Gupta, 2019-07-23 The study of Paul's Thessalonian letters is enjoying fresh interest today These texts are considered by many to be amongst the earliest extant Christian documents They are included in conversations about early Jewish and Christian apocalypticism New insights are coming from examination of the religious socio cultural and political contexts of Roman Thessalonica And looking back these letters have played an important role in the development of Christian eschatology This volume serves as an up to date guide to these academic discussions and debates and much more This volume on 1 and 2 Thessalonians in the Zondervan Critical Introductions to the New Testament series offers a volume length engagement with subjects that normally only receive short treatments in biblical commentaries or in New Testament Introductions This volume addresses Authorship Date Audience Socio Historical Context Genre Purpose Integrity Textual History Greek Style Structure Argument Other Critical Issues Main Interpretive Issues Reception into the Canon Selected History of Interpretation Bibliography      **The Rhetorical Approach to 1 Thessalonians** Ezra JaeKyung Cho, 2020-10-12 This book is the rhetorical approach to 1 Thessalonians particularly on funeral orations Though many scholars have interpreted 1 Thessalonians in light of a thematic perspective mirror reading and epistolary approach the author asserts that Paul employs elements of epideictic funerary oratory to persuade his audience Encountering the growing persecution sufferings and even death of members the believers of Thessalonica needed encouragement As a rhetorical strategist Paul needed effective methods to answer these problems which he did so with Greco Roman funeral orations Moreover this book delves into the funerary language with the paradoxical concepts Paul uses to illustrate *topoi* and the purpose of funeral oration in 1 Thessalonians Consequently this book proves these ideas by showing how funeral orations shed light on the whole of 1 Thessalonians in the exordium 1 Thess 1:2-3 the narratio 1:4-3:10 the consolation and exhortation 4:1-5:15 and peroratio with prayer 5:16-28      1 and 2 Thessalonians Ben Witherington, 2006-11-02 Paul's two letters to the Thessalonians stand as some of the very earliest Christian documents yet they appear well into Paul's missionary career giving them a unique context well worth exploring In this first full scale socio rhetorical commentary on 1 and 2 Thessalonians Ben Witherington gleans fresh insight from reading Paul's text in the light

of rhetorical concerns and patterns early Jewish theology and the first century historical situation in Macedonia Witherington's distinctive socio rhetorical approach helps unearth insights that would otherwise remain hidden using only form criticism epistolary categories and traditional criticism Witherington details Thessalonica's place as the metropolis of Macedonia and he carefully unpacks the social situation of Paul and his recipients Scholars will appreciate the careful analysis and rhetorical insights contained here while Witherington's clear prose and sensitivity to Paul's ideas make this work ideal for all who desire a useful readable commentary on 1 and 2 Thessalonians

#### **The Eschatology of First Thessalonians**

David Luckensmeyer, 2013-03-06 David Luckensmeyer gelingt durch die Untersuchung der eschatologischen Motive ein hervorragender Zugang zum ersten Thessalonicherbrief Er analysiert die grundlegenden Richtungen des enthaltenen Diskurses erstmalig und verdeutlicht sowohl die Rhetorik wie auch die Briefstruktur des 1. Briefes an die Thessalonicher Durch diese Zugangsweise lassen sich die verschiedenen eschatologischen Motive als Teil einer systematischen Aufforderung des Verfassers an eine Gemeinde verstehen die einen Konflikt zu bestehen hat Luckensmeyer verdeutlicht die Eschatologie als den besten hermeneutischen Schlüssel um die systematischen Aspekte des Briefes zu interpretieren Es besteht kein Zweifel Eschatologische Motive sind im Brief vorhanden etwa in 1.9.10.2.13.16.4.13.18 oder 5.1.11 Der Frage auf welche Weise diese Motive die Absichten des Paulus in seinem Schreiben verdeutlichen widmet sich Luckensmeyer ganz besonders Paulus kann verständlich machen warum die Thessalonicher im Konflikt leben und sie zugleich zu einem neuen Verständnis von Gemeinde ermutigen Die ausführliche Bibliographie gibt einen guten Überblick über die neueste Sekundärliteratur und verschiedene Register erleichtern den Zugang

#### **1 & 2 Thessalonians: An Introduction and Study Guide**

Richard S. Ascough, 2017-01-12 1 Thessalonians provides a fascinating glimpse into the origins and social life of the Christ group in the ancient Roman city of Thessalonike while 2 Thessalonians reveals how the community developed at a somewhat later time This guide narrates the story of the founding of the group by considering the social and cultural contexts the literary form the rhetorical strategies the theologies and the reception of the two canonical letters While centering on the texts of 1 and 2 Thessalonians themselves Ascough draws widely on literary and archaeological data giving particular attention to typical group behaviours among small unofficial associations in the Greek and Roman period The first four chapters focus on 1 Thessalonians from the initial formation of the Christ group out of a small association of artisans through to how members negotiated various sorts of relationships with Paul and his companions with outsiders in Thessalonike and beyond and especially with fellow believers within the group itself The final two chapters turn attention to the shifting circumstances that required a second letter to be written with its focus on disorder and disruption of social practices and theological beliefs The epilogue briefly surveys Christianity at Thessalonike beyond the 1st century This guide presents an overview of the historical development of the Christ group at Thessalonike Moving beyond treating the canonical letters as simple repositories of theological opinions Ascough demonstrates how 1 and 2 Thessalonians reveal ordinary life in ancient Roman cities In so

doing he invites readers to enter the world of one of the many fascinating communities of Christ believers in the 1st century of the Common Era     *The 1 and 2 Thessalonians Commentary Collection* Michael W. Holmes, Gary Shogren, John Byron, 2017-04-25 This 1 and 2 Thessalonians commentary bundle features volumes from the NIV Application Commentary Series Zondervan Exegetical Commentary Series and Story of God Bible Commentary Series authored by Michael W Holmes Gary S Shogren and John Byron The diverse features from each of the volumes gives you all the tools you need to master the books of 1 and 2 Thessalonians     **1 and 2 Thessalonians** Johnson, 2016 A distinctively theological interpretation of the Thessalonian letters In this commentary Andy Johnson engages with the developing interpretive framework of missional hermeneutics to present a theological interpretation of 1 2 Thessalonians that aims to help the church more fully participate in the life and mission of the triune God After a verse by verse commentary Johnson closely examines the theology of the two epistles focusing especially on the topics of eschatology holiness and election in light of his missional reading of 1 and 2 Thessalonians In his exegetical and theological analyses Johnson considers canonical concerns doctrinal commitments ecclesial practices proposals from contemporary systematic theology and insights gleaned from the field of neuroscience regarding personal and community formation all of which help to clarify and enrich readers understanding of various passages     **Paul's Emotional Regime** Ian Y. S. Jew, 2020-10-15 In his letters Paul speaks often of his emotions and also promotes certain feelings while banishing others This indicates that for Paul emotion is vital However in New Testament studies the study of emotions is still nascent current research in the social sciences highlights its cognitive and social dimensions Ian Y S Jew combines rigorous social scientific analysis and exegetical enquiry to argue that emotions are intrinsic to the formation of the Pauline communities as they encode belief structures and influence patterns of social experience By taking joy in Philippians and grief in 1 Thessalonians as representative emotions and contrasting Paul s approach with that of his Stoic contemporaries Jew demonstrates that authorized feelings have socially integrating and differentiating functions by reinforcing the shared theological realities upon which emotional norms are based group belonging is bolstered Simultaneously authorized emotions fortify the theological boundaries between Christians and others which strengthens group solidarity in the Church by accentuating its members insider status Using this framework heuristically Jew explores how the interplay of symbolic ritual and social elements within Paul s eschatological worldview reinforces emotional norms and demonstrates that attention to emotion can only deepen our understanding of the social formation of the early believers     **1 & 2 Thessalonians (Brazos Theological Commentary on the Bible)** Douglas Farrow, 2020-08-18 The Brazos Theological Commentary on the Bible encourages readers to explore how the vital roots of the ancient Christian tradition inform and shape faithfulness today In this volume one of today s leading theologians offers a theological reading of 1 and 2 Thessalonians As with other series volumes this commentary is designed to serve the church providing a rich resource for preachers teachers students and study groups     *Paul and the Imperial Authorities at*

*Thessalonica and Rome* James R. Harrison, 2011 James R Harrison investigates the collision between Paul's eschatological gospel and the Julio Claudian conception of rule. The ruler's propaganda with its claim about the eternal rule of the imperial house over its subjects embodied in idolatry of power that conflicted with Paul's proclamation of the reign of the risen Son of God over his world. This ideological conflict is examined in 1 and 2 Thessalonians and in Romans exploring how Paul's eschatology intersected with the imperial cult in the Greek East and in the Latin West. A wide selection of evidence literary documentary numismatic iconographic archeological unveils the symbolic universe of the Julio Claudian rulers. This construction of social and cosmic reality stood at odds with the eschatological denouement of world history which in Paul's view culminated in the arrival of God's new creation upon Christ's return as Lord of all. Paul exalted the Body of Christ over Nero's body of state transferring to the risen and ascended Jesus many of the ruler's titles and to the Body of Christ many of the ruler's functions. Thus for Paul Christ's reign challenged the values of Roman society and transformed its hierarchical social relations through the Spirit.

*Resurrection As Anti-Imperial Gospel* Edward Pillar, 2013-08-01 Presuming that the heart of Paul's gospel announcement was the news that God had raised Jesus from the dead as indicated in 1 Thessalonians 1:9b-10 Pillar explores the evidence in Paul's letter and in aspects of the Roman imperial culture in Thessalonica in order to imagine what that proclamation would have evoked for its first hearers. He argues that the gospel of resurrection would have been heard as fundamentally anti-imperial. Jesus of Nazareth was executed by means of the epitome of imperial power. The resurrection thus subverts and usurps the empire's immense power. The argument is verified in aspects of the response of those living in a thoroughly imperialized metropolis.

This series emphasizes a thorough analysis of textual linguistic structural and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. **The Pseudepigraphal Letters to the Thessalonians** Marlene Crüsemann, 2018-12-13 Marlene Crüsemann examines the Thessalonian letters in the context of Jewish-Christian social history building upon her analysis of 1 Thessalonians. Crüsemann comes to the conclusion that it is post-apostolic epistolary communication and questions whether it is a letter of Paul and indeed whether it is an early letter. This analysis in turn adds weight to the thesis propounded by some previous scholars that the letter is somewhat out of place and may be a later work by another author. Crüsemann subsequently illustrates that 2 Thessalonians by contrast revokes the far-reaching social separation from Judaism that characterizes 1 Thessalonians and thus aims socio-historically at a solidarity with the entire Jewish people. Analysing the concept of the Jews as supposed enemy the future of the Greek gentile

community and the relationship between the two letters Cr semann concludes that the discussion about a divergence of the ways of Christians and Jews in early Christian times needs to be realigned Work R. Keith Loftin,Trey Dimsdale,2018-03-09 Moving from biblical theology to systematic theology to practical theology Work Theological Foundations and Practical Implications offers a comprehensive theology of work With contributions from a variety of leading theologians including Miroslav Volf and Samuel Gregg this book brings together biblical scholars ethicists economists representing a spectrum of theological voices It will bring a new academic depth to the literature on the theology of work and provide a comprehensive single volume resource for scholars and students alike Contributions include Work and the Trinity Miroslav Volf Work and Anthropology Jay Wesley Richards Sanctification and Work Scott B Rae Economics and the Common Good Samuel Gregg 1-2 Thessalonians (Baker Exegetical Commentary on the New Testament) Jeffrey A. Ok,Osvaldo Padilla,Amy L. B.
