

From Farm and Kampong returns you to a Singapore that is gone forever. It depicts scenes of an idyllic farm existence where life is serene and leisurely. But turmoil and tragedy also run through its pages as the horrors of war-time atrocities, riots and kampong fires punctuate the peace of this sheltered corner. Against this changing backdrop, a boy journeys into adulthood and realises his dreams and those of his parents.

Dr. Wee received his degree in Bachelor of Medicine and Bachelor of Surgery from the University of Singapore in 1963. He is married with three children.

He takes great pleasure in reading and walking, swims occasionally, considers himself a reasonable amateur astronomer (he has written several articles on Halley's comet), contributes articles on Biblical subjects for an international magazine, does video filming (he has done video tapes on Israel and Turkey) and is currently studying Hebrew and Japanese.
