From Gettysburg To Washington I Lived With Heroes Memoirs:

From Gettysburg to Washington Harry Clair Shriver,1985-01-01 *Bowker's Law Books and Serials in Print* ,1984
American Book Publishing Record ,1985 **Memoir of Ulric Dahlgren** John Adolphus Bernard Dahlgren,1872
Memoir of Ulric Dahlgren Rear-Admiral Dahlgren,2023-05-05 Reprint of the original first published in 1872
Selected George Washington Bicentennial Addresses Sol Bloom,1932 **Little Masterpieces of Autobiography:**
Greatest Americans George Iles,1908 *American Memoir* John Wendell Dodds,1961 **Men and Memories** John
Russell Young,1901 **History of the George Washington Bicentennial Celebration ...** United States George
Washington Bicentennial Commission,1932 Macmillan Social-studies Series: Living together in the Americas ,1958
The American Annual Cyclopædia and Register of Important Events of the Year ... ,1865 **Colonel Henry Ludington:**
A Memoir Willis Fletcher Johnson,2019-12-12 In *Colonel Henry Ludington A Memoir* Willis Fletcher Johnson presents a
meticulously crafted narrative that explores the life of Colonel Henry Ludington an American Revolutionary War figure With
a blend of biographical detail and historical context Johnson employs a clear engaging prose style that interweaves personal
anecdotes with broader societal implications of Ludington s actions The memoir not only chronicles Ludington s military
exploits and community involvement but also situates him within the larger tapestry of the American struggle for
independence thus providing readers with a vital perspective on the interplay between individual agency and collective
history Johnson a historian and educator was deeply invested in the preservation of early American history which
significantly informed his writings As a contemporary of the late 19th and early 20th centuries Johnson witnessed a growing
public interest in the Revolutionary War prompting him to illuminate figures often overshadowed by more prominent leaders
His scholarly approach rich with primary source material not only emphasizes the contributions of lesser known individuals
but also reflects Johnson s commitment to fostering a nuanced understanding of America s past I strongly recommend
Colonel Henry Ludington A Memoir to scholars history enthusiasts and general readers alike Johnson s dedication to
uncovering the complexities of Ludington s life invites readers to reconsider the narratives that shape our understanding of
American history This compelling memoir serves as both an engaging account and a valuable contribution to the discourse on
Revolutionary War heroes making it an essential addition to any historical library **Going Home To Glory** David
Eisenhower,2011-10-11 David Eisenhower delivers a warm personal recollection of the retirement years of his grandfather
Dwight D Eisenhower in Gettysburg Pennsylvania where they lived The American Annual Cyclopedia and Register of
Important Events of the Year ... ,1867 **The American Annual Cyclopaedia and Register of Important Events of the**
Year ... ,1869 Subject Guide to Books in Print ,1975 **The American Annual Cyclopædia and Register of**
Important Events ... ,1865 *Appletons' Annual Cyclopaedia and Register of Important Events* ,1866 *Lee and His*
Generals in War and Memory Gary W. Gallagher,2004-03-01 In this collection Civil War historian Gary W Gallagher examines

Robert E Lee his principal subordinates the treatment they have received in the literature on Confederate military history and the continuing influence of Lost Cause arguments in the late twentieth century United States Historical images of Lee and his lieutenants were shaped to a remarkable degree by the reminiscences and other writings of ex Confederates who formulated what became known as the Lost Cause interpretation of the conflict Lost Cause advocates usually portrayed Lee as a perfect Christian warrior and Stonewall Jackson as his peerless right arm and often explained Lee's failings as the result of inept performances by other generals Many historians throughout the twentieth century have approached Lee and other Confederate military figures within an analytical framework heavily influenced by the Lost Cause school The twelve pieces in *Lee and His Generals in War and Memory* explore the effect of Lost Cause arguments on popular perceptions of Lee and his lieutenants Part I offers four essays on Lee followed in Part II by five essays that scrutinize several of Lee's most famous subordinates including Stonewall Jackson John Bankhead Magruder James Longstreet A P Hill Richard S Ewell and Jubal Early Taken together these pieces not only consider how Lost Cause writings enhanced or diminished Confederate military reputations but also illuminate the various ways post Civil War writers have interpreted the actions and impacts of these commanders Part III contains two articles that shift the focus to the writings of Jubal Early and LaSalle Corbell Pickett both of whom succeeded in advancing the notion of gallant Lost Cause warriors The final two essays which contemplate the current debate over the Civil War's meaning for modern Americans focus on Ken Burns's documentary *The Civil War* and on the issue of battlefield preservation Gallagher adeptly highlights the chasm that often separates academic and popular perceptions of the Civil War and discusses some of the ways in which the Lost Cause continues to resonate *Lee and His Generals in War and Memory* will certainly attract those interested in Lee and his campaigns the Army of Northern Virginia the establishment of popular images of the Confederate military and the manner in which historical memory is created and perpetuated
