**Aunt Dan and Lemon** Wallace Shawn, 1986 *THE STORY* The action begins in the London flat of Lenora Lemon a rather frail introspective young woman who tells us with a chilling calm why she rather admires the Nazis for their refreshing lack of hypocrisy and who then in a series of

*Warring Friends* Jeremy Pressman, 2012-11-09 Allied nations often stop each other from going to war Some countries even form alliances with the specific intent of restraining another power and thereby preventing war Furthermore restraint often becomes an issue in existing alliances as one ally wants to start a war launch a military intervention or pursue some other risky military policy while the other ally balks In *Warring Friends* Jeremy Pressman draws on and critiques realist normative and institutionalist understandings of how alliance decisions are made Alliance restraint often has a role to play both in the genesis of alliances and in their continuation As this book demonstrates an external power can apply the brakes to an incipient conflict and even unheeded advice can aid in clarifying national goals The power differentials between allies in these partnerships are influenced by leadership unity deception policy substitutes and national security priorities Recent controversy over the complicated relationship between the U S and Israeli governments especially in regard to military and security concerns is a reminder that the alliance has never been easy or straightforward Pressman highlights multiple episodes during which the United States attempted to restrain Israel's military

policies Israeli nuclear proliferation during the Kennedy Administration the 1967 Arab Israeli War preventing an Israeli preemptive attack in 1973 a small Israeli operation in Lebanon in 1977 the Israeli invasion of Lebanon in 1982 and Israeli action during the Gulf War of 1991 As Pressman shows U S initiatives were successful only in 1973 1977 and 1991 and tensions have flared up again recently as a result of Israeli arms sales to China Pressman also illuminates aspects of the Anglo American special relationship as revealed in several cases British nonintervention in Iran in 1951 U S nonintervention in Indochina in 1954 U S commitments to Taiwan that Britain opposed 1954 1955 and British intervention and then withdrawal during the Suez War of 1956 These historical examples go far to explain the context within which the Blair administration failed to prevent the U S government from pursuing war in Iraq at a time of unprecedented American power

**True Believer** James Traub, 2024-02-13 A celebrated historian recounts Hubert Humphrey's role as a liberal hero of twentieth century America Hubert Humphrey was liberalism's most dedicated defender and its most public and tragic sacrifice As a young politician in 1948 he defied segregationists and forced the Democratic Party to commit itself to civil rights As a senator in 1964 he made good on that commitment by helping pass the Civil Rights Act But as Lyndon B Johnson's vice president his support for the war in Vietnam made him a target for both Right and Left and he suffered a shattering loss in the presidential election of 1968 Though Humphrey's defeat was widely seen as the end of America's era of liberal optimism he never gave up Even after his humiliation on the most public stage he crafted a new vision of economic justice to counter the yawning political divisions consuming American politics This biography reveals a deep dyed idealist willing to compromise and even fight ugly in pursuit of a better society Elegantly crafted and strikingly relevant to the present True Believer celebrates Hubert Humphrey's long struggle for justice for all

**George Yeo: Selected Musings** George Yong-boon Yeo, 2024-05-03 Over sessions which lasted two to three hours each time every week for half a

year George Yeo met and mused over a wide range of topics with writer Woon Tai Ho and research assistant Keith Yap. Speaking from notes he began with himself and his hope for Singapore and then spanned over a wide range of subjects from the importance of human diversity and Singapore's reflection within itself of the world to history, politics, economics, philosophy, taijigong, and religion. He gives his views on India, China, ASEAN, Europe, the US, and other parts of the world and how Singapore's history and destiny are connected to all of them. The style is conversational and anecdotal. George Yeo's *Musings* is exactly that: musings. Some themes recur throughout the book which reflect his view of life. But there is no grand theory. He does not expect all of his reflections to be of interest to everyone but he hopes that everyone will find something of interest. This special edition offers a selection of *Musings* from the three series: *A Man and His Presidents* Alvin Felzenberg, 2017-05-02. A new understanding of the man who changed the face of American politics. William F. Buckley Jr. is widely regarded as the most influential American conservative writer, activist, and organizer in the postwar era. In this nuanced biography, Alvin Felzenberg sheds light on little-known aspects of Buckley's career, including his role as back-channel adviser to policy makers, his intimate friendship with both Ronald and Nancy Reagan, his changing views on civil rights, and his break with George W. Bush over the Iraq War. Felzenberg demonstrates how Buckley conveyed his message across multiple platforms and drew upon his vast network of contacts, his personal charm, his extraordinary wit, and his celebrity status to move the center of political gravity in the United States closer to his point of view. Including many rarely seen photographs, this account of one of the most compelling personalities of American politics will appeal to conservatives, liberals, and even the apolitical. Department of the Interior and Related Agencies Appropriations for 1983 United States Congress. House. Committee on Appropriations. Subcommittee on Department of the Interior and Related Agencies, 1982. Foreign Relations of the United States United States. Department of State, 1969. *Pakistan Affairs*, 1973.

**Reframing the Diplomat** Albertine Bloemendal, 2017-12-18. In *Reframing the Diplomat*, Albertine Bloemendal offers a unique window onto the unofficial dimension of Cold War transatlantic relations by analyzing the diplomatic role of the Dutch Atlanticist Ernst van der Beugel as a government official and as a private diplomat. After a career with the Dutch government at the frontlines of the Marshall Plan, European integration, and transatlantic relations, Van der Beugel pursued a more freestyle approach to diplomacy as a private citizen, most notably through his role as Secretary General of the illustrious Bilderberg Meetings and his ties to the European and American foreign policy establishments. This book also traces his close friendship with Henry Kissinger, which provided him with a direct line to the White House. **Stay of Execution** Stewart Alsop, 2016-06-07. The Oil Kings Andrew Scott Cooper,2012-09-11 Relying on a rich cache of previously classified notes transcripts cables policy briefs and memoranda Andrew Cooper explains how oil drove even corrupted American foreign policy during a time when Cold War imperatives still applied and tells why in the 1970s the U S

switched its Middle East allegiance from the Shah of Iran to the Saudi royal family Amid the oil shocks of the early 1970s there was one man the U S could rely on the Shah of Iran The Shah sold us oil we sold him weapons But the U S and other industrialized economies could not tolerate repeated annual double digit increases in oil prices During the 1976 election campaign President Gerald Ford decided that he had to find a country that would break the OPEC monopoly and sell the U S oil more cheaply On the advice of Treasury Secretary William Simon and against the advice of Secretary of State Henry Kissinger Ford made a deal to sell advanced weaponry to the Saudis in exchange for a more moderate price hike in oil The Shah s economy was destabilized and disaffected elements mobilized to overthrow him The U S had embarked on a long relationship with the autocratic Saudi kingdom that continues to this day
