## **From Midwives To Medicine The Birth Of American Gynecology:**

**From Midwives to Medicine** Deborah Kuhn McGregor, 1998-01-01 Examines the development of modern medical treatment of women and the related history of women's health in the mid 1800s It looks not only at the medical figures who devised and practiced the innovative therapies but also at the history of the patient experience in the development and the professionalization of a medical specialty In exploring the controversial career of J Marion Sims the father of gynecology and the history of the Woman's Hospital of the State of New York the book chronicles the emergence of a practice involving previously untried medical techniques and the use of experimentation on patients according to a social hierarchy based on race and sex Illustrated

**Mary Putnam Jacobi and the Politics of Medicine in Nineteenth-Century America** Carla Bittel, 2012-06-01 In the late nineteenth century as Americans debated the woman question a battle over the meaning of biology arose in the medical profession Some medical men claimed that women were naturally weak that education would make them physically ill and that women physicians endangered the profession Mary Putnam Jacobi 1842-1906 a physician from New York worked to prove them wrong and argued that social restrictions not biology threatened female health Mary Putnam Jacobi and the Politics of Medicine in Nineteenth Century America is the first full length biography of Mary Putnam Jacobi the most significant woman physician of her era and an outspoken advocate for women's rights Jacobi rose to national prominence in the 1870s and went on to practice medicine teach and conduct research for over three decades She campaigned for co education professional opportunities labor reform and suffrage the most important women's rights issues of her day Downplaying gender differences she used the laboratory to prove that women were biologically capable of working learning and voting Science she believed held the key to promoting and producing gender equality Carla Bittel's biography of Jacobi offers a piercing view of the role of science in nineteenth century women's rights movements and provides historical perspective on continuing debates about gender and science today

**Medical Apartheid** Harriet A. Washington, 2008-01-08 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER The first full history of Black America's shocking mistreatment as unwilling and unwitting experimental subjects at the hands of the medical establishment No one concerned with issues of public health and racial justice can afford not to read this masterful book Washington has unearthed a shocking amount of information and shaped it into a riveting carefully documented book New York Times From the era of slavery to the present day starting with the earliest encounters between Black Americans and Western medical researchers and the racist pseudoscience that resulted Medical Apartheid details the ways both slaves and freedmen were used in hospitals for experiments conducted without their knowledge a tradition that continues today within some black populations It reveals how Blacks have historically been prey to grave robbing as well as unauthorized autopsies and dissections Moving into the twentieth century it shows how the pseudoscience of eugenics and social Darwinism was used to justify experimental exploitation and shoddy medical treatment of Blacks Shocking new details about the government's notorious Tuskegee

experiment are revealed as are similar less well known medical atrocities conducted by the government the armed forces prisons and private institutions The product of years of prodigious research into medical journals and experimental reports long undisturbed Medical Apartheid reveals the hidden underbelly of scientific research and makes possible for the first time an understanding of the roots of the African American health deficit At last it provides the fullest possible context for comprehending the behavioral fallout that has caused Black Americans to view researchers and indeed the whole medical establishment with such deep distrust

**Birthing a Slave** Marie Jenkins Schwartz,2010-03-30 This book depicts competing approaches to reproductive health on plantations in the antebellum South as black women and white men sought to enhance the health of enslaved mothers The first book to focus solely on the health care of enslaved women it argues for the critical role of reproductive medicine in the slave system of antebellum America

*Bodies in Doubt* Elizabeth Reis,2021-07-13 This book traces the changing definitions perceptions and medical management of intersex in America from the colonial period to the present

**Professional Issues in Midwifery** Lynette Hamlin,2007 This book focuses on the unique characteristics of the profession of midwifery in the United States discussing both current issues and future directions The framework for the book is based upon the Institute of Medicine s competencies for health professions education patient centered care interdisciplinary teams evidence based practice quality improvement and informatics which are identified as essential aspects of patient safety and quality care

*Get Me Out: A History of Childbirth from the Garden of Eden to the Sperm Bank* Randi Hutter Epstein,2011-04-11 An engrossing survey of the history of childbirth Stephen Lowman Washington Post Making and having babies what it takes to get pregnant stay pregnant and deliver have mystified women and men throughout human history The insatiably curious Randi Hutter Epstein journeys through history fads and fables and to the fringe of science Here is an entertaining must read an enlightening celebration of human life

**The Doctors Blackwell: How Two Pioneering Sisters Brought Medicine to Women and Women to Medicine** Janice P. Nimura,2021-01-19 New York Times Bestseller Finalist for the 2022 Pulitzer Prize in Biography Janice P Nimura has resurrected Elizabeth and Emily Blackwell in all their feisty thrilling trailblazing splendor Stacy Schiff Elizabeth Blackwell believed from an early age that she was destined for a mission beyond the scope of ordinary womanhood Though the world at first recoiled at the notion of a woman studying medicine her intelligence and intensity ultimately won her the acceptance of the male medical establishment In 1849 she became the first woman in America to receive an M D She was soon joined in her iconic achievement by her younger sister Emily who was actually the more brilliant physician Exploring the sisters allies enemies and enduring partnership Janice P Nimura presents a story of trial and triumph Together the Blackwells founded the New York Infirmary for Indigent Women and Children the first hospital staffed entirely by women Both sisters were tenacious and visionary but their convictions did not always align with the emergence of women s rights or with each other From Bristol Paris and Edinburgh to the rising cities of antebellum America this richly researched new biography celebrates two complicated

pioneers who exploded the limits of possibility for women in medicine As Elizabeth herself predicted a hundred years hence women will not be what they are now **Deliver Me from Pain** Jacqueline H. Wolf, 2012-04-01 Despite today's historically low maternal and infant mortality rates in the United States labor continues to evoke fear among American women Rather than embrace the natural childbirth methods promoted in the 1970s most women welcome epidural anesthesia and even Cesarean deliveries In **Deliver Me from Pain** Jacqueline H Wolf asks how a treatment such as obstetric anesthesia even when it historically posed serious risk to mothers and newborns paradoxically came to assuage women's anxiety about birth Each chapter begins with the story of a birth dramatically illustrating the unique practices of the era being examined **Deliver Me from Pain** covers the development and use of anesthesia from ether and chloroform in the mid nineteenth century to amniotics barbiturates narcotics opioids tranquilizers saddle blocks spinals and gas during the mid twentieth century to epidural anesthesia today Labor pain is not merely a physiological response but a phenomenon that mothers and physicians perceive through a historical social and cultural lens Wolf examines these influences and argues that medical and lay views of labor pain and the concomitant acceptance of obstetric anesthesia have had a ripple effect creating the conditions for acceptance of other often unnecessary and sometimes risky obstetric treatments forceps the chemical induction and augmentation of labor episiotomy electronic fetal monitoring and Cesarean section As American women make decisions about anesthesia today **Deliver Me from Pain** offers them insight into how women made this choice in the past and why each generation of mothers has made dramatically different decisions **Charting the Plantation Landscape from Natchez to New Orleans** Laura Kilcer VanHuss, 2021-05-05 **Charting the Plantation Landscape from Natchez to New Orleans** examines the hidden histories behind one of the nineteenth century South's most famous maps Norman's Chart of the Lower Mississippi River created by surveyor Marie Adrien Persac before the Civil War and used for decades to guide the pilots of river vessels Beyond its purely cartographic function Persac's map depicted a world of accomplishment and prosperity while concealing the enslaved and exploited laborers whose work powered the plantations Persac drew In this collection contributors from a variety of disciplines consider the histories that Persac's map omitted exploring plantations not as sites of ease and plenty but as complex legal political and medical landscapes Essays by Laura Ewen Blokker and Suzanne Turner consider the built and designed landscapes of plantations as they were structured by the logics and logistics of both slavery and the effort to present a facade of serenity and wealth William Horne and Charles D Chamberlain III delve into the political activity of formerly enslaved people and slaveholders respectively while Christopher Willoughby explores the ways the plantation health system was defined by the agro industrial environment Jochen Wierich examines artistic depictions of plantations from the antebellum years through the twentieth century and Christopher Morris uses the famed Uncle Sam Plantation to explain how plantations have been memorialized remembered and preserved With keen insight into the human cost of the idealized version of the agrarian South depicted in Persac's map **Charting the Plantation Landscape** encourages

us to see with new eyes and form new definitions of what constitutes the plantation landscape      Women in the American Revolution Barbara B. Oberg, 2019-05-24 Building on a quarter century of scholarship following the publication of the groundbreaking *Women in the Age of the American Revolution* the engagingly written essays in this volume offer an updated answer to the question What was life like for women in the era of the American Revolution The contributors examine how women dealt with years of armed conflict and carried on their daily lives exploring factors such as age race educational background marital status social class and region For patriot women the Revolution created opportunities to market goods find a new social status within the community or gain power in the family Those who remained loyal to the Crown however often saw their lives diminished their property confiscated their businesses failed or their sense of security shattered Some essays focus on individuals Sarah Bache Phillis Wheatley while others address the impact of war on social or commercial interactions between men and women Patriot women in occupied Boston fell in love with and married British soldiers in Philadelphia women mobilized support for nonimportation and in several major colonial cities wives took over the family business while their husbands fought Together these essays recover what the Revolution meant to and for women      The Illustrated Timeline of Medicine Gill Davies, 2011-08-15 Timeline that spans the history of medicine from the prehistoric trepanning of skulls to modern microsurgery      The Routledge Handbook of Anthropology and Reproduction Sallie Han, Cecília Tomori, 2021-11-09 The Routledge Handbook of Anthropology and Reproduction is a comprehensive overview of the topics approaches and trajectories in the anthropological study of human reproduction The book brings together work from across the discipline of anthropology with contributions by established and emerging scholars in archaeological biological linguistic and sociocultural anthropology Across these areas of research consideration is given to the contexts conditions and contingencies that mark and shape the experiences of reproduction as always gendered classed and racialized Over 39 chapters a diverse range of international scholars cover topics including Reproductive governance stratification justice and freedom Fertility and infertility Technologies and imaginations Queering reproduction Pregnancy childbirth and reproductive loss Postpartum and infant care Care kinship and alloparenting This is a valuable reference for scholars and upper level students in anthropology and related disciplines associated with reproduction including sociology gender studies science and technology studies human development and family studies global health public health medicine medical humanities and midwifery and nursing      **Women's Birthing Bodies and the Law** Camilla Pickles, Jonathan Herring, 2020-11-26 This is the first book to unpack the legal and ethical issues surrounding unauthorised intimate examinations during labour The book uses feminist socio legal and philosophical tools to explore the issues of power vulnerability and autonomy The collection challenges the perception that the law adequately addresses different manifestations of unauthorised medical touch through the lens of women's experiences of unauthorised vaginal examinations during labour The book unearths several broader themes that are of huge significance to lawyers and healthcare

professionals such as the legal status of women and their bodies The book raises questions about women s experiences during childbirth in hospital settings It explores the status of women s bodies during labour and childbirth where too easily they become objectified and it raises important issues around consent The book highlights links to the law on sexual offences and women s loss of power under the medical gaze *Women s Birthing Bodies and the Law* includes contributions from leading feminist philosophers healthcare professionals and academics in healthcare and law and offers pioneering analysis relevant to lawyers and healthcare professionals with an interest in medical law and ethics feminist theory criminal law tort law and human rights law

*Eponyms and Names in Obstetrics and Gynaecology* Thomas F. Baskett,2019-01-24 Few specialties have a longer or richer eponymous background than obstetrics and gynaecology Eponyms add a human side to an increasingly technical profession and represent the historic tradition and language of the speciality This collection aims to perpetuate the names and contributions of pioneers and offer introductory profiles to the founders in whose steps we follow This third edition includes 26 new entries as well as expanded detail illustration and quotation for existing entries Biographical data and historical and medical context are discussed for each of the 391 names with reference to 34 countries reflecting the field s far reaching origins More than 1700 original references feature alongside an extensive bibliography of more than 2500 linked references to assist readers searching for more detailed information This is a volume for physicians midwives medical historians medical ethicists and all those interested in the history and evolution of obstetrical and gynaecological treatment

*The Oxford Handbook of American Women's and Gender History* Ellen Hartigan-O'Connor,Lisa G. Materson,2018-09-04 From the first European encounters with Native American women to today s crisis of sexual assault The Oxford Handbook of American Women s and Gender History boldly interprets the diverse history of women and how ideas about gender shaped their access to political and cultural power in North America Over twenty nine chapters this handbook illustrates how women s and gender history can shape how we view the past looking at how gender influenced people s lives as they participated in migration colonialism trade warfare artistic production and community building Theoretically cutting edge each chapter is alive with colorful historical characters from young Chicanas transforming urban culture to free women of color forging abolitionist doctrines Asian migrant women defending the legitimacy of their marriages and transwomen fleeing incarceration Together their lives constitute the history of a continent Leading scholars across multiple generations demonstrate the power of innovative research to excavate a history hidden in plain sight Scrutinizing silences in the historical record from the inattention to enslaved women s opinions to the suppression of Indian women s involvement in border diplomacy the authors challenge the nature of historical evidence and remap what counts in our interpretation of the past Together and separately these essays offer readers a deep understanding of the variety and centrality of women s lives to all dimensions of the American past even as they show that the boundaries of women American and history have shifted across the centuries

**Obstetric Violence and Systemic Disparities** Robbie Davis-Floyd,Ashish

Premkumar,2023-06-11 The final volume in this landmark 3 volume series *The Anthropology of Obstetrics and Obstetricians The Practice Maintenance and Reproduction of a Biomedical Profession* looks at the challenges and even violence that obstetricians face across the world Part I of this volume addresses obstetric violence and systemic racial ethnic gendered and socio structural disparities in obstetricians practices in the Dominican Republic Mexico Peru and the US Part II addresses decolonizing and humanizing obstetric training and practice in the UK Russia Brazil New Zealand and the US Part 3 presents the ethnographic challenges that the chapter authors in Volumes II and III of this series faced in finding surveying interviewing and observing obstetricians in various countries This book is a must read for students social scientists and all maternity care practitioners who seek to understand the diverse challenges that obstetricians must overcome An excerpt In our Series Overview in Volume 1 we asked the question Can a book create a field and answered that question with a resounding Yes For us the official creation of the field of the Anthropology of Obstetrics and Obstetricians has taken not one but the 3 volumes that constitute this Book Series

*Unbearable* Irin Carmon,2025-10-28 From the award winning New York magazine reporter and coauthor of the New York Times bestseller *Notorious RBG* an ambitious and passionate exploration of what's gone wrong with pregnancy in America through the lens of history politics and the searing experiences of five women Journalist Irin Carmon was eight months pregnant when the Supreme Court allowed states to ban abortion unleashing pain and suffering for those who didn't want to be pregnant and shockingly to some those who did What was clear to Carmon from her dozen years of reporting and from what she felt in her bones was how incomplete the American story of reproduction had been and how much had been unexpressed hidden or taken for granted and not just by conservative justices or in red states Whether in cosmopolitan liberal New York City or rural Alabama the entire system is broken *Unbearable* tells a deeper story going beyond the headlines and any one experience or choice and grounded in history and journalism It introduces us to five women navigating pregnancy care from that first positive pregnancy test through joy loss and the unforeseen in a country that is at best indifferent and at worst willfully cruel and to brave outnumbered people fighting to make it better Written with deep empathy and analytical rigor *Unbearable* is at once a moving story of interconnection a harrowing expos and assertion of humanity Above all it is a powerful call for solidarity regardless of our circumstances or our decisions

*Reproduction and Its Discontents in Mexico* Nora E. Jaffary,2016-10-13 In this history of childbirth and contraception in Mexico Nora E Jaffary chronicles colonial and nineteenth century beliefs and practices surrounding conception pregnancy and its prevention and birth Tracking Mexico's transition from colony to nation Jaffary demonstrates the central role of reproduction in ideas about female sexuality and virtue the development of modern Mexico and the growth of modern medicine in the Latin American context The story encompasses networks of people in all parts of society from state and medical authorities to mothers and midwives husbands and lovers employers and neighbors Jaffary focuses on key topics including virginity conception contraception and abortion infanticide monstrous births and obstetrical

medicine Her approach yields surprising insights into the emergence of modernity in Mexico Over the course of the nineteenth century for example expectations of idealized womanhood and female sexual virtue gained rather than lost importance In addition rather than being obliterated by European medical practice features of pre Columbian obstetrical knowledge especially of abortifacients circulated among the Mexican public throughout the period under study Jaffary details how across time localized contexts shaped the changing history of reproduction contraception and maternity

**Encyclopedia of Gender and Society** Jodi O'Brien, 2008-11-26 2009 RUSA Outstanding Reference CHOICE Outstanding Academic Title for 2009 Given both the interdisciplinarity of the field of gender scholarship and the immense significance of gender to both individuals and societies it is probably impossible to produce such a compendium The editor advisory team and contributors are to be credited for tackling a project of such immense scope O'Brien's commitment to the possibility of a more informed discourse on the highly complex and nuanced topic of gender and society promises to benefit a broad readership Highly recommended for academic libraries of all sizes and for large public libraries Booklist STARRED Review All topics in this wide ranging resource are addressed in an unbiased and unprejudiced manner and facts are stated clearly and coherently The coverage of changing topics is kept current A valuable addition to any library Library Journal For decades scholars of gender have been documenting and analyzing the various ways in which gender shapes individual lives cultural beliefs and practices and social and economic organization Including contributions by experts in the field the Encyclopedia of Gender and Society covers the major theories research people and issues in contemporary gender studies This comprehensive two volume encyclopedia is distinguished by a cross national cross cultural perspective that provides comparative analyses of the life experiences of men and women around the world Key Features Provides users with a gender lens on society by focusing on significant gender scholarship within commonly recognized areas of social research Offers framing essays that summarize commonly used concepts and directions of research and provide an overview of each area e.g Media and Gender Socialization Religion Gender Roles in Sexuality and Reproduction Women's Social Movements History of Examines basic aspects of social life from the most individual self and identity to the most global transnational economics and politics Contains new information on well known subjects including surprising facts that may counter common assumptions and research in areas of study where the impact of gender has been traditionally overlooked Reflects cutting edge discussion and scholarship on current issues and debates regarding gender and society

## **From Midwives To Medicine The Birth Of American Gynecology** Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**From Midwives To Medicine The Birth Of American Gynecology**," compiled by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

## **From Midwives To Medicine The Birth Of American Gynecology Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading From Midwives To Medicine The Birth Of American Gynecology free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading From Midwives To Medicine The Birth Of American Gynecology free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While

downloading From Midwives To Medicine The Birth Of American Gynecology free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading From Midwives To Medicine The Birth Of American Gynecology. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading From Midwives To Medicine The Birth Of American Gynecology any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About From Midwives To Medicine The Birth Of American Gynecology Books**

1. Where can I buy From Midwives To Medicine The Birth Of American Gynecology books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a From Midwives To Medicine The Birth Of American Gynecology book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of From Midwives To Medicine The Birth Of American Gynecology books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

## **From Midwives To Medicine The Birth Of American Gynecology**

7. What are From Midwives To Medicine The Birth Of American Gynecology audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read From Midwives To Medicine The Birth Of American Gynecology books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
