Islam art architecture books and the spread of learning Extensively rewritten to make it more accessible for students

*Helena of Britain in Medieval Legend* Antonina Harbus, 2002 St Helena mother of Constantine the Great and legendary finder of the True Cross was appropriated in the

middle ages as a British saint The rise and persistence of this legend harnessed Helena's imperial and sacred status to portray her as a romance heroine source of national pride and a legitimising link to imperial Rome This study is the first to examine the origins development political exploitation and decline of this legend tracing its momentum and adaptive power from Anglo Saxon England to the twentieth century Using Latin English and Welsh texts as well as church dedications and visual arts the author examines the positive effect of the British legend on the cult of St Helena and the reasons for its wide appeal and durability in both secular and religious contexts Two previously unpublished vitae of St Helena are included in the volume a Middle English verse vita from the South English Legendary and a Latin prose vita by the twelfth century hagiographer Jocelin of Furness Antonina Harbus is Professor in the Department of English at Macquarie University Sydney Australia

***Making Christian History*** Michael Hollerich, 2021-06-22 Known as the Father of Church History Eusebius was bishop of Caesarea in Palestine and the leading Christian scholar of his day His Ecclesiastical History is an irreplaceable chronicle of Christianity's early development from its origin in Judaism through two and a half centuries of illegality and occasional persecution to a new era of tolerance and favor under the Emperor Constantine In this book Michael J Hollerich recovers the reception of this text across time As he shows Eusebius adapted classical historical writing for a new nation the Christians with a distinctive theopolitical vision Eusebius's text left its mark on Christian historical writing from late antiquity to the early modern period across linguistic cultural political and religious boundaries until its encounter with modern historicism and postmodernism Making Christian History demonstrates Eusebius's vast influence throughout history not simply in shaping Christian culture but also when falling under scrutiny as that culture has been reevaluated reformed and resisted over the past 1700 years

***War in Late Antiquity*** A. D. Lee, 2009-02-09 The first book to focus on the social impact of warfare and the Roman army in Late Antiquity Explores the implications of war and the army in a broad range of areas encompassing politics the economy and social life Pays particular attention to the experience of war from the perspective of non combatants Investigates the religious dimension of military life and the role of the army in implementing religious policy Approaches familiar subjects from new perspectives offering novel insights into the many facets of late Roman history

***Emperors and Usurpers in the Later Roman Empire*** Adraos Omissi, 2018-06-28 One of the great maxims of history is that it is written by the victors and nowhere does this find greater support than in the later Roman Empire Between 284 and 395 AD no fewer than 37 men claimed imperial power though today we recognize barely half of these men as legitimate rulers and more than two thirds died at their subjects hands Once established in power a new ruler needed to publicly legitimate himself and to discredit his predecessor overt criticism of the new regime became high treason with historians suppressing their accounts for fear of reprisals and the very names of defeated emperors chiselled from public inscriptions and deleted from official records In a period of such chaos how can we ever hope to record in any fair or objective way the history of the Roman state Emperors and Usurpers in the Later Roman Empire is the first history of civil

war in the later Roman Empire to be written in English and aims to address this question by focusing on the various ways in which successive imperial dynasties attempted to legitimate themselves and to counter the threat of almost perpetual internal challenge to their rule Panegyric in particular emerges as a crucial tool for understanding the rapidly changing political world of the third and fourth centuries providing direct evidence of how in the wake of civil wars emperors attempted to publish their legitimacy and to delegitimize their enemies The ceremony and oratory surrounding imperial courts too was of great significance used aggressively to dramatize and constantly recall the events of recent civil wars the narratives produced by the court in this context also went on to have enormous influence on the messages and narratives found within contemporary historical texts In its exploration of the ways in which successive imperial courts sought to communicate with their subjects this volume offers a thoroughly original reworking of late Roman domestic politics and demonstrates not only how history could be erased rewritten and repurposed but also how civil war and indeed usurpation became endemic to the later Empire

**The Cambridge Companion to the Age of Constantine** Noel Emmanuel Lenski, 2012 This volume presents a comprehensive survey of Emperor Constantine and his times It examines political history religion social and economic history art and foreign relations as well as the intimate interplay between emperor and empire

**Armenia between Byzantium and the Orient**, 2019-12-09 This volume commemorating the late Armenian scholar Karen Yuzbashyan comprises studies of mediaeval Armenian culture including the reception of biblical and parabiblical texts theological literature liturgy hagiography manuscript studies Church history and secular history and Christian art and material culture Special attention is paid to early Christian and late Jewish texts and traditions preserved in documents written in Armenian Several contributions focus on the interactions of Armenia with other cultures both within and outside the Byzantine Commonwealth Greek Georgian Syriac Coptic Ethiopic and Iranian Select contributions may serve as initial reference works for their respective topics the catalogue of Armenian khachkars in the diaspora and the list of Armenian Catholicos in Tzovk

*From the Later Roman Empire to Late Antiquity and Beyond* Averil Cameron, 2023-05-23 Averil Cameron is one of the leading historians of late antiquity and Byzantium This collection Cameron's third in the Variorum series discusses the changing approach among historians of the later Roman empire from the 1960s to the present and the articles reproduced have been chosen to reflect both these wider changes in treatments of the subject as well as Cameron's own development as a historian over many decades It provides a revealing and important survey of some profound historiographical changes Her volume contains fundamental papers and reviews that tell a story in which she has played a leading part They move from her early days as an ancient historian to her important contribution in the establishment of the field of late antiquity and point to her later work as a Byzantinist a trajectory rivalled by few other scholars The book will be important for scholars and students of the later Roman empire and late antiquity and for anyone interested in the inheritance of Edward Gibbon the perennial questions about the end of the Roman empire and its supposed decline or the emergence of

Islam in the early seventh century and its relation to the late antique world CS 1113      The Reign of Constantine, 306-337  
Stanislav Doležal, 2022-05-03 This book explores the reign of Constantine the Great 306 337 and more generally the political history of the third century thus putting Constantine s career and many of his decisions in context It traces events under the first Tetrarchy and then explores Constantine s rise to power his rule and reforms and continuity and change with regard to his predecessors It considers how he was able to transform the empire and establish his own dynasty highlighting his political and military prowess and therefore provides an essential overview of the political history of the period

### **From Constantine To Julian A Source History Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free From Constantine To Julian A Source History PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free From Constantine To Julian A Source History PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free

downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of From Constantine To Julian A Source History free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About From Constantine To Julian A Source History Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. From Constantine To Julian A Source History is one of the best book in our library for free trial. We provide copy of From Constantine To Julian A Source History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with From Constantine To Julian A Source History. Where to download From Constantine To Julian A Source History online for free? Are you looking for From Constantine To Julian A Source History PDF? This is definitely going to save you time and cash in something you should think about.
