beginnings of Lenin's Soviet socialist republic **From Czar to Bolshevik. Ill. with Photogr's** Edward P. Stebbing, 1918

The Bolsheviks Volume I John D. Loscher, 2009-09 In my best guess Czar Nicholas the Second of Russia is a throwback to something around the year seventeen hundred perhaps even earlier than that William Donaldson would live to see firsthand how these words from his boss were completely accurate For a recent college graduate like William such archaic and inflexible viewpoints added up to the Romanov family's ultimate damnation Time would eventually prove him right During his travels across the European continent during the summer of 1914 William got to meet a young Winston Churchill Bernard Law Montgomery and Adolph Hitler Arriving in Saint Petersburg the capital city of Imperial Russia on the day World War I begins William finds himself forcibly conscripted into the United States Foreign Service In his eventual role as a civilian military observer William Donaldson a most reluctant Attaché to the United States Embassy in St Petersburg Russia would get to witness that demise personally For an unwilling but dedicated American diplomat such unprecedented access to the Russian military would reveal the malaise and ultimate bankruptcy which was the Imperial Romanov Court at the turn of the twentieth century Accompanied from battlefield to battlefield along the Eastern Front with his devoted White Russian interpreter and lover Sonja Mastrova William meticulously documents the decline and subsequent devolution of Imperial Russia's sovereign liege As the military and political situation steadily progresses from bad to worse William concludes that the final overthrow of the 300 year old Romanov autocracy is no longer a question of if but when The only nagging issue William struggles to determine is simply this What type of government will replace the monarchy *The New Statesman*, 1919 *The Statesman's Year-book*, 1925 **The Saturday Review of Politics, Literature, Science, Art, and Finance**, 1918 **The Saturday Review of Politics, Literature, Science and Art**, 1918 **Subject Index of the Modern Works Added to the Library of the British Museum in the Years ...** British Museum, 1922 **Subject Index of the Modern Books Acquired by the British Museum in the Years 1916-1920** British Museum.
