Bible teacher and coordinator of a successful outreach program to the public schools before migrating to the United States during the turn of the new millennium *The Second Epistle to the Corinthians* Murray J. Harris, 2005-01-01 The reputation of the NIGTC series is so outstanding that the appearance of each new volume is noteworthy This book on 2 Corinthians is no exception Master New Testament exegete Murray J Harris has produced a superb commentary that analyzes the Greek text verse by verse against the backdrop of Paul's tumultuous relations with his converts at Corinth Believing that Scripture cannot be understood theologically unless it has first been understood grammatically Harris provides a careful thoroughgoing reading of the text of 2 Corinthians He gives special attention to matters of translation making regular references not only to the standard modern English translations but also to influential older versions such as The Twentieth Century New Testament and those by Weymouth Moffatt and Goodspeed His close attention to matters of textual criticism and grammar leads to discussions of the theology of 2 Corinthians that show the relevance of Paul's teaching to Christian living and church ministry Other notable features of the book include a comprehensive introduction in which all the relevant literary and historical issues are discussed an expanded paraphrase of the letter that conveniently shows Harris's decisions on exegetical issues and indicates the flow of Paul's argument a chronology of the relations of Paul Timothy and Titus with the Corinthian church and an excursus on Paul's affliction in Asia 1811 and its influence on his outlook and theology

Love of Friendship in the Christian Life Jonathan Sammut, 2019-12-27 Theological reflection on friendship as a particular form of Christian love emerges in Holy Scripture and continues to be elaborated in the Christian tradition However love of friendship was at times absorbed into the other traditional understanding of love love of God and of neighbor After a philosophical historical study of the Greco Roman roots of friendship in moral reflection and how and to what extent this was appropriated in the Christian tradition this book illustrates the transcendental character and the novelty of the Christian understanding of friendship found in Holy Scripture focusing particularly on the most relevant texts in the Fourth Gospel where love and friendship stand to be important themes It also shows how Saint Thomas Aquinas through his exegesis of the Fourth Gospel his synthesis of the Christian tradition and his ability to rearticulate Christian theology through Aristotelian philosophy inimitably defines the theological virtue of *caritas* as friendship with God In so doing he depicts friendship as the finality the *telos* of the Christian life Finally the book aims to show how the retrieval of a proper theology of friendship rooted in Holy Scripture and Christian tradition can enrich the life of an authentic Christian and contribute to the ongoing process of renewing moral theology

A Library of Fathers of the Holy Catholic Church, Anterior to the Division of the East and West: The homilies of S. John Chrysostom... on the Epistles of St. Paul...to the Philippians, Colossians, and Thessalonians ,1848 *The Family Friend* ,1871 **The Fire of God's Love** Bob Sorge,1996-11 This book explores how God is igniting His Bride in this hour with His fiery love awakening us to blazing passion for our Beloved Lord Jesus Emerging from the crucible of the fiery dealings of God is a Bride who has been purified of all other affections but one her desire for her Beloved the Lord Jesus Look into this furnace of God's love at your own risk It is a fire that consumes all but love Take the time to come to the passion that blazes on the cross let that love purge you of every defiling desire He intends to capture and possess every part of your being by revealing to you the fire of His love **A Commentary on the New Testament** Catholic Biblical Association of America,1942 **John the Evangelist: a Message to the Saints** Cres Smith,2005-04-14 John the Evangelist A message to the Saints John took the time to write his gospel long after the other gospels had been written and before the critical challenges to the Christian Church came after the first century John was unique in his relationship to Christ As a young man he knew Jesus from the time he was baptized He must have even known him before the baptism since his mother and Jesus mother Mary were sisters Jesus was near thirty years old when John was yet a teen age boy Had John known Jesus he undoubtedly would have been impressed with his older cousin and would have known of Jesus life before he started his mission John's presence at the wedding in Cana is a good example of that relationship At the later of John's life he saw the fruits of Jesus ministry as the gospel was spread throughout the world John saw the threats to the infant church and prepared a gospel that would keep the doctrine pure John's Gospel served as a stalwart testimony in defending the beliefs of the Christian Church He knew what the needs of the Saints would be down through the centuries and prepared us for the doctrinal threats Because of the uniqueness of his writing it is analyzed as a nearly independent message in an attempt to understand John's message clearly No particular secular doctrine of Christian Church philosophy is to be proven or purposefully supported An attempt is made to understand John as he intended by analyzing the verses he has written one by one just as one would read the scriptures in a study class At times the study looks forward or back for support of his writing but few references are made to other scriptures outside John's writing and the investigation is limited to what John wrote External references are used to clarify the translation and historical accuracy Obviously this work can only be accomplished with the support of the Holy Ghost and this book is a simple attempt

to use the spiritual power available to us to understand and learn Many may say that this is a fool hearty attempt since they have had unreliable experiences in working with the spirit On the other hand if the writings are spiritual then the spirit can best interpret them for us Great insight has been obtained by this approach and is available to the reader to strengthen him as John intended First and foremost Johns writing is a testimony of Jesus the Christ as the Savior of the World John was with Jesus from the beginning of his ministry and through the final persecution To be with Christ as John was is to look at the Savior through his eyes We can see as John saw all that took place with Jesus We are well aware that Jesus was of a earthly mother and a Godly Father The impact of this dichotomy is seldom discussed as John brings it forth Just how human was Jesus Did he really see and feel as another human might Johns gospel takes us through Jesus life and experiences as we learn just how human he was He obeyed his mother at Cana even thought he would have preferred not to Jesus wept for Lazarus although he had the power to avoid the grief Jesus human traits and how they changed through his experiences are discussed Knowing that he was human and suffered as a human brings the Savior so much closer to us and removes any ambiguity that Jesus is the Christ John was at Jesus baptism He saw the Baptist take Jesus into the water and when he emerged he saw the sign of the dove as an indication of the Holy Ghost and the voice of the Father as he spoke John was a young man and he wrote as he witnessed With the signs that were displayed came the realization by the Baptist that this was indeed the Savior that he had prepared his whole life to baptize How important it was that Jesus be baptized and that the Baptist was there to perform it No one on earth had the power or authority to baptize the Savior One can only imagine the happiness of t

gentium the Dogmatic Constitution on the Church of the Second Vatican Council uses various images to speak about the Church This study is about the Church as the Bride of Christ Unlike the great images of the Church as the People of God and the Body of Christ the image of the Church as the Bride of Christ has never been extensively examined since the Second Vatican Council The current research is a biblical and systematic theological study of this image Its main question is what this metaphor can tell us about the essence of the Church and what its consequences are for the life of the Church today
