I Choose To Stay Salome Thomas-EL, Cecil Murphey, 2004-01-01 The challenges of working in an urban school are not for every teacher Some get burnt out fast Some lose sight of why they started teaching in the first place Some find their calling in other neighborhoods with other kids But not Salome Thomas El A Teacher at Roberts Vaux Middle School in Philadelphia's inner city he chose to stay Gripping poignant and honest this is his blistering real life tale of mentoring and making a difference and how the reformation of America's educational system can start with just one school Praise for I Choose To Stay An intensely moving story of loyalty and courage and a deeply personal tribute to the great potential of our inner city kids so frequently dismissed and denigrated by American society The redemptive power of a teacher's love shines through these pages with prophetic grace I am grateful to the author for the lesson of essential decency he teaches us Jonathan Kozol This book is about courage It is a story about determination about compassion love and the ultimate fight This is the fight against the odds against the system and years of cultural social and economic factors that would have allowed this group of inner city kids to become nothing more than a set of statistics But Salome Thomas El would not let that happen He would not give up He saw the potential in them and he fought for them he used a board game as a weapon in this fight From the forward by Arnold Schwarzenegger A powerful story about what an inspirational teacher can do to open new horizons for economically disadvantaged young people William H Gray III President United Negro College Fund This book shows how one dedicated educator who believes in the potential of all our kids can make a huge difference and how under the proper circumstances urban education can work Edward G Rendell former mayor of Philadelphia Chairman of the Democratic

Urban Life Poetry: Vol 1 Marlon Douglas,2018-12-20 The average hustler doesn t last long on the streets but I was fortunate and had an eleven year run before I caught my case before the police picked me up A simple possession charge got me a three year probation sentence but I continued to hustle On April 27 2009 the FBI picked me up on a federal indictment charging me with distribution of five grams or more crack cocaine base and I was sentenced to five years in federal prison While doing my bid God blessed me with a vision to transform my rapping abilities into writing poems He also blessed me with the ability to write novels and the rest is basically history *Abraham's Eagles* Theodore Goodman,2024-01-11 In postcolonial America a treasure is lost two centuries later a mysterious gold coin is unearthed Abraham is alone in 1795 London after the death of his mother He is bright talented full of ambition and craves to belong and to be appreciated But his uncanny ability to make wrong decisions forces him into a whirlwind spiral down a slippery path Forced to flee his homeland he ventures across the sea to the new world for a fresh beginning but his inability to control his overpowering ambition finds him right back on a new more treacherous odyssey After a perplexing discovery in modern day Maryland Ian his family and good friends find themselves relentlessly pursued by sadistic operatives Forced into hiding the tight knit band fall into uncharted territory far outside their element Will the pressures disintegrate friendships or cement them into unbreakable bonds Will they find and figure out the mysterious clues Can they solve a bewildering cypher created centuries ago Should they involve the authorities to stop the madness or are the authorities the perpetrators of the madness They won t know until they turn the table and become the madness themselves The Conservator ,1908
