## **Friends Of Dorothy:**

**Conduct Unbecoming** Randy Shilts, 2005-07 The definitive book on lesbians and gay men in the US military Randy Shilts author of the classic documentary history of the AIDS epidemic *And The Band Played On* was acclaimed for his ability to take epic histories and molding them into gripping intimate narratives *Conduct Unbecoming* his groundbreaking exploration of lesbians and gays in the military came out of hundreds of interviews conducted with servicepeople at all levels of the Army Navy Air Force and Marine Corps and intense research uncovering thousands of documents resulting in a unique history of gays in the military as well as the persecution of gays in the military *Conduct Unbecoming* will leave readers moved and imbued with a better understanding of the pressing situation in our nation's military A sober thoroughly researched and engrossingly readable history on the subject Shilts's chronicle is excellent military history closely woven with an enthralling analysis of the changing definitions of sexuality and personal relationships in American society A landmark book Remarkable New York Times Book Review A masterpiece of investigative reporting Shilts has shown us the honor homosexuals have brought and continue to bring to the uniforms they wear and the country they serve Boston Globe Gays we are told would damage morale in the military Shilts documents the fact that morale has already been eaten away by hypocrisy contradictions and favoritism This book will be to gay and lesbian liberation what Betty Friedan's was to early feminism or Rachel Carson's to ecological consciousness No fair minded person can read *Conduct Unbecoming* and consider the present system defensible USA Today Gripping reading the history of homosexual people and the movement for gay lesbian equality in the United States can nowhere be more clearly told Los Angeles Times Friends of Dorothy William Yang, 1997 Annotated collection of black and white photographs taken at the various events centred around gay culture which have taken place in Sydney over the past 20 years including the annual Gay and Lesbian Mardi Gras Large format

ISSUES AND DILEMMAS IN SEXUAL BEHAVIOURS Robert Burns, 2023-07-01 This book will help those confused by the gender wars to gain a grip on the issues The distinction between sex and gender identity is explained as to the meaning and implications of the individual elements of the LGBTQ group The roles of culture and religion are shown to create many entwined issues and dilemmas for individuals and society with serious argument inter alia over dysphoria assessment treatments and self declaration abortion and anti abortion rights transgender female athletes competing against biological females the consent revolution extra marital affairs dating apps problems and dictates of religious beliefs *Suburgatory* Linda Erin Keenan, 2012-09-04 *Suburgatory* lampoons the absurdities and contradictions that Linda Keenan has witnessed since leaving New York City where she was a thoroughly urban CNN news producer for seven years and settling down as a hapless stay at home suburban mother The original proposal for this book was picked up by Warner Brothers and you can see their imagining of *Suburgatory* on the ABC show of the same title Keenan was forced by the man in her life to leave her beloved New York City for a supposed suburban utopia Instead she found herself trapped in a place where conformity is king

and where she often felt like she had been taken hostage by an adult Girl Scout troop So Keenan decided to train her twisted reporter's eye on the strange inhabitants of this new foreign land Thought of as a local town newspaper or website Suburgatory excoriates through satirical local news stories the mostly upper middle class American pieties and parenting obsessions targeting the all around bad behavior raging underneath the surface of those obsessively tended suburban lawns and bikini lines

**Through the Eyes of Iris** Thomas Henry Bennett, 2008-06 With growth forced upon her by the gestation of an unwanted child in her womb Iris Silkin recollects enduring physical and emotional change and the moral questions she must answer to protect herself her friends and her child from the threat of man of peoples and of humanity Depicting mere existence in the City of London crime London's twisted value systems and the spirit's ability to overcome Iris Silkin's memoir is a testament to one woman's triumph over male greed institutional arrogance and criminal deceit

**American Cassandra: The Life of Dorothy Thompson** Peter Kurth, 2019-08-09 Dorothy Thompson 1893 1961 was America's first internationally famous female foreign correspondent Born outside of Buffalo New York she graduated from Syracuse University in 1914 and honed her writing and interviewing skills in the women's suffrage movement before heading for Europe as a freelance journalist Reporting from Vienna Budapest and Berlin during the rise of Nazism she was the first western journalist to be expelled from Germany by Adolf Hitler after denigrating him in a profile Her later columns in the Ladies Home Journal and radio broadcasts for CBS published as Listen Hans made her next to Eleanor Roosevelt the most influential woman in the United States Thompson was married three times her second marriage was to the American novelist Nobel Prize winner and alcoholic Sinclair Lewis her third and happiest to Czech artist Maxim Kopf She also had several lesbian relationships Avidly interested in everything from sustainable farming to the fine arts she divided her later years between New York City and her farm in Barnard Vermont A skillful exploration of the life and personality of the formidable foreign correspondent New York Times readers will be pleased to meet a fascinating driven and indomitable woman who richly deserves this fine biography Thomas Griffith New York Times Sensationally good Kurth's vividly detailed and dramatic portrayal of Thompson's life fully compensates for the memoirs she planned but never lived to write Here was a one of a kind incarnation of energy honesty and commitment a woman we must not forget USA Today Kurth guides us through the tumultuous complexities of the time the rise of Nazism in Germany isolationism in America the Second World War the establishment of Israel and other issues that Thompson took over as her personal battleground His daunting task is to show us a mind at work and he pulls it off Washington Post In a day of dime a dozen pundits jabbering on the talk shows Thompson's diligence and influence are worth recalling Mr Kurth's compulsively readable account allows us to re live an age and do just that Wall Street Journal Kurth has a surprising grasp of Thompson's emotional makeup strictly avoiding the kind of supercilious or paternalistic attitude that such a character invites in male authors His biography is insightful without being sentimental warm without being sycophantic Toronto Star An important asset of this big solid book is author Kurth's prolific

use of Thompson's own words. She left 150 file cases of published and unpublished writings, chunks of private thoughts and musings on her three husbands and her own sexuality. One would have expected her to burn. Kurth has battled through this paper blizzard and emerged with a clear as ice water picture of a turbulent complex personality. *Baltimore Sun*. Peter Kurth, author of the haunting *Anastasia: The Riddle of Anna Anderson*, proves once again that he is the equal of Stefan Zweig as a biographer of women. His fairness, his control of his material, and his eye for the revealing quotation are such that he makes us empathize with Miss Thompson even when we feel like strangling her. *Washington Times*. *The New Partridge Dictionary of Slang and Unconventional English*. Tom Dalzell, Terry Victor, 2015-06-26. Booklist Top of the List Reference Source. The heir and successor to Eric Partridge's brilliant magnum opus *The Dictionary of Slang and Unconventional English*, this two-volume *New Partridge Dictionary of Slang and Unconventional English* is the definitive record of post-WWII slang. Containing over 60,000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English-speaking world since 1945 and through the first decade of the new millennium with the same thorough, intense, and lively scholarship that characterized Partridge's own work. Unique, exciting, and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English slang, and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland, and the Caribbean. Emphasis on post-World War II slang and unconventional English. Published sources given for each entry, often including an early or significant example of the term's use in print, hundreds of thousands of citations from popular literature, newspapers, magazines, movies, and songs illustrating usage of the headwords. Dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years. Over 1,000 new entries from the US, UK, and Australia. New terms from the language of social networking. Many entries now revised to include new dating, new citations from written sources, and new glosses. *The New Partridge Dictionary of Slang and Unconventional English* is a spectacular resource infused with humour and learning; it's rude, it's delightful, and it's a prize for anyone with a love of language. **The Golden Girls**. Bernadette Giacomazzo, 2023-08-15. This book is a much-needed addition to the growing body of scholarship around this beloved sitcom. An essential read for *The Golden Girls* fans and media studies scholars alike. *Library Journal*. Starred Review. Over the course of seven years and 180 episodes, *The Golden Girls* altered the television landscape. For the first time in history, Americans and later the rest of the world were watching sexagenarians and one octogenarian leading active, vital lives. These were older women who had careers, families, lovers, and adventures far from the matronly television characters of the past. In *The Golden Girls: A Cultural History*, Bernadette Giacomazzo shows why this iconic sitcom is more than just comedy gold. She examines how, between all the laughs and the tales of St. Olaf, these women tackled tough issues of the time, issues that continue to resonate in the twenty-first century. From sexual harassment, ageism, and PTSD to AIDS, inter-racial relationships, and homosexuality, Dorothy, Rose, Blanche, and

Sophia weren't afraid to take on topics which were once considered taboo This first ever cultural history of The Golden Girls explores how the show forever changed the world's perception of what it means to grow older and showed us the healing power of friendship community and sisterhood It gave the voiceless a new voice and unveiled all the possibilities of what family can mean no matter one's race religion creed or sexual orientation Queer Oz Tison Pugh,2023-04-21 Regardless of his own sexual orientation L Frank Baum's fictions revel in queer trans and other transgressive themes Baum's life in the late 1800s and early 1900s coincided with the rise of sexology in the Western world as a cascade of studies heightened awareness of the complexity of human sexuality His years of productivity also coincided with the rise of children's literature as a unique field of artistic creation Best known for his Oz series Baum produced a staggering number of children's and juvenile book series under male and female pseudonyms including the Boy Fortune Hunters series the Aunt Jane's Nieces series and the Mary Louise series along with many miscellaneous tales for young readers Baum envisioned his fantasy works as progressive fictions aspiring to create in the Oz series a modernized fairy tale in which the wonderment and joy are retained and the heartaches and nightmares are left out In line with these progressive aspirations his works are often sexually progressive as well with surprisingly queer and trans touches that reject the standard fairy tale narrative path toward love and marriage From Ozma of Oz's backstory as a boy named Tip to the genderless character Chick the Cherub from the homosocial adventures of his Boy Fortune Hunters to the determined rejection of romance for Aunt Jane's Nieces Queer Oz L Frank Baum's Trans Tales and Other Astounding Adventures in Sex and Gender shows how Baum utilized the freedoms of children's literature in its carnivalesque celebration of a world turned upside down to reimagine the meanings of gender and sexuality in early twentieth century America and to reenvision them for the future **Belief, Behavior, and Health** Sandra D. Lane,2024-10-03 This book uniquely examines across cultures the health benefits and detriments of religious beliefs with important implications for individual wellbeing and human survival Belief Behavior and Health takes the reader through journeys of the author's research in the Middle East Africa and the urban United States where she focused on the unequal health and survival of women globally and vulnerable groups in the United States Almost every health problem especially those experienced by the poor and disadvantaged arose from or was made worse by the conditions in the environment in which people lived Lane's detailed studies of beliefs about Judaism Christianity and Islam led to the author's deep observations on how religious belief and practice as well as discrimination due to religious prejudice can be a major influence on health both positively and negatively In this book Lane shows how religious precepts and cultural influences on religious behavior function as social determinants of health An accessible and compelling read this book will appeal to students and scholars of public health anthropology and sociology and those interested in the influence of religion on health outcomes

**Gay Affirmative Therapy for the Straight Clinician: The Essential Guide** Joe Kort,2008-03-17 All the answers straight clinicians need to work effectively with gay and lesbian clients It has been over three decades since the American

Psychiatric Association removed homosexuality as a category of deviant behavior from the DSM Same sex marriage is recognized in certain states gay straight alliances are springing up in high schools across the country and major religious denominations are embracing gay clergy Yet despite the sea change of attitudes toward homosexuality many well meaning straight therapists are still at a loss as to how to effectively counsel their gay and lesbian clients This book will offer straight therapists the tools they need to counsel gay and lesbian clients effectively Bernard Shaw's sister and her friends Henry George Farmer,2024-07-29 **The Publishers' Trade List Annual** ,1905 **The Cowardly Lion of Oz** Ruth Plumly Thompson,1923 Odyssey of a Wandering Mind Jennifer Horne,2024-01-11 Sara Mayfield was born into Alabama s governing elite in 1905 and grew up in a social circle that included Zelda Sayre Fitzgerald Sara Haardt Mencken and Tallulah and Eugenia Bankhead A precocious child Mayfield befriended H L Mencken in college then visited with the Fitzgeralds and hobnobbed with the literati while traveling in Europe after a failed marriage in the 1920s Returning to Alabama during the Depression she briefly ran the family plantation before departing for New York City where she became involved in the theatre Inventing a plastic compound derived from cotton while working on theatrical sets she applied for a patent and set her sights on a livelihood as an inventor and businesswoman With the advent of World War II Mayfield returned to her family home in Tuscaloosa where she expanded her experiments freelanced as journalist and doggedly pursued a bizarre series of military and intelligence schemes prompting temporary hospitalization In 1945 she mingled with a host of cultural figures while reporting on the creation of the United Nations from Mexico and California but she struggled to find her place in Tuscaloosa society after the war becoming increasingly paranoid about conspiracies arrayed against her Finally her mother and brother committed her to Bryce Hospital for the Insane where she remained for the next seventeen years Throughout her life Mayfield kept journals wrote fiction and produced thousands of letters while nursing the overriding ambition that drove her since childhood to write and publish books During her confinement Mayfield assiduously recorded her experiences and her determined efforts sometimes delusional always savvy to overturn her diagnosis and return to the world as a sane independent adult At 59 she did just that securing her release having been returned to sanity then publishing literary biographies of Mencken and the Fitzgeralds plus a novel finally achieving her lifelong quest to become an author of books and her own life In Odyssey of a Wandering Mind noted writer Jennifer Horne draws on years of research and an intimate understanding of the vast archive Mayfield left behind to sensitively render her struggle to move through the world as the person she was and her ultimate success in surviving to define the terms of her story Gayle Ken Cage,2003

Publisher Description **The Universe of Oz** Kevin K. Durand,Mary K. Leigh,2010-03-08 The Wizard of Oz has captured the imagination of the public since publication of L Frank Baum s first book of the series in 1900 Oz has shaped the way we read children s literature view motion pictures and experience musicals Oz has captured the scholarly imagination as well The seventeen essays in this book address numerous questions of the boundaries between literature film and stage and these

have become essential to Oz scholarship Together the essays explore the ways in which Oz tells us much about ourselves our society and our journeys

**Kinky History** Esmé Louise James, 2024-06-18 A provocative journey through human sexual history packed with fun factoids and forgotten stories from the historian and storyteller behind Kinky History esme louisee on TikTok Contrary to popular belief our predecessors had all sorts of obscene hobbies long before Christian Grey hit the scene In this enlightening romp learn about the first instances of homosexuality on record from the ancient world and the diverse history of nonbinary gender encounter a thousand years worth of hilarious and horrifying contraceptive methods consider the positive and negative effects of the widespread availability of pornography in the digital age and how our relationship to it changed during the pandemic take a sneaky riffle through centuries of bedside drawers and discover the dirty little secrets of luminaries such as Julius Caesar James Joyce Albert Einstein and Virginia Woolf Esm Louise James also identifies the key tipping points that directly inform current beliefs around sex to place the past in conversation with the present By educating ourselves about the weird wonderful and varied spectrum of human sexuality and experience we can normalize and destigmatize sex write people of marginalized sexual identities back into the pages of history and build toward a more liberated future

*An Asperger Dictionary of Everyday Expressions* Ian Stuart-Hamilton, 2007 This revised and expanded edition has over 5000 explanations that help unlock the meaning of everyday idiomatic expressions and dispel the confusion that arises from the misinterpretation of language Both informative and entertaining the book addresses an important aspect of social communication for people with Asperger Syndrome who use direct precise language and take things literally Each entry is clearly explained with a guide to its politeness level and suggestions for when and how it might be used The book covers British and American English and includes some Australian expressions Although the dictionary is primarily for people with Asperger Syndrome it is useful and fun for anyone who struggles to understand idiomatic and colloquial English This is an essential accessible resource for everyday use

**Adapting The Wizard of Oz** Danielle Birkett, Dominic McHugh, 2019 One of the most beloved film musicals of all time The Wizard of Oz represents an enduring family favorite and cultural classic Yet there is much more to the story than meets the eye and the MGM movie is just one of many ways in which it has been represented In this lively and wide ranging book editors Danielle Birkett and Dominic McHugh bring together insights from eleven experts into the varied musical forms this great American myth has taken in the past century Starting with the early adaptations of L Frank Baum s story the book also explores the writing composition and reception of the MGM film its importance in queer culture stage adaptations of the movie cult classic The Wiz Stephen Schwartz s Broadway blockbuster Wicked and the cultural afterlife of the iconic Arlen Harburg songs What emerges is a vivid overview of how music on stage and screen has been an essential part of the story s journey to become a centerpiece of American culture
