

“The further down my spiritual path I go,
the less I am able to define.
When I turn inward, I find no words.
Only light;
only love.”

Aging and the Religious Dimension Susan A. Eisenhandler,1994-02-17 Aging and religion has been badly neglected in the field of Gerontology This book containing 13 chapters of original theory and research is devoted to understanding the place that religion and spirituality hold in the lives of elderly persons The authors each experts in their own field approach

this issue from their backgrounds in the social sciences and the humanities Overall this is a ground breaking collection It is one of the first attempts to seek to understand the role that religion plays in the lives of elderly persons Based on their various multi disciplinary perspectives the authors make use of a variety of qualitative and quantitative methodologies as well as personal narrative and literature to grapple with this issue Finally the book is unique in that it addresses scholars and students including the educated layman rather than the professional alone *English Spirituality* Gordon

Mursell,2001-01-01 This wide ranging historical survey provides an indispensable resource for those interested in exploring teaching or studying English spirituality In two stand alone volumes it traces history from Roman times until the year 2000 The main Christian traditions and a vast range of writers and spiritual themes from Anglo Saxon poems to late modern feminist spirituality are included These volumes present the astonishing richness and variety of responses made by English Christians to the call of the divine during the past two thousand years **Sathya Sai - The Eternal Companion (Volume**
